26-34-101. Preference of tax liens.

(a) Taxes assessed upon real and personal property shall bind them and be entitled to preference over all judgments, executions, encumbrances, or liens whensoever created.

(b) All taxes assessed shall be a lien upon and bind the property assessed from the first Monday of January of the year in which the assessment shall be made and shall continue until the taxes, with any penalty which may accrue thereon, shall be paid. However, as between grantor and grantee, the lien shall not attach until the last date fixed by law for the county clerk to deliver the tax books to the county collector in each year after the tax lien attaches.

(c)(1) Failure to satisfy a personal property tax lien following a purchase of a business or a business’s assets, goods, chattels, inventory, or equipment not in the ordinary course of business shall result in the assessment of an additional penalty under § 26-36-201(c) except with respect to a purchase of the following:

(A) A vehicle subject to registration; or

(B) A manufactured home or a mobile home.

(2) A purchase of a business or a business’s assets, goods, chattels, inventory, or equipment not in the ordinary course of business does not include the deed of property in lieu of foreclosure or the acquisition of title to property following a foreclosure sale.

ANALYSIS

Liability for Taxes.

Liens.

Personal Property.

Real Property.

Tax Sales.

Liability for Taxes.

Where the buyer was to receive no legal or equitable right under the contract until the purchase price had been paid in full, at which time the seller obligated himself to execute a special warranty deed conveying the lands free of all liens and encumbrances, and the contract was entered into some six weeks after the tax books had been delivered to the collector, the seller was liable for the payment of taxes under the warranty. *Broadhead v. McEntire*, 19 Ark. App. 259, 720 S.W.2d 313 (1986).

Liens.

Taxes and improvement assessments held "obligations secured by lien" within the meaning of Acts 1927, No. 195 (superseded by § 28-49-113). *Rose v. W.B. Worthen Co.*, 186 Ark. 205, 53 S.W.2d 15 (1932).

Personal Property.

Taxes are a lien on personal property and follow it into whosoever hands it goes. *Bridewell v. Morton*, 46 Ark. 73 (1885) (decision under prior law).

Where, prior to an application for a receiver in insolvency, an attachment was levied by the seller upon specific goods sold to the insolvent, upon which the seller owed taxes, the state's lien for taxes was payable from the amount allowed the attaching seller upon his preferred claim. *First Nat'l Bank v. Tribble*, 155 Ark. 264, 244 S.W. 33 (1922).

Real Property.

Taxes on land, due at the time of a sale, are a lien upon it and covered by the vendor's covenant against incumbrances suffered by him. *Crowell v. Packard*, 35 Ark. 348 (1880) (decision under prior law).

Where a lien for taxes attaches before date of sale and the sale contract contains

no agreement for payment of taxes for the preceding year, the vendor is liable for the amount of the taxes under his warranty. *Hatch v. Lowrance*, 178 Ark. 274, 10 S.W.2d 358 (1928); *Tate v. Ellis*, 201 Ark. 1185, 147 S.W.2d 34 (1941).

A mortgagee discharging a lien for taxes on mortgaged property is not a volunteer for the reason that the payment is necessary to protect his interest, and ordinarily he would be subrogated to the state's lien for reimbursement. *Quarry Sav. Bank & Trust Co. v. First Nat'l Bank*, 185 Ark. 433, 47 S.W.2d 802 (1932).

A mortgagee who paid the taxes on mortgaged property between the date of the foreclosure decree and the sale of the property is not entitled to reimbursement from the purchaser. *Quarry Sav. Bank & Trust Co. v. First Nat'l Bank*, 185 Ark. 433, 47 S.W.2d 802 (1932).

Title derived from improvement district prevails over tax title from state where district instituted foreclosure proceedings prior to date on which tax lien is affixed. *Terry v. Starks*, 221 Ark. 870, 256 S.W.2d 545 (1953).

Property agreement providing that the family home would be sold and that net proceeds were to be paid to the wife was construed so that husband had to pay mortgage payment, taxes, and special assessments which were due and payable upon the day of the sale. *Jones v. Jones*, 236 Ark. 296, 365 S.W.2d 716 (1963).

Tax assessor did not err in disregarding a freeze and assessing a taxpayer's property at a higher amount based on a change in "location factor" because pursuant to subsection (b) of this section, changes in assessment were valued as of the first Monday in January of the year in which the changes are made, so the assessment value that the taxpayer was notified of in July 2005 was effective as of January 3, 2005, prior to his sixty-fifth birthday. *Curry v. Pope County Equalization Bd.*, 2011 Ark. 408, 385 S.W.3d 130 (2011).

Tax Sales.

The state's lien on land for taxes cannot be defeated by the owner's permitting it to be sold to the state for taxes at a void tax sale and then purchasing it from the state as land forfeited for taxes. *Texarkana Water Co. v. State*, 62 Ark. 188, 35 S.W. 788 (1896) (decision under prior law).

Land transferred to improvement districts. *Terry v. Drainage Dist. No. 6*, Miller County, 206 Ark. 940, 178 S.W.2d 857 (1943); *Deniston v. Burroughs*, 209 Ark. 436, 190 S.W.2d 623 (1945) (decisions prior to 1943 amendment).

Where taxes against mineral interests

were not properly extended on tax books by the county clerk, but the mineral interests were duly ordered by the assessor and taxes lawfully levied by quorum court, a valid tax lien arose under this section, and allegation of willingness to pay tax had to be made before equitable relief would be granted in enjoining tax sale. *Schuman v. Ouachita County*, 218 Ark. 46, 234 S.W.2d 42 (1950).

Cited: *Miners' Bank v. Churchill*, 156 Ark. 191, 245 S.W. 829 (1922); *In re Wrigley*, 195 B.R. 914 (Bankr. E.D. Ark. 1996); *Worth v. City of Rogers*, 341 Ark. 12, 14 S.W.3d 471 (2000).

26-34-102. Ownership error in assessment.

It shall not be necessary to the validity of an assessment or of a sale of land for taxes that it be assessed to its true owner. Rather, the taxes shall be a charge upon the real and personal property taxed and, when sold, shall vest the title in the purchaser without regard to who owned the land or other property when assessed or when sold.

History. Acts 1883, No. 114, § 101, p. 199; C. & M. Dig., § 10025; Pope's Dig., § 13771; A.S.A. 1947, § 84-108.

CASE NOTES**Part Interests.**

Where mineral interest was assessed and taxed separately from the surface land and the owner of a one-half interest in the minerals failed to pay the taxes, his property rights in the one-half mineral interest, which were to terminate in 25 years, were immediately forfeited when

his mineral interest was sold at a tax sale, and the tax deed vested complete title in a one-half mineral interest in the purchaser. *Edwards v. Hall*, 267 Ark. 1003, 593 S.W.2d 465 (1980).

Cited: *Aldridge v. Tyrrell*, 301 Ark. 116, 782 S.W.2d 562 (1990).

26-34-103. Liability of executor or administrator.

The personal property of any deceased person shall be liable in the hands of any executor or administrator for any tax due on the same by any testator or intestate.

History. Acts 1883, No. 114, § 101, p. 199; C. & M. Dig., § 10025; Pope's Dig., § 13771; A.S.A. 1947, § 84-108.

26-34-104. Attorney General to conduct suits.

All suits which may be brought under the provisions of this section and § 26-34-107 shall be conducted by the Attorney General as other suits brought in the name of the State of Arkansas.

History. Acts 1931, No. 281, § 2; Pope's Dig., § 13900; A.S.A. 1947, § 84-111.

26-34-105. Limitation of actions on tangible property taxes.

No suit shall be brought for the recovery of overdue taxes accruing because of the underassessment of tangible personal and real property resulting from an error of the county assessor after three (3) years from the date on which the taxes should have been collected in regular course.

History. Acts 1929, No. 174, § 1; Pope's Dig., § 13901; A.S.A. 1947, § 84-112; Acts 1999, No. 572, § 7.

CASE NOTES

26-34-106. Limitation of actions on intangible property taxes.

No suit shall be brought for the recovery of unpaid and overdue taxes accruing because of underassessment of intangible property after seven (7) years from the date on which the taxes should have been in regular course collected.

History. Acts 1929, No. 174, § 2; Pope's Dig., § 13902; A.S.A. 1947, § 84-113.

26-34-107. No proceedings after payment except for fraud.

After the assessment and full payment of any general property, privilege, or excise tax, no proceedings shall be brought or maintained for the reassessment of the value on which the tax is based, except for actual fraud of the taxpayer. Failure to assess taxes as required by law shall be prima facie evidence of fraud.

History. Acts 1931, No. 281, § 1; Pope's Dig., § 13899; A.S.A. 1947, § 84-110.

CASE NOTES

ANALYSIS

Applicability.
Assessment.
Fraud.

Applicability.

This section applied to suits pending at the time it became effective. State ex rel. Attorney Gen. v. Anderson-Tully Co., 186 Ark. 170, 53 S.W.2d 17 (1932).

This section applies to suits by the state to collect delinquent privilege, excise, and sales taxes. Arkansas-Louisiana Gas Co. v. Hardin, 206 Ark. 593, 176 S.W.2d 903 (1944).

It is the failure of collecting officials to invoke promptly the statutory remedies in collecting taxes, rather than any affirmative action on the part of such officials, that enables a taxpayer, who has made an

honest disclosure and payment of taxes to take advantage of this section. *Arkansas-Louisiana Gas Co. v. Hardin*, 206 Ark. 593, 176 S.W.2d 903 (1944).

Assessment.

This section does not bar collection of tax where tax was never assessed, demanded, or paid. *Southwestern Distilled Products Co. v. State*, 199 Ark. 761, 136 S.W.2d 166 (1940); *Terminal Oil Co. v. McCarroll*, 201 Ark. 830, 147 S.W.2d 352 (1941), overruled in part, *Footte's Dixie Dandy, Inc. v. McHenry*, 270 Ark. 816, 607 S.W.2d 323 (1980).

If from time to time audits of corporation's business were made by state agents and in consequence of such audits corporation made an assessment of items claimed to be interstate transactions, but did not pay tax because of ruling by state that it was not to be included in the declaration, then the tax for disclosed and reported periods would not be assessable. *Hollis & Co. v. McCarroll*, 200 Ark. 523, 140 S.W.2d 420 (1940).

Where taxpayer, in reliance upon advice of state, failed to collect sales tax on interstate sales and filed monthly reports showing sales taxes were not being collected or paid on these sales, state was precluded from reassessment and collection of the taxes. *McCarroll v. Hollis & Co.*, 201 Ark. 931, 148 S.W.2d 167 (1941).

Fraud.

A gross underassessment of a taxpayer's property is not evidence of fraud within the meaning of this section. *State*

ex rel. Attorney Gen. v. Anderson-Tully Co., 186 Ark. 170, 53 S.W.2d 17 (1932).

A complaint by the state seeking to recover back taxes from a corporation, alleging that the corporation's personal property was grossly underassessed, without alleging that actual fraud was practiced by the corporation in making the underassessment, was subject to dismissal. *State ex rel. Attorney Gen. v. Chicago Mill & Lumber Corp.*, 187 Ark. 65, 58 S.W.2d 951 (1933).

State was not entitled to recover in suit against life insurance company for back taxes on annuity insurance premiums where insurance company made report of the premiums collected and paid the taxes due thereon, there being no element of fraud in its failure to report its annuity premiums, as the administrative officers of the state were of the opinion that such premiums were not taxable. *State ex rel. Holt v. New York Life Ins. Co.*, 198 Ark. 820, 131 S.W.2d 639 (1939).

Where taxpayer filed regularly and in due time returns which reflected a complete disclosure of all sales in controversy, under which disclosure the ascertainment of total liability was only a matter of calculation, and he paid promptly the amount to be due under its asserted theory of liability by the return and no concealment, fraud, or collusion in the matter was alleged or proved, suit for recovery of sales tax was barred by this section. *Arkansas-Louisiana Gas Co. v. Hardin*, 206 Ark. 593, 176 S.W.2d 903 (1944).

26-34-108. Suits against local taxing authorities.

(a) Whenever an action may be brought against any person holding the office of county collector, county assessor, or county clerk for performing or attempting to perform any duty or thing authorized by any of the provisions of this act or the laws of this state, for the collection of the public revenues, the county collector, county assessor, or county clerk shall be allowed and paid out of the county treasury reasonable fees of counsel and other expenses for defending the action or suit and the amount of any damages or costs adjudged against him or her.

(b) The fees, expenses, damages, and costs shall be apportioned ratably by the county clerk among all the parties entitled to share the taxes so collected and shall be deducted by the county clerk from the shares or portions of revenue at any time payable to each, including, as one of the parties, the state itself, as well as the counties, townships,

towns, or cities, and other corporations or other organizations entitled thereto as indicated.

History. Acts 1883, No. 114, § 211, p. 199; C. & M. Dig., § 10182; Pope's Dig., § 13965; A.S.A. 1947, § 84-109.

Meaning of "this act". Acts 1883, No. 114, codified as §§ 14-15-201, 14-15-505, 16-20-106, 16-92-113 [repealed], 16-92-114, 16-92-115 [repealed], 16-96-401, 21-6-305, 25-16-517, 26-1-101, 26-2-101, 26-2-103, 26-2-108, 26-3-201, 26-3-204, 26-3-301, 26-25-101 — 26-25-103, 26-25-105, 26-26-702 — 26-26-704, 26-26-714, 26-26-716, 26-26-717, 26-26-903 — 26-26-909, 26-26-914, 26-26-1001, 26-26-1102, 26-26-1107, 26-26-1202 — 26-26-1205, 26-26-1505, 26-28-101, 26-28-103 — 26-28-108, 26-28-110, 26-28-111, 26-34-101 — 26-34-103, 26-34-108, 26-35-201, 26-35-301, 26-

CASE NOTES

ANALYSIS

Applicability.
Injunctions.

Applicability.

This section has no applicability to the right of an attorney employed by a county to represent the county in a suit to test the validity of an act of the General Assembly detaching certain land from one county and attaching it to another. *Spence & Dudley v. Clay County*, 122 Ark. 157, 182 S.W. 573 (1916).

Injunctions.

The collection of taxes partly illegal will not be enjoined without an offer to pay the legal part. *Bridewell v. Morton*, 46 Ark. 73 (1885).

Illegal taxes may be enjoined when the injunction will prevent a multiplicity of suits. *City of Little Rock v. Prather*, 46 Ark. 471 (1885).

SUBCHAPTER 1 — GENERAL PROVISIONS

SECTION.

26-35-101. Escrow funds for payment of real property taxes.

Effective Dates. Acts 1987, No. 739, § 2, provided that the act was applicable to taxes payable in 1988 and thereafter.

Acts 1987, No. 739, § 3: Apr. 7, 1987. Emergency clause provided: "It is hereby found and determined by the General Assembly that thousands of dollars of funds are being accumulated in escrow accounts being held by banks, savings and loan associations, and other financial institutions, or by persons, firms, or corporations who maintain such escrow accounts for the payment of real property taxes on lands belonging to others, and that it is in the public interest that whenever a full year's taxes have accumulated in the escrow account for payment of real property taxes during said year, the payment be remitted to the county collector within a reasonable time after said amount has been accumulated thereby enabling the

cities, counties and school districts of this State to have the prompt benefit of the payment of taxes for which said escrow accounts are maintained; that many cities, counties and school districts are suffering a severe cash flow problem due to the lack of receiving said funds promptly upon the same being accumulated within the said escrow accounts; and that the immediate passage of this Act is necessary to assure that taxpayer funds accumulating in such escrow accounts be promptly remitted to the county collectors for distribution to the various taxing units of which said funds were intended. Therefore, an emergency is hereby declared to exist, and this Act being necessary for the immediate preservation of the public peace, health, and safety, shall be in full force and effect from and after its passage and approval."

26-35-101. Escrow funds for payment of real property taxes.

(a)(1) All banks, savings and loan associations, and other financial institutions and all persons, firms, or corporations which are holders of escrow funds for payment of real property taxes, within thirty (30) days after sufficient funds have accumulated in each account for the payment of property taxes, shall notify the county collector.

(2) If sufficient funds for the payment of one (1) year's taxes on real estate have accumulated within an escrow account prior to the commencement of the period in which the county collector may collect real property taxes for the year in which due, this notification shall be made within thirty (30) days after the county collector is authorized by law to commence collecting real property taxes during the year.

(3) Further, those holders of escrow funds must remit payment for property taxes within sixty (60) days of receipt of the tax bills from the county collector.

(4)(A) Any bank, savings and loan association, or other financial institution or any person, firm, or corporation holding escrow funds for the payment of real property taxes due on properties belonging to persons for whom the escrow accounts are being held, which fails to pay to the county collector the real property taxes on the property within the time limitation imposed by this subsection, shall be

subject to a penalty of ten percent (10%) of the amount of the total taxes due.

(B) The penalties shall be paid from funds belonging to the holder of the escrow account.

(b) In no event shall moneys paid as penalties for late payment of real property taxes under the provisions of subsection (a) of this section be charged against the escrow account.

(c) All penalties collected by the county collector under subsection (a) of this section shall be credited to the various taxing units of the county in the respective proportions that each taxing unit shares in real property taxes collected by the county.

ANALYSIS

Dower Rights.
Life Tenants.
Parents.

Dower Rights.

Surviving husband occupying land under dower right was under duty to pay taxes, and where he permitted land to be forfeited to state for taxes, a purchase from the state by his son-in-law, who permitted his father-in-law to continue to occupy the land with him, there being other evidence of close relationship, amounted to a mere redemption, and interests in land remained as they were before the tax forfeiture. *Smith v. Davis*, 200 Ark. 547, 140 S.W.2d 126 (1940).

Life Tenants.

Where statute imposed upon the life tenant the duty to pay taxes and daughter occupied property with her mother, who was life tenant, with free rent, after death of mother, daughter was not entitled to be

reimbursed for taxes paid by her upon partition of real estate. *Kelley v. Acker*, 216 Ark. 867, 228 S.W.2d 49 (1950).

Since it is the duty of grantees of life tenant to keep taxes paid on lands so held, a purchase of a tax title resulting from failure to pay the taxes amounted to merely a redemption and did not give them title in fee. *Hutchison v. Sheppard*, 225 Ark. 14, 279 S.W.2d 33 (1955).

The duty to pay taxes under the statute applies to life tenants, who are charged with the responsibility of paying taxes on land, and persons who live with a life tenant, rent free. *Acord v. Acord*, 70 Ark. App. 409, 19 S.W.3d 644 (2000).

Parents.

Father is required to pay taxes on land of his minor children, and where he allows the land to become delinquent and sold for taxes, a conveyance to the father from one purchasing from state amounts to a redemption and title remains in the children. *Dedmon v. Hawkins*, 211 Ark. 840, 203 S.W.2d 183 (1947).

26-35-302. [Repealed.]

Publisher's Notes. This section, concerning life tenants and remaindermen, was repealed by Acts 2015, No. 1229, § 1. The section was derived from Acts 1883,

No. 114, § 165, p. 199; C. & M. Dig., § 10054; Pope's Dig., § 13813; A.S.A. 1947, § 84-925.

26-35-303. Joint tenant ownership of property.

(a) In all cases where any tract of land may be owned by two (2) or more persons as joint tenants, coparceners, or tenants in common, and one (1) or more proprietors shall have paid the tax or tax and penalty charged on his or her proportion of the tract, or one (1) or more of the remaining proprietors shall have failed to pay his or her proportion of his or her tax or tax and penalty charged on the land and partition of the land has or shall be made between them, then the tax or tax and penalty, paid as indicated, shall be deemed to have been paid on the proportion of the tract set off to the proprietor who paid his or her proportion of the tax or tax and penalty, and the proprietor so paying the tax or tax and penalty, as indicated, shall hold the proportion of the tract set off to him or her, as indicated, free from the residue of the tax or tax and penalty charged on the tract before partition, and the proportion of the tract set off to the proprietor who shall not have paid his or her proportion of the tax or tax and penalty, remaining unpaid, shall be charged with the tax or tax and penalty in the same manner as if the partition had been made before the tax or tax and penalty, had been assessed.

(b) Whenever any land so held by tenants in common shall be sold upon proceedings in partition or shall be taken by the election of any of the parties to such proceedings, or when any real estate shall be sold at judicial sale, or any administrator's, executor's, guardian's, or trustee's sale, the court shall order the taxes and penalties and the interest thereon, against the lands to be discharged out of the proceeds of the sale or election.

CASE NOTES

ANALYSIS

Construction.
Judicial Sales.
Taxes.

Construction.

This section was copied from an Ohio statute, and it is presumed that the General Assembly adopted the interpretation of it theretofore made by the Ohio court of last resort. *Miners' Bank v. Churchill*, 156 Ark. 191, 245 S.W. 829 (1922).

This section, being in derogation of the common law, must be strictly construed. *Mellroy v. Fugitt*, 182 Ark. 1017, 33 S.W.2d 719 (1930).

Judicial Sales.

Subsection (b) of this section relates to all judicial sales and not merely to sales in partition proceedings. *Miners' Bank v. Churchill*, 156 Ark. 191, 245 S.W. 829 (1922).

On a judicial sale the taxes are required to be satisfied from the proceeds, and if mortgagee, between date of decree of foreclosure and date of sale, paid taxes on land to preserve its interest, it should have secured reimbursement by amending its complaint in the case and could not recover for the taxes so paid from the purchaser at the foreclosure sale after confirmation of the sale. *Quarry Sav.*

Bank & Trust Co. v. First Nat'l Bank, 185 Ark. 433, 47 S.W.2d 802 (1932).

Taxes.

This section, providing for payment of taxes out of proceeds, has reference to the date of the sale, meaning the day on which the land is bid in by the purchaser and not to the confirmation. It is not essential that original decree directing foreclosure should contain direction for such pay-

ment; rather, the court may direct payment at any time before the fund is disbursed. *Miners' Bank v. Churchill*, 156 Ark. 191, 245 S.W. 829 (1922).

The word "taxes" as used in this section refers to the general revenues of the state and not to local assessments. *McIlroy v. Fugitt*, 182 Ark. 1017, 33 S.W.2d 719 (1930).

Cited: *Goodrich v. Darr*, 161 Ark. 514, 256 S.W. 868 (1923).

SUBCHAPTER 4 — LIABILITY OF FIDUCIARIES

SECTION.

26-35-401. Liability generally.

26-35-402. Preference of reimbursement claims.

Effective Dates. Acts 1883, No. 114, § 226; effective on passage.

26-35-401. Liability generally.

(a) Every person holding lands as guardian, executor, or administrator and neglecting or refusing to list or pay the taxes upon them, in the manner indicated, shall be liable to an action by his or her ward or devisee for any damage sustained by his or her neglect.

(b) Every person having the care of lands as agent or attorney as indicated having funds of the principal in his or her hands, for such purpose, and neglecting or refusing to list or pay the taxes on the lands shall be liable in an action to his or her principal for any damage the principal may have sustained by his or her neglect or refusal.

History. Acts 1883, No. 114, § 163, p. 199; C. & M. Dig., §§ 10051, 10052; Pope's Dig., §§ 13810, 13811; A.S.A. 1947, § 84-923.

26-35-402. Preference of reimbursement claims.

Every attorney, agent, guardian, executor, or administrator seized or having the care of lands, as indicated, who shall be put to any trouble or expense in listing or paying the taxes on the lands, shall be allowed a reasonable compensation for the time spent, the expenses incurred, and money advanced as indicated, which shall be deemed in all courts a just charge against the person for whose benefit the services shall have been advanced. The claim shall be preferred to all other debts or claims and be a lien on the real estate as well as the personal estate of the person for whose benefit the services shall have been advanced.

History. Acts 1883, No. 114, § 164, p. 199; C. & M. Dig., § 10053; Pope's Dig., § 13812; A.S.A. 1947, § 84-924.

CASE NOTES

ANALYSIS

Creation of Liens.

Priority of Liens.

Creation of Liens.

One who executed a note to his agent for money advanced in paying taxes on his land, in which he declared that he recognized the existence of a statutory lien, did not thereby create a lien where none existed by statute. *Peay v. Feild*, 30 Ark. 600 (1875) (decision under prior law).

To entitle an agent or attorney to a lien for taxes paid, he must show that he was seized of, or had care of, the land. *Peay v. Feild*, 30 Ark. 600 (1875); *Belleclair Planting Co. v. Hall*, 125 Ark. 203, 188 S.W. 574 (1916) (decision under prior law).

Voluntary payment of taxes on another's land by a stranger without any interest therein, in absence of the relationship of agent or attorney, creates no lien. *New York Life Ins. Co. v. Nichol*, 170 Ark. 791,

281 S.W. 21 (1926); *Person v. Cogbill*, 180 Ark. 664, 22 S.W.2d 161 (1929).

A bank lending money to executors to pay taxes could have the estate's real property sold to foreclose a lien therefor, though the executors did not execute a mortgage to secure the loan. *Christian v. People's Trust Co.*, 185 Ark. 55, 45 S.W.2d 857 (1932).

Priority of Liens.

Lien of a mortgagee, executed by owners of land after taxes had been paid by agent at owner's request, is superior to agent's lien. *First Nat'l Bank v. Polk*, 171 Ark. 543, 284 S.W. 769 (1926).

This section does not subrogate an agent paying taxes on lands to lien of state, but only gives lien to agent against owner. *First Nat'l Bank v. Polk*, 171 Ark. 543, 284 S.W. 769 (1926).

It is the intent and purpose of this Act that no taxpayer, regardless of choice of installment or single payment method, shall be assessed a ten percent (10%) delinquency penalty on any unpaid real or personal property tax balance except those balances remaining after the tenth day of October in the year in which said tax is due and payable. Further, it is the intent of this Act that any delinquency penalty will be assessed only against the unpaid tax balance remaining after the tenth day of October."

This section, considered as a whole, is not ambiguous. *Tolleson v. McMillan*, 192 Ark. 111, 90 S.W.2d 990 (1936).

Dates for Payment.

If a taxpayer wishes to pay in installments without penalty, he must do so within the times limited in this section, and if he wishes to pay the entire amount at one time without penalty, he must do so on or before the third Monday in April. *Tolleson v. McMillan*, 192 Ark. 111, 90 S.W.2d 990 (1936).

Property agreement providing that the family home would be sold and that net proceeds were to be paid to the wife was construed so that husband had to pay mortgage payment, taxes, and special as-

sessments which were due and payable upon the day of the sale. *Jones v. Jones*, 236 Ark. 296, 365 S.W.2d 716 (1963).

Summary judgment was properly awarded to property owners in an action by a municipal water improvement district to collect delinquent municipal improvement district taxes where the foreclosure action was barred by the three-year statute of limitations; because subsection (a) of this section specified that the first installment of the general taxes was to be payable on and from the third Monday in February to and including the third Monday in April, the three-year statute of limitations began to run 90 days after the third Monday in April 2001, well before the district filed its foreclosure action on October 1, 2004. *Vimy Ridge Mun. ANALYSIS

Constitutionality.

Special Law.
Warrants Receivable.

Constitutionality.

This section was held impliedly repealed by Ark. Const. Amend. 11 (now incorporated in Ark. Const., Art. 14, § 3). *Ark. Power & Light Co. v. Curlin*, 187 Ark. 562, 61 S.W.2d 73 (1933).

The reenactment of this section in 1935 did not free it of the constitutional objection that it offends against Ark. Const. Amend. 11 (now incorporated in Ark. Const., Art. 14, § 3), insofar as it relates to the payment of school taxes with school warrants. *McCall v. Armstrong*, 199 Ark. 1131, 137 S.W.2d 241 (1940).

Reenactment of this section in 1935 evidenced the legislative intent to reenact so much of this section, as it stood prior thereto, as was constitutional, and those provisions permitting the use of county, city, and town warrants to pay taxes due counties, cities, or towns, respectively, does not offend against Ark. Const. Amend. 11 (now incorporated in Ark. Const., Art. 14, § 3), which relates only to school taxes. *McCall v. Armstrong*, 199 Ark. 1131, 137 S.W.2d 241 (1940).

Fines, Penalties, Etc.

Under statute requiring fines, penalties, and forfeitures to be paid into the county treasury, fines, penalties, and forfeitures were to be treated as debts accruing to the county and were payable in county warrants. *McKibben v. State*, 31 Ark. 46 (1876); *Lusk v. Perkins*, 48 Ark. 238, 2 S.W. 847 (1887) (preceding decisions under prior law).

Manner of Payment.

Provision in § 89 of the Revenue Act of 1873, authorizing the payment of taxes

with warrants issued by the state or any county, township, town, or city for their respective taxes, did not prohibit the receipt of other certificates for taxes, if otherwise authorized by law. *English v. Oliver*, 28 Ark. 317 (1873) (decision under prior law).

County collector could not refuse to take county scrip for taxes because barred by the statute of limitations, nor plead the statute as bar to a petition for mandamus to compel him to take it. *Daniel v. Askew*, 36 Ark. 487 (1880); *Whitthorne v. Jett*, 39 Ark. 139 (1882) (preceding decisions under prior law).

Notwithstanding a county levying court, in levying a special tax to build a new courthouse, ordered it to be "receivable only in currency or proper warrants drawn by proper order on the courthouse fund," a tax levied for such purpose could be paid in county warrants drawn upon funds appropriated for ordinary county purposes. *Stillwell v. Jackson*, 77 Ark. 250, 93 S.W. 71 (1905).

Municipal ordinance providing for payment of a tax "in cash" will be construed to mean either in money or in municipal orders, warrants, or scrip. *Ark. Pub. Util. Co. v. Town of Heber Springs*, 151 Ark. 249, 235 S.W. 999 (1921).

One receiving judgment for face value of county warrant against a county cannot, by mandamus, require county authorities to collect a portion of the county taxes in cash instead of in county warrants, since the taxpayer can pay taxes in either cash or warrants. *United States ex rel. Jensen v. Criner*, 283 F. 774 (8th Cir. 1922).

Neither the federal nor the state courts can require a county to levy a tax payable in currency to satisfy a judgment rendered against it on county warrants. *Slayton v. Crittenden County*, 284 F. 858 (E.D. Ark. 1922).

Redemption.

On redemption of land sold to state for taxes, county treasurer is required to ac-

cept county warrants for portion of taxes owing the county. *Bradford v. Burrow*, 188 Ark. 380, 65 S.W.2d 554 (1933).

Special Law.

Acts 1917, No. 94, providing for the registration of warrants of Johnson County by treasurer and for their redemption by him in order of their presentation did not, expressly or impliedly, prohibit their acceptance by collector in payment of taxes. *Bartlett v. Willis*, 147 Ark. 374, 227 S.W. 596 (1921).

Warrants Receivable.

Where county warrants tendered in payment of taxes levied to pay county

indebtedness existing at the adoption of the Arkansas Constitution of 1874 afforded no evidence that the allowance upon which they were issued was for county indebtedness prior to the adoption of the constitution, and were subsequent thereto, and drawn upon fund appropriated for county expenditures, collector was to refuse them. *Loftin v. Watson*, 32 Ark. 414 (1877); *Hughes v. Ross*, 38 Ark. 275 (1881) (preceding decisions under prior law).

A warrant issued in payment of a claim before it is due is not receivable for taxes until the claim is due. *Vale v. Buchanan*, 98 Ark. 299, 135 S.W. 848 (1911).

26-35-505. County collector to receive warrants at par.

(a) No county collector or deputy county collector shall, either directly or indirectly, contract for or purchase any orders or warrants issued by the county of which he or she is collector, or any state warrants, town orders, or the orders or warrants of any city, town, or other body politic for which he or she is the collector of taxes, at any discount whatever upon the sum due on those orders or warrants.

(b) If any county collector or deputy county collector, directly or indirectly, contracts for, purchases, or procures any orders or warrants at any discount whatever upon the sum for which they are respectively issued, he or she shall not be allowed, on settlement, the amount of the warrants or orders, or any part thereof, and shall also forfeit the whole amount due on the warrants or orders and the sum of one hundred dollars (\$100) for each and every breach of the provisions of this section, to be recovered in a civil action at the suit of the state for the use of the county.

(c)(1) The Treasurer of State or the person to whom the county collector of any county is required to return the state, county, city, town, village, school, or road tax is, respectively, prohibited from receiving from any county collector any warrants, orders, or bonds in payment of taxes collected by him or her or his or her deputies unless with the warrants, orders, or bonds, the county collector shall file his or her affidavit with the Treasurer of State or the person entitled to receive the tax, stating therein that all warrants, orders, and bonds were received at their par value and that he or she has faithfully performed his or her duties as prescribed in this section.

(2) Whoever swears falsely in this affidavit is guilty of perjury and, upon conviction, shall be punished by confinement in the state penitentiary for not less than one (1) nor more than three (3) years.

History. Acts 1869 (Adj. Sess.), No. 40, § 2, p. 92; C. & M. Dig., § 10048; Pope's Dig., § 13807; A.S.A. 1947, § 84-930.

26-35-506. Credit cards.

(a) All county collectors may accept payment of county property taxes, penalties, and associated costs by an approved credit card or debit card.

(b)(1) As authorized by subsection (a) of this section, all county collectors may enter into contracts with credit card companies and may pay the fees normally charged by those companies for allowing the county collector to accept their cards as payment.

(2)(A) When a taxpayer pays his or her property taxes by an approved credit card, the county collector shall assess a service fee equal to the amount charged to the county collector by the credit card issuer.

(B) This charge may be added to and become part of any underlying obligation.

Emergency clause provided: "It is hereby found and determined by the General Assembly that the requirement that the collector visit the various townships or precincts in his county for the purpose of collecting taxes is burdensome and costly; that with the present modes of rapid transportation this procedure is no longer necessary and causes undue inconvenience to the collector and to the taxpayers of the county; and that in order to remedy this situation, it is necessary that this Act become effective immediately. Emergency clause provided: "It is hereby found and determined by the General Assembly that the laws relating to the collection, redemption and sale of tax delinquent real property are in need of clarification; that Arkansas Courts have repeatedly voided tax deeds in instances where the county has not strictly complied with statutes; that such holdings have placed a cloud on tax deeds issued by the Commissioner of State Lands; that the present method whereby the Commissioner of State Lands disposes of tax delinquent land meets due process requirements; consequently, when the Commissioner of State Lands complies with the statutes set forth for his office to follow, tax deeds issued should not be void or voidable due to defects in the county procedure, except in cases where taxes have actually been paid. Further, the present situation has a chilling effect on the collection of taxes and encourages the nonpayment of taxes. Therefore, an emergency is hereby declared to exist and this act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after its passage and approval."

(c) In the event that the mailing address or electronic address information of the taxpayer changes, the taxpayer has an obligation to furnish the correct mailing address or electronic address information.

CASE NOTES

Notice.

Tax forfeiture sale of the real property of a nonresident landowner was approved because the landowner moved its corporate office from Illinois to California and did not notify the Commissioner of State Lands of the change of address as required; thus, when the Commissioner mailed the landowner notice of the delinquency and notice of the tax forfeiture sale to the landowner's old address, and published notice in newspapers, the Commissioner performed all the acts that it was required to perform. *Tsann Kuen Enters. Co. v. Campbell*, 355 Ark. 110, 129 S.W.3d 822 (2003).

The Commissioner of State Lands provided adequate notice to a prior owner of a tax deficiency and tax sale as required by § 26-37-301 where there was some confusion at the county level as to the last

known address, the commissioner mailed the notice to the address certified by the county, and the former owner had not furnished its correct address as required by this section. *Mays v. St. Pat Props., LLC*, 357 Ark. 482, 182 S.W.3d 84, cert. denied, 543 U.S. 943, 125 S. Ct. 353, 160 L. Ed. 2d 255 (2004).

Although this section provided strong support for the argument by the Commissioner of State Lands that mailing a certified letter to a property owner at the property's address was reasonable, it did not alter the reasonableness of the Commissioner's position that he was not required to do more when the notice was promptly returned "unclaimed." *Jones v. Flowers*, 547 U.S. 220, 126 S. Ct. 1708, 164 L. Ed. 2d 415 (2006).

26-35-706. Postage fee — Disposition.

(a) Every county collector who mails tax statements may charge the taxpayers a postage fee not to exceed the cost of first-class postage to defray the expense of processing and mailing tax statements.

(b) The postage fee shall be noted on each tax statement and shall be paid at the same time or before the tax is paid.

(c) The taxpayer's receipt shall include the amount of postage fee paid.

(d)(1) Postage fees received shall be accounted for on the county collector's final settlement.

(2) The county collector may use the fees to purchase postage, and any amount of fees collected in any month which are not used for the purchase of postage that month shall be deposited into the county general fund.

(e) Due to the substantial savings in postage, paper, handling, and labor cost from delivery of statements and notices electronically using information provided by the taxpayer, the county sheriff or county collector sending the tax statement and notices may waive the costs for mail delivery from taxpayer property tax statements or may charge the reduced costs of electronic notification.

SUBCHAPTER 8 — JUDICIAL APPEALS

SECTION.

26-35-801. Appeals disposed of without delay.

SECTION.

26-35-802. Payment pending assessment appeal.

Effective Dates. Acts 1959, No. 258, § 5: Mar. 25, 1959. Emergency clause provided: "It has been found and is declared by the General Assembly that many appeals are pending in the courts of this State from orders of County Courts affecting the assessed value of property; that many such appeals will not be disposed of prior to the time now fixed by law for County Clerks to extend taxes; that doubt exists whether County Clerks are now authorized to correct assessments found

by the courts of this State to be erroneous; that many taxpayers may therefore be deprived of relief to which they are found to be entitled; and that enactment of this measure will protect such taxpayers from excessive assessments. Therefore, an emergency is declared to exist, and this Act being necessary for the preservation of the public peace, health and safety, shall take effect and be in force from the date of its approval."

26-35-801. Appeals disposed of without delay.

The courts of this state shall expeditiously dispose of appeals from the county courts to the end that the revenues may be collected without unnecessary delay.

History. Acts 1959, No. 258, § 3; A.S.A. 1947, § 84-913.2.

26-35-802. Payment pending assessment appeal.

(a) Real or personal property shall not be returned as delinquent for nonpayment of taxes, nor shall any penalty or interest be added to taxes in excess of the amount required to be paid before the delinquency date under this section, while there is pending in the circuit court, Court of Appeals, or the Supreme Court an appeal from an order of the county court fixing the assessed value of property.

(b) If there has been no final disposition of an appeal before the last day fixed by law for the payment of the taxes without penalty, the taxpayer shall have thirty (30) days after final disposition of the appeal within which to pay any taxes in excess of the amount required to be paid before the delinquency date under this section without penalty or interest.

(c) A property owner appealing a personal property tax assessment to the circuit court shall pay:

(1) To the county collector as otherwise provided by law the amount the taxpayer claims is owed under the personal property tax assessment; and

(2) Into the registry of the circuit court an amount equal to the difference between the personal property tax assessment and the

amount the taxpayer claims is owed under the personal property tax assessment.

(d) A property owner appealing a real property tax assessment to the circuit court shall pay to the county collector the least of:

(1) The amount of taxes due on the portion of the taxable value of the real property that is not in dispute, subject to this section;

(2) The amount of taxes due on the real property under the court order from which the appeal is taken; or

(3) The amount of taxes due on the real property based on the previous year's assessment.

(e)(1) In the case of a property owner who elects to pay the amount of taxes under subdivision (d)(1) of this section, the property owner shall include in the complaint filed in the circuit court, or declare by subsequent affidavit filed with the circuit court, not less than sixty (60) days before the last day fixed by law for the payment of taxes without penalty, the taxes due on the portion of the taxable value of the property that is not in dispute or the lawful basis for any claim of exemption.

(2) On the motion of a party, the circuit court with jurisdiction over the appeal shall hold a hearing to review and determine compliance with this section, including verification of the amount of taxes the taxpayer claims is owed under subdivision (d)(1) of this section.

(3) Upon conclusion of the hearing, the circuit court shall order the property owner to pay to the county collector the amount that the circuit court determines is the proper undisputed amount under subdivision (d)(1) of this section.

(4)(A) If the circuit court determines that the property owner has not substantially complied with this section, the circuit court shall dismiss the pending action.

(B) If the circuit court determines that the property owner has substantially but not fully complied with this section, the circuit court shall dismiss the pending action unless the property owner fully complies with the circuit court's determination within thirty (30) days of the determination.

(f)(1) A property owner may include a request in the complaint on appeal to the circuit court, or file a motion with the circuit court, to waive payment of taxes due during the pendency of appeal if the payment would constitute an unreasonable restraint on the party's right of access to the courts.

(2) The request or motion to waive payment shall include a sworn affidavit of inability to pay the taxes at issue.

(3) Upon the filing of a request or motion, the circuit court shall hold a hearing to review the property owner's request and may set terms and conditions on any grant of relief as may be reasonably required by the circumstances.

(4) A property owner may be excused from the payment requirements under this section if upon hearing the circuit court finds that the payment would constitute an unreasonable restraint on the property owner's right of access to the courts.

(g) Except as provided under subsection (f) of this section, a property owner who appeals a property tax assessment to the circuit court shall pay taxes on the property subject to the appeal in the amount required by this section before the last day fixed by law for the payment of taxes without penalty, or the property owner forfeits the right to proceed to a final determination of appeal.

(h)(1) A property owner who pays to the county collector an amount of taxes greater than the amount required by this section does not forfeit the property owner's right to a final determination of the appeal by making the payment.

(2) The property owner may pay an additional amount of taxes at any time.

(3) If the property owner files a proper and timely appeal to the circuit court, taxes paid on the property are considered under protest, whether paid before or after the appeal is filed.

(i)(1) The pendency of an appeal of a property tax assessment does not affect the delinquency date for the taxes on the property subject to appeal.

(2) However, the delinquency date applies only to the amount of taxes required to be paid under this section.

(j)(1) In an appeal of an order of the county court to a circuit court as to the sole claim or issue of whether property is exempt under Arkansas Constitution, Article 16, § 5, the property owner shall not be required to pay any portion of the taxes assessed on the real property at issue in the appeal and shall not be found delinquent for nonpayment of real property taxes during the pendency of the appeal to the circuit court, the Court of Appeals, or the Supreme Court.

(2)(A) Within sixty (60) days before the delinquency date, a party may file a motion, based upon a good faith belief that the personal property at issue in the appeal will be removed from the jurisdiction of the county during the pendency of the appeal, requesting that the court order the property owner to file with the circuit court an irrevocable letter of credit or surety bond in the amount of the personal property taxes due.

(B) If a party elects not to file a motion, the property owner shall not be required to pay any portion of the taxes assessed on the personal property at issue in the appeal and shall not be found delinquent for nonpayment of personal property taxes during the pendency of the appeal to the circuit court, the Court of Appeals, or the Supreme Court.

(3) The property owner may elect to pay any real or personal property taxes due before the date of delinquency under subsection (c) or subsection (d) of this section, and such payment shall not affect the taxpayer's ability to appeal the exempt status of the property to the court of proper jurisdiction.

(4) After final disposition of an appeal:

(A) The property owner shall be required to pay the amount of taxes the court determines is owed, if any, within thirty (30) days of final disposition; and

(B) Any award of a refund shall be made by the county upon the order of a court of proper jurisdiction.

History. Acts 1959, No. 258, § 2; A.S.A. 1947, § 84-913.1; Acts 2015, No. 1057, § 1; 2019, No. 657, § 1.

Amendments. The 2015 amendment, in (a), substituted “Real or personal” for “No tract or lot of real”, inserted “not” following “shall”, and inserted “Court of Appeals”; in (b), substituted “If” for “In the event” and substituted “taxpayer” for “owner”; and added (c).

The 2019 amendment deleted “not required” following “Payment” in the section heading; substituted “any penalty or interest be added to taxes in excess of the amount required to be paid before the delinquency date under this section” for “any penalty be added to taxes due” in (a);

in (b), substituted “before” for “prior to” and “any taxes in excess of the amount required to be paid before the delinquency date under this section without penalty or interest” for “the taxes without penalty”; in the introductory language of (c), substituted “A property owner appealing” for “Upon appeal of”, and deleted “the taxpayer appealing the personal property tax assessment” following “court”; and added (d) through (j).

CASE NOTES

ANALYSIS

County Court.
 Errors of Taxpayer.
 Refunds Allowed.
 Refunds Not Allowed.

County Court.

Circuit court was without jurisdiction and the claim against the county, tax assessor, city, and school district should have been filed in county court, pursuant to Ark. Const., Art. 7, § 28, because the taxpayers alleged that an erroneous assessment occurred for which they sought a refund of property taxes. *Muldoon v. Martin*, 103 Ark. App. 64, 286 S.W.3d 201 (2008).

Errors of Taxpayer.

To refund taxes "erroneously" paid refers to assessments that deviate from law and are invalid for jurisdictional defects, and not to a case where a taxpayer neglects to deduct credits to which the taxpayer is entitled. *Ritchie Grocer Co. v. Texarkana*, 182 Ark. 137, 30 S.W.2d 213 (1930).

Refunds Allowed.

Taxes illegally collected may be recovered. *Town of Magnolia v. Sharman & Co.*, 46 Ark. 358 (1885).

A taxpayer who pays taxes in excess of what is due under a void order of county court has a remedy under this section to recover the excess payment. *First Nat'l Bank v. Norris*, 113 Ark. 138, 167 S.W. 481 (1914).

Proceeding of taxpayers for a refund is proper when a double assessment is unauthorized and erroneous. *Paschal v. Munsey*, 168 Ark. 58, 268 S.W. 849 (1925).

Refunds Not Allowed.

This section does not apply to an excessive valuation placed on property by a board of equalization. *Clay County v. Brown Lumber Co.*, 90 Ark. 413, 119 S.W. 251 (1909); *First Nat'l Bank v. Norris*, 113 Ark. 138, 167 S.W. 481 (1914).

Where a corporation's personal property was assessed in two different counties because of its failure to assess it, the corporation cannot complain of double taxation. *Beal-Doyle Dry Goods Co. v. Beller*, 105 Ark. 370, 150 S.W. 1033 (1912).

Section held not to apply to special road tax on lands belonging to nonresidents. *Walton v. Ark. County*, 153 Ark. 285, 239 S.W. 1054 (1922).

If tax is voluntarily paid, excess amount cannot be recovered; this section did not apply to taxes levied under special assessments. *Williams v. Miller Levee Dist.*, 179 Ark. 299, 15 S.W.2d 986 (1929).

Cable-services provider's suit seeking a tax refund under this section on grounds the Arkansas Public Service Commission wrongly included its intangible personal property in its ad valorem assessments was properly dismissed, as that claim should have been brought before the Commission, which had exclusive authority over such assessments and challenges thereto under §§ 26-24-103 and 26-26-1610. *Comcast of Little Rock v. Bradshaw*, 2011 Ark. 431, 385 S.W.3d 137 (2011).

26-35-902. Award of attorney's fees — Disposition of residual funds.

(a) It is the public policy of this state that circuit courts may, in meritorious litigation brought under Arkansas Constitution, Article 16, § 13, in which the circuit court orders any county, city, or town to refund or return to taxpayers moneys illegally exacted by the county, city, or town, apportion a reasonable part of the recovery of the class members to attorneys of record and order the return or refund of the balance to the members of the class represented.

(b) If, after expiration of a reasonable period of time for the filing of claims for the illegally exacted moneys as ordered by the circuit court,

residual funds exist, said residual funds shall be deemed abandoned and escheat to the county, city, or town which exacted same.

CASE NOTES

ANALYSIS

Applicability.
Final Judgment.
Reconsideration.

Applicability.

This section clearly applies only to suits brought against counties, cities, or towns. *Bahil v. Scribner*, 265 Ark. 834, 581 S.W.2d 334 (1979).

Section held inapplicable to original decree entered before March 28, 1977. *Powell v. Henry*, 267 Ark. 484, 592 S.W.2d 107 (1980).

Attorney's fees could not be awarded, in taxpayer's suit seeking an accounting and restitution of expense funds paid to a prosecuting attorney, since this section applies only to suits brought against any county, city, or town. *Munson v. Abbott*, 269 Ark. 441, 602 S.W.2d 649 (1980).

Where no refund of county or city money to taxpayers was ordered, this section did not apply. *City of Hot Springs v. Creviston*, 288 Ark. 286, 705 S.W.2d 415 (1986).

Attorney's fees are not to be allowed in an illegal exaction case in which no refund is sought. *Hamilton v. Villines*, 323 Ark. 492, 915 S.W.2d 271 (1996).

Where attorneys represented taxpayers

in a class action lawsuit, the circuit court abused its discretion by applying the percentage of the attorneys' settlement fee against the settlement pool instead of the total amount claimed by the taxpayers. *Butt v. Evans Law Firm, P.A.*, 351 Ark. 566, 98 S.W.3d 1 (2003).

Final Judgment.

Section 16-22-309 specifically requires that judgment for attorney's fees be included in the final judgment entered in the action, but no such requirement appears in this section. *Stewart Title Guar. Co. v. Cassill*, 41 Ark. App. 22, 847 S.W.2d 465 (1993).

Reconsideration.

Within 90 days after entry of order for attorney's fees made by special judge, regular judge could vacate special judge's order and set matter down for reconsideration. *Henry v. Powell*, 262 Ark. 763, 561 S.W.2d 296 (1978).

CASE NOTES

Not Adopted by Ordinance.

Specific statute dealing with when special improvement taxes became delinquent, § 14-86-1204, was applicable to a municipal water improvement district's foreclosure action against a taxpayer because the District never adopted the gen-

eral taxes provision of this section by an ordinance; thus, a portion of the District's foreclosure action was time barred. *Wilkins & Assocs. v. Vimy Ridge Mun. Water Improvement Dist.* No. 139, 373 Ark. 580, 285 S.W.3d 193 (2008).

(b) It shall be the duty of the county clerk to add a penalty of ten percent (10%) upon all taxes returned delinquent, which shall be collected in the manner provided for the collection of delinquent taxes.

Therefore, an emergency is hereby declared to exist and this act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 1991."

Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on: (1) The date of its approval by the Governor; (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

(b) As a condition precedent to setoff, all claimant agencies shall obtain the full name and Social Security number and submit this information to the Revenue Division of the Department of Finance and

Administration and, whenever possible, also obtain and submit the address and any other identifying information required by rules promulgated by the division pursuant to the authority of § 26-36-320 for any person for which the claimant agencies provide any service or transact any business and who the claimant agencies can foresee may become a debtor under the terms of this subchapter.

(b)(1) The division shall determine whether the debtor to the claimant agency is entitled to a refund.

(2) Upon determination by the division that a debtor specified by a claimant agency qualifies for such a refund and that a refund is pending, the division shall specify its sum and indicate the debtor's address as listed on the tax return.

(2) The notification form shall be approved by the Secretary of the Department of Finance and Administration.

(c) The written application by the debtor for a hearing shall be effective upon mailing the application postage prepaid and properly addressed to the claimant agency.

History. Acts 1983, No. 372, § 7; 1985, No. 987, § 3; A.S.A. 1947, § 84-4907; Acts 2019, No. 910, § 3692.

(b) Any changes to the original debt certified will be accepted only if the new amount is less than the debt originally certified. Such changes will be forwarded to the division in writing and in a format acceptable to the division. Debtors' names may be deleted from the debt certification listing upon written notice to the division by the claimant agency.

(b)(1) The Secretary of the Department of Finance and Administration shall notify each taxpayer due a joint refund of the amount and the date of a proposed setoff for a debt certified by a claimant agency to the Revenue Division of the Department of Finance and Administration.

(2) The notice under subdivision (b)(1) of this section shall be in writing and sent to the address listed on the taxpayer's most recently filed income tax return.

(c)(1)(A) A taxpayer who claims that he or she is not a debtor of a claimant agency may seek administrative relief by filing a written protest under oath within thirty (30) days after the notice under subdivision (b)(1) of this section is received.

(B) The written protest shall be signed by the nondebtor taxpayer or the nondebtor taxpayer's authorized agent and include the nondebtor taxpayer's reasons for opposing the proposed setoff.

(2) The nondebtor taxpayer may request the secretary to consider his or her request for relief upon written documents furnished by the nondebtor taxpayer or upon the written document and the evidence produced by the nondebtor taxpayer at a hearing conducted under the Arkansas Tax Procedure Act, § 26-18-101 et seq.

(3) The nondebtor taxpayer's protest shall include documentation supporting the proportionate share of the nondebtor taxpayer's payment of tax and the resulting amount of the joint refund that the nondebtor taxpayer claims is not subject to setoff.

(d) A nondebtor taxpayer who requests the secretary to render his or her decision based on written documents is not entitled by law to any other administrative hearing before the secretary's rendering of his or her decision.

(e) Administrative relief shall not be available to a nondebtor taxpayer who fails to protest a proposed setoff within the thirty (30) days after the notice under subdivision (b)(1) of this section is received.

(f)(1) If a taxpayer requests a hearing in person rather than on written documents, a hearing officer shall set the time and place for hearing on the written protest and shall give the nondebtor taxpayer reasonable notice of the hearing.

(2) At the hearing, the nondebtor taxpayer may be represented by an authorized representative and may present evidence in support of his or her position.

(3) After the hearing, the hearing officer shall render his or her decision in writing and shall serve copies upon both the nondebtor taxpayer and the claimant agency.

(g) The hearings on written protests and determinations made by the hearing officer are not subject to the Arkansas Administrative Procedure Act, § 25-15-201 et seq.

(h)(1) After the issuance and service on the taxpayer of a decision of the hearing officer to sustain the setoff of the joint refund, a nondebtor taxpayer may seek judicial relief from the decision by filing suit within thirty (30) days after the date of the final determination of the hearing officer.

(2) Jurisdiction for a suit to contest a determination of the hearing officer under this section shall be in the Pulaski County Circuit Court or the circuit court of the county where the nondebtor taxpayer resides, and the matter shall be tried de novo.

(i) This section is the sole means by which a nondebtor taxpayer may challenge a proposed setoff for the benefit of a claimant agency.

(B) If the claimant agency is a circuit court, county court, district court, or city court, or a housing authority created under § 14-169-101 et seq., ten percent (10%) of the proceeds collected by the division through setoff shall represent the division's cost of effecting setoff and shall be charged to the respective circuit court, county court, district court, or city court, or housing authority as a collection assistance fee.

(2) The collection assistance fees paid to the division shall be deposited into the State Treasury for credit to the Constitutional Officers Fund and the State Central Services Fund.

Further, the present situation has a chilling effect on the collection of taxes and encourages the nonpayment of taxes. Therefore, an emergency is hereby declared to exist and this act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after its passage and approval."

CASE NOTES

ANALYSIS

In General.
Notice of Sale.
Promulgation of Rules.
Title Vested in State.

In General.

Summary judgment was properly

awarded to a corporation in an action by guardians to redeem property that had been sold for delinquent taxes. At the time of the brother's death he no longer held title as it had vested in the State pursuant to subsection (c) of this section; however, his incapacitated sisters did inherit his right of redemption. *Givens v. Haybar, Inc.*, 95 Ark. App. 164, 234 S.W.3d 896 (2006).

Notice of Sale.

Title to property sold at a tax sale was properly quieted in the purchaser where the evidence showed that the state land commissioner sent notice of the deficiency and sale to the former owner at the address certified by the county. *Mays v. St. Pat Props., LLC*, 357 Ark. 482, 182 S.W.3d 84, cert. denied, 543 U.S. 943, 125 S. Ct. 353, 160 L. Ed. 2d 255 (2004).

Buyer's tax deed was properly voided because the Commissioner of State Lands failed to notify the bank as an interested party since it held a recorded interest in the property at the time of certification, and the right to challenge the tax sale based on the failure to give notice to the bank passed to the mortgagor when it acquired an interest in the property through the foreclosure sale. *RWR Props. v. Mid-State Trust VIII*, 102 Ark. App. 115, 282 S.W.3d 297 (2008).

Promulgation of Rules.

The Commissioner of State Lands has authority to promulgate rules and regula-

tions concerning tax-forfeiture sales, notwithstanding that the provision granting such authority, which is referenced in subsection (c) of the notes to the statute, is not codified. *Carter v. Green*, 67 Ark. App. 367, 1 S.W.3d 449 (1999).

Title Vested in State.

Circuit court could dissolve a tenancy by the entirety and award a home to the wife even though their ownership of the home preceded the effective date of § 9-12-317(c), because they had lost title to the property to the State for unpaid taxes under this section, and the property was redeemed and the title was transferred back to them after the statutory provision's effective date. *Freeman v. Freeman*, 2013 Ark. App. 693, 430 S.W.3d 824 (2013).

26-37-102. Publication of notice — Fee.

(a) The county collector in each county shall, not less than thirty (30) days nor more than forty (40) days prior to the certification of the land, publish in a newspaper of general circulation in the county:

- (2) The names of the owners of record;
- (3) The amount of the taxes, penalties, interest, and costs necessary to be paid to redeem the property;
- (4) The date upon which such period of redemption expires; and
- (5) Notice that unless the property is redeemed prior to the expiration of the period of redemption, the lands will be forfeited to the state.

(b) Fees for the publication shall be the same as set forth in § 26-37-107.

History. Acts 1983, No. 626, § 1; A.S.A. 1947, § 84-1126; Acts 1987, No. 814, § 5; 2019, No. 310, § 6.

Amendments. The 2019 amendment

substituted “publish” for “cause to be published” in the introductory language of (a); and substituted “§ 26-37-107” for “§ 26-37-108 [repealed]” in (b).

26-37-103. Verification by county assessor.

(a) Prior to certification to the Commissioner of State Lands, the county assessor shall:

- (1) Verify the assessment to establish value on all parcels to be certified;
- (2) Verify the name and last known address of the owner of record of the tax-delinquent land; and

(3) Determine whether the tax-delinquent land exists.

(b) If the land is found to be nonexistent, the county assessor shall remove the delinquent entry from the assessment rolls.

(c) No tax-delinquent lands shall be certified to the Commissioner of State Lands without the county assessor's verification.

History. Acts 1983, No. 626, § 1; A.S.A. 1947, § 84-1126; Acts 1987, No. 814, § 5.

26-37-104. Costs of notices.

(a) All costs of notice shall be added to the costs to be collected from the purchaser or redeemer.

(b) Costs of notice shall include, but not be limited to, certified mail costs, newspaper and catalog costs, and title work.

History. Acts 1983, No. 626, § 1; A.S.A. 1947, § 84-1126; Acts 1987, No. 814, § 5; 2005, No. 1231, § 1.

26-37-105. Collection fee — Definition.

(a) The Commissioner of State Lands may charge a collection fee for each deed issued by the Commissioner of State Lands, whether the land is redeemed or sold.

(b) The collection fee under this section shall be established by rule adopted by the Commissioner of State Lands.

(c)(1) However, the collection fee under this section shall not exceed the costs expended by the Commissioner of State Lands in producing or filing the deed.

(2) As used in subdivision (c)(1) of this section, "costs" means the actual costs expended by the Commissioner of State Lands plus three percent (3%) of the actual costs expended by the Commissioner of State Lands.

History. Acts 1983, No. 626, § 1; A.S.A. 1947, § 84-1126; Acts 1987, No. 814, § 5; 1995, No. 714, § 1; 2019, No. 673, § 2.

Amendments. The 2019 amendment added the (a) designation; in (a), substituted "may" for "shall", and deleted "twenty-five dollar (\$25.00)" preceding "collection fee"; and added (b) and (c).

26-37-106. Recording of delinquent list.

(a)(1) The county collectors of this state shall cause a list of the delinquent lands in their respective counties, as corrected by the county collectors, to be entered in a permanent record appropriately labeled.

(2) The list shall be a permanent public record and open to the inspection of the public at all times.

(b) The county officer designated by the quorum court under § 26-28-102 shall certify that the total amount of tax-delinquent lands in the permanent record under subsection (a) of this section is equal to the credit allowed the county collector for tax-delinquent lands on the current tax settlement.

(c) The record, so certified, shall be evidence of the facts contained in the list and certificate.

ANALYSIS

Constitutionality.

In General.

Book of Delinquent Lands.

Certification of Collector.

Constitutionality.

The 1933 amendment (No. 250) to this section was not in violation of Ark. Const., Art. 5, § 21. *Matthews v. Byrd*, 187 Ark. 458, 60 S.W.2d 909 (1933).

The 1933 amendment (No. 250) to this section was not unconstitutional as taking property without due process of law. *Benham v. Davis*, 196 Ark. 740, 119 S.W.2d 743 (1938).

In General.

For decisions under prior law (Overdue Tax Act of 1881), see *Gallagher v. Johnson*, 65 Ark. 90, 44 S.W. 1041 (1898); *Wallace v. Hill*, 135 Ark. 353, 205 S.W. 699 (1918).

Since the 1933 amendment, which eliminated a sentence which provided that the county clerk should keep posted up in or about his office the delinquent list for one year, noncompliance with that requirement does not operate to invalidate tax sale on that account. *Hirsch v. Dabbs*, 197 Ark. 756, 126 S.W.2d 116 (1939).

Delinquent list must be recorded prior to the sale, but this section does not require that published notice of sale also be recorded; rather, after publication has been made, there shall be appended, at the foot of the record of lands returned delinquent by the collector, a certificate showing in what newspaper the notice was published and the dates of publication. *Anthony v. Western & S. Life Ins. Co.*, 198 Ark. 445, 128 S.W.2d 1014 (1939).

Where lands were so sold during time that Acts 1935, No. 142 was in force, these sales would be made valid by the curative effects of this law. *Coulter v. Anthony*, 228 Ark. 192, 308 S.W.2d 445 (1957).

Book of Delinquent Lands.

The 1933 amendments showed no intention to dispense with the requirement that a permanent record be made and kept of lands returned delinquent, nor as to the time of making such record, that is, prior to sale. *Hirsch v. Dabbs*, 197 Ark. 756, 126 S.W.2d 116 (1939).

The filing of lists of delinquent lands on sheets of paper pinned at one corner, which lists were never corrected or recorded in a book, did not meet the requirements necessary to constitute notice to property owners. *Smith v. Treadwell*, 211 Ark. 247, 200 S.W.2d 514 (1947).

Certification of Collector.

Clerk's (now collector's) certificate held in compliance with this section. *Benham v. Davis*, 196 Ark. 740, 119 S.W.2d 743 (1938).

County clerk's (now collector's) certificate of publication does not have to recite that the newspaper is qualified by law. *Anthony v. Western & S. Life Ins. Co.*, 198 Ark. 445, 128 S.W.2d 1014 (1939).

Acts 1935, No. 282, in amending Acts 1933 (Ex. Sess.), No. 16 and omitting such provisions, did not repeal the requirement that the county clerk (now collector) attach a certificate to the delinquent list of lands as recorded by him, showing in what newspaper the delinquent list was published, and the dates of publication. *Cecil v. Tisher*, 206 Ark. 962, 178 S.W.2d 655 (1944).

Tax sales void when certificate not executed prior to date of sale. *Standard Sec. Co. v. Republic Mining & Mfg. Co.*, 207 Ark. 335, 180 S.W.2d 575 (1944); *Hensley v. Phillips*, 215 Ark. 543, 221 S.W.2d 412 (1949); *Coulter v. Anthony*, 228 Ark. 192, 308 S.W.2d 445 (1957). But see *Union Bank & Trust Co. v. Horne*, 195 Ark. 481, 113 S.W.2d 1091 (1938).

Tax sales of forfeited lands void when certificate not filed. *Cecil v. Tisher*, 206

Ark. 962, 178 S.W.2d 655 (1944); Standard Sec. Co. v. Republic Mining & Mfg. Co., 207 Ark. 335, 180 S.W.2d 575 (1944); Harrison v. Mobley, 211 Ark. 772, 202 S.W.2d 756 (1947); Browning v. King, 214 Ark. 480, 216 S.W.2d 803 (1949); Boyd v. Meador, 10 Ark. App. 5, 660 S.W.2d 943 (1983).

Failure of clerk (now collector) to certify was irregularity that could be cured by confirmation proceedings under former § 26-38-108 (repealed). Bowles v. Dierks Lumber & Coal Co., 217 Ark. 892, 233

S.W.2d 632 (1950); Jenkins v. Incorporated Town of Caraway, 219 Ark. 236, 242 S.W.2d 348 (1951) (decisions under prior law).

This section requires the certificate of the clerk (now collector) to be made prior to the sale, and where it is made on the date of the sale, the sale is void. Broadhead v. McEntire, 19 Ark. App. 259, 720 S.W.2d 313 (1986).

Constitutionality.

Act of March 14, 1879, which provided for taking of land for taxes without notice by publication and a competitive sale either of the smallest quantity for the taxes or the best price for a whole tract, with provisions to save the excess to the purchaser, was unconstitutional. Bagley v.

Castile, 42 Ark. 77 (1883) (decision under prior law).

Confirmation of tax sale cures irregularity of failure to give required notice of sale. *Berry v. Davidson*, 199 Ark. 276, 133 S.W.2d 442 (1939) (decision under prior law).

In General.

Acts 1933, No. 250 and 1933 (1st Ex. Sess.), No. 16 dispensed with the necessity of filing a list of lands; however, the omission from 1935, No. 282 of provision contained in Acts 1933 (1st Ex. Sess.), No. 16, limiting newspaper space for publication of delinquent tax list to six inches, double column, was evidence of legislative intention not to reenact the old law notwithstanding the word "notice" was used in Acts 1935, No. 282, since reference to publication of "the list as herein described" in former statute could only mean the delinquent list; therefore, it was proper to publish the delinquent list. *Thomas v. Branch*, 202 Ark. 338, 150 S.W.2d 738 (1941) (decision under prior law).

Where land involved was sold under description of lots 2-3, it fairly placed landowner of lot 3 on notice that his property had been sold for taxes even though lot 2 did not belong to landowner. *Brown v. Masterson*, 240 Ark. 880, 402 S.W.2d 666 (1966).

Acts 1935, No. 170, § 2, required contiguous city lots to be entered as one tract. *Moses v. Gingles*, 208 Ark. 788, 187 S.W.2d 892 (1945); *Northwest Land Co. v. Sugg*, 227 Ark. 410, 299 S.W.2d 63 (1957) (decisions under prior law).

Notice.

Former statute held not to prevent a meritorious defense on ground that no notice was given. *Townsend v. Martin*, 55 Ark. 192, 17 S.W. 875 (1891) (decision under prior law).

Tax title based upon sale without legal notice is void. *Woolfork v. Buckner*, 60 Ark. 163, 29 S.W. 372 (1895) (decision under prior law).

Publication.

Acts 1869 (Adj. Sess.), § 14, required publication to be for at least three weeks. *Pennell & Leverett v. Monroe*, 30 Ark. 661 (1875) (decision under prior law).

Mere informalities or unimportant variances in publication held not to invalidate tax sales. *Thweatt v. Black*, 30 Ark. 732 (1875); *Evans v. F.L. Dumas Store, Inc.*, 192 Ark. 571, 93 S.W.2d 307 (1936) (decisions under prior law).

Publication required to be in newspaper printed in district. *Wolf & Bailey v. Phillips*, 107 Ark. 374, 155 S.W. 924 (1913) (decision under prior law).

Provisions requiring lists to be published for two weeks before tax sales. *Townsend v. Martin*, 55 Ark. 192, 17 S.W. 875 (1891); *Martin v. McDiarmid*, 55 Ark. 213, 17 S.W. 877 (1891); *Thweatt v. Wall*, 206 Ark. 576, 176 S.W.2d 707 (1944).

Failure to publish list of delinquent lands as required voids tax sales. *Bennett v. Younes*, 189 Ark. 961, 76 S.W.2d 59 (1934); *Nunn v. Mitchell*, 210 Ark. 422, 196 S.W.2d 576 (1946) (decisions under prior law); *Booth v. Peoples Loan & Inv. Co.*, 248 Ark. 1213, 455 S.W.2d 868 (1970).

Publication need not be exact reproduction of delinquent list on file. *Evans v. F.L. Dumas Store, Inc.*, 192 Ark. 571, 93 S.W.2d 307 (1936) (decision under prior law).

Failure to comply strictly with requirement of publication held a mere irregularity cured by confirmation. *Giller v. Fouke*, 193 Ark. 644, 101 S.W.2d 783 (1937) (decision under prior law).

Publication required for two weeks in same paper. *Edwards v. Lodge*, 195 Ark.

470, 113 S.W.2d 94 (1938); *Anthony v. Western & S. Life Ins. Co.*, 198 Ark. 445, 128 S.W.2d 1014 (1939) (decisions under prior law).

Publication one week in one paper and following week in different paper was not mere irregularity that could be cured by a curative act. *Edwards v. Lodge*, 195 Ark. 470, 113 S.W.2d 94 (1938); *Union Bank & Trust Co. v. Horne*, 195 Ark. 481, 113 S.W.2d 1091 (1938) (decisions under prior law).

Publication in one issue of newspaper is not sufficient. *Union Bank & Trust Co. v. Horne*, 195 Ark. 481, 113 S.W.2d 1091 (1938) (decision under prior law).

Publication only once in newspaper held not cured by Acts 1935, No. 142 (repealed by Acts 1937, No. 264). *Union Bank & Trust Co. v. Horne*, 195 Ark. 481, 113 S.W.2d 1091 (1938) (decision under prior law).

It is no longer required that last publication be made two weeks before sale. *Anthony v. Western & S. Life Ins. Co.*, 198 Ark. 445, 128 S.W.2d 1014 (1939) (decision under prior law).

Requirement as to publication of notice is mandatory. *Berry v. Davidson*, 199 Ark. 276, 133 S.W.2d 442 (1939) (decision under prior law).

Acts 1935, No. 170 and Acts 1935, No. 282 were in conflict, both as to the time of publication and as to the duties of the collector. *Thomas v. Branch*, 202 Ark. 338, 150 S.W.2d 738 (1941) (decision under prior law).

Publication Fee.

County judge could make binding contract for publishing delinquent tax list at lower rate than the statutory one. *Hempstead County v. Star Publishing Co.*, 186 Ark. 594, 54 S.W.2d 699 (1932) (decision under prior law).

Publisher's Notes. Acts 1999, No. 42, § 1, provided: "Disposition of Unclaimed Redemption Money. All funds derived in prior years for the redemption of land pursuant to § 139 of Act 114 of 1883 as amended, formerly compiled as Arkansas Statute 84-1205, shall be transferred, by county court order, to the county general fund."

Preambles. Acts 1941, No. 437 contained a preamble which read: "Whereas, in some larger municipalities, the more desirable portions of tracts of land have been platted and utilized, frequently leaving deep ravines and steep hillsides that cannot be utilized with the result that the owners often abandon such property as worthless and cease to pay taxes on it; and for the same reason no one else is willing to buy it from the State, resulting in the property being built up with unsightly

shacks and hovels as a squatter section, to the great detriment of the surrounding property and the city as a whole; and in many instances the property would be desirable as a public park and a way should be provided for the acquisition of such tracts of land as public parks; and

"Whereas, in many instances before the depression, acreage tracts in larger municipalities were assessed for taxes on a highly speculative value, far in excess of the true value of the land, resulting in the forfeiture of the same to the State for taxes and which remains unredeemed, said property usually being undesirable tracts of land assessed on a very high basis, and under existing laws such city property cannot be sold at the acreage price as it is the case with rural property, with the result that this type of property remains unredeemed, thereby causing loss of taxes to the State, county, city and school districts;

Emergency clause provided: "It is found that, where lands have forfeited for both the general taxes and the improvement district assessments, many persons are deterred from purchasing district assessments, by reason of uncertainty of a recovery of the assessments paid in the event of invalidity of the forfeiture for general taxes; and it is further found that such uncertainty results in loss of revenue both to the State and to the improvement districts. Accordingly an emergency is declared to exist, and this Act shall take effect and be in force from and after its passage."

Acts 1941, No. 437, § 4: became law without Governor's signature, Apr. 3, 1941. Emergency clause provided: "It is ascertained and hereby declared that the provisions of this Act are necessary to aid municipalities in preventing sections of towns and cities from building up in an unsanitary squatter areas, and that the funds derived from additional taxes that will be paid by getting property back on the tax books, which additional taxes are urgently needed by the counties and cities for the maintenance of public thoroughfares so as to keep same in a safe condition for the traveling public, and for other purposes that will protect the health of the community, therefore, the immediate operation of this Act is essential for the protection of the public health and safety. An emergency, therefore, is declared and this Act shall take effect and be in force from and after its passage."

Acts 1985, No. 1021, § 3: Apr. 17, 1985. Emergency clause provided: "It is hereby found and determined by the General Assembly that the law relating to the distribution of proceeds received by the State Land Commissioner from the redemption of tax delinquent lands is confusing; that it is urgent that such confusion be corrected at the earliest date possible; and that this Act will provide clarification of such law and should be given effect immediately. Therefore, an emergency is hereby declared to exist and this Act being immediately necessary for the preservation of the public peace, health and safety shall

be in full force and effect from and after its passage and approval."

Acts 1991, No. 1080, § 2, provided in part: "It is hereby determined by the General Assembly that laws relating to the disposition of tax-delinquent real property are in need of clarification. Therefore, in order to facilitate the tax redemption and sale process and encourage use of the land, this section shall be in full force and effect on July 1, 1991."

Acts 1991, No. 1080, § 3, provided: "It is the intent of the General Assembly of the State of Arkansas that the provisions of this section be applied retroactively to sales taking place prior to the effective date of this act as well as sales taking place thereafter. Furthermore, it is hereby found and determined by the Seventy-Eighth General Assembly that current law excludes former owners from distribution of remaining funds and that such exclusion creates an unnecessary hardship on former owners at this time. Moreover, tax-delinquent land sales are scheduled to commence prior to the regular effective date of acts passed by the Seventy-Eighth General Assembly, making this enacting date necessary in order to prevent additional hardships to former owners. Therefore, this section shall be in full force and effect from and after the passage and approval of this act."

Acts 1991, No. 1080, § 7: July 1, 1991. Emergency clause provided: "It is hereby found and determined by the General Assembly that the laws relating to the redemption and sale of tax-delinquent real property are in need of clarification. Acts 1993, No. 791, § 10: Mar. 30, 1993. Emergency clause provided: "It is hereby found and determined by the General Assembly that the laws relating to the collection, redemption and sale of tax delinquent real property are in need of clarification; that Arkansas Courts have repeatedly voided tax deeds in instances where the county has not strictly complied with statutes; that such holdings have placed a cloud on tax deeds issued by the Commissioner of State Lands; that the

present method whereby the Commissioner of State Lands disposes of tax delinquent land meets due process requirements; consequently, when the Commissioner of State Lands complies with the statutes set forth for his office to follow, tax deeds issued should not be void or voidable due to defects in the county procedure, except in cases where taxes have actually been paid. Further, the present situation has a chilling effect on the collection of taxes and encourages the nonpayment of taxes. Therefore, an emergency is hereby declared to exist and this act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after its passage and approval."

Acts 2013, No. 556, § 2: Apr. 2, 2013. Emergency clause provided: "It is found and determined by the General Assembly of the State of Arkansas that tax-delinquent properties are in need of repairs to prevent deterioration, satisfy building code requirements, and combat blight; and that the failure to make prompt repairs leaves citizens, especially children, susceptible to disease and dangerous and harmful conditions. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on: (1) The date of its approval by the Governor; (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

(2)(A) The publication fee for the notice shall be adopted by rule of the Commissioner of State Lands.

(B)(i) However, the fee under this section shall not exceed the costs expended by the Commissioner of State Lands in producing, filing, or performing the deed.

(ii) As used in subdivision (a)(2)(B)(i) of this section, “costs” means the actual costs expended by the Commissioner of State Lands plus three percent (3%) of the actual costs expended by the Commissioner of State Lands.

(b) The notice shall:

(1) Contain the assessed value of the land;

(2) Contain the amount of taxes, interest, penalties, and other costs due on the land;

(3)(A) Contain the name of the owner, the legal description, and parcel number of the land.

(B) A part or abbreviated legal description shall be sufficient in the notice if the name of the owner and parcel number are listed;

(4) Contain a list of all interested parties; and

(5) Indicate that the land will be sold to the highest successful bidder if the bid is equal to at least the amount of delinquent taxes, penalties, interest, and the costs of the sale.

(c) The successful bidder shall pay all taxes, interest, penalties, and other costs.

(d)(1) Failure of the notice to contain the information required in subsection (b) of this section does not invalidate an auction sale of the land unless an owner or interested party did not receive notice in substantial compliance with § 26-37-301.

(2) Only an owner or interested party that fails to receive notice in substantial compliance with § 26-37-301 may challenge the validity of the publication notice.

CASE NOTES

ANALYSIS

Failure to Include Parcel Number.
Interested Parties.

Failure to Include Parcel Number.

As the failure to include the correct parcel number in the notice of sale, as required by subsection (b) of this section, rendered the tax sale of appellee's land to appellant's predecessor in title void, appellee was entitled as a matter of law to have the deed to appellant's predecessor set aside. *Pulaski Choice, L.L.C. v. 2735 Villa Creek, L.P.*, 2010 Ark. App. 451, 376 S.W.3d 500 (2010) (decided under former version of statute).

Interested Parties.

While this section does not define the term "interested parties" used in former

subsection (c), it defies logic to proceed on the assumption that potential heirs to lands that are part of an estate would not be parties who are interested in preserving the lands. *Sanders v. Ryles*, 318 Ark. 418, 885 S.W.2d 888 (1994) (decided under former version of statute).

There is no logical reason to include heirs in the definition of "interested persons" in § 28-1-102(a)(11), and then treat them differently for the purposes of the notice requirement in former subsection (c) of this section. *Sanders v. Ryles*, 318 Ark. 418, 885 S.W.2d 888 (1994) (decided under former version of statute).

26-37-202. Procedure to sell.

(a)(1) Bidders may bid at the sale or mail their bid to the office of the Commissioner of State Lands.

(2) Bids shall be delivered at the appropriate place before the deadline established in the notice of the sale.

(b)(1) If at the scheduled public sale a person or entity does not bid at least the amount of delinquent taxes, penalties, interest, and the costs of the sale, the Commissioner of State Lands may offer to sell tax-delinquent land at a post-auction private sale.

(2)(A) If tax-delinquent land is offered at a post-auction private sale within the first two (2) years following the public sale under subdivision (b)(1) of this section, the tax-delinquent land shall be offered for at least the amount of the delinquent taxes, penalties, interest, and the costs of the sale.

(B) If tax-delinquent land is offered two (2) years or more following the public sale under subdivision (b)(1) of this section, the sale of the tax-delinquent land may be negotiated at a price the Commissioner of State Lands determines to be in the best interest of the state and the local taxing units.

(3) The Commissioner of State Lands shall submit quarterly reports to the Legislative Council or, if the General Assembly is in session, the Joint Budget Committee, listing all tax-delinquent land sold at a post-auction private sale under this section.

(c)(1) Except as provided in subdivision (c)(2) of this section, the Commissioner of State Lands shall conduct tax-delinquent sales in the county where the land is located.

(2) If the Commissioner of State Lands determines that sufficient parcels of land located in one (1) county do not exist to justify a single

sale in one (1) county, the Commissioner of State Lands may hold a tax-delinquent land sale in one (1) location and sell land located in more than one (1) county if the counties are adjoining counties.

(d) The sales shall be conducted on the dates specified in the notices required by this subchapter.

(e)(1) After a sale of the land by the Commissioner of State Lands, including a post-auction private sale, the Commissioner of State Lands shall notify the owner and all interested parties of the right to redeem the land within ten (10) days, excluding Saturdays, Sundays, and legal holidays, after the date of the sale by paying all taxes, penalties, interest, and costs due, including the cost of the notice.

(2) The notice under subdivision (e)(1) of this section shall be sent by regular mail to the last known address of the owner and all interested parties.

(3) If the land is not redeemed, a limited warranty deed shall be issued by the Commissioner of State Lands to the purchaser.

(f) As used in this section, “interested party” has the same meaning as in § 26-37-301.

History. Acts 1983, No. 626, § 3; A.S.A. 1947, § 84-1128; Acts 1987, No. 814, § 5; 2007, No. 706, § 2; 2013, No. 1231, § 3; 2017, No. 1053, §§ 1, 2.

Amendments. The 2017 amendment substituted “offer to sell tax-delinquent

land at a post-auction private sale” for “negotiate a private sale” at the end of (b)(1); rewrote (b)(2); added (b)(3); and substituted “post-auction private” for “negotiated” in (e)(1).

CASE NOTES

In General.

Where tax notices sent to landowner contained the sale dates and the tracts offered for sale at public auctions on those dates, but no legally-sufficient bid was received on the public sale date and a negotiated sale necessarily took place on a

later date, the conveyance of each tract was in conformity with Arkansas law. Price v. Rylwell, LLC, 95 Ark. App. 228, 235 S.W.3d 908 (2006).

26-37-203. Conveyance to purchaser — Contest.

(a) If the tax-delinquent land is sold, the Commissioner of State Lands shall convey the tax-delinquent land by issuing a limited warranty deed to the land.

(b)(1) Except as provided in subdivision (b)(2) of this section, an action to contest the validity of a conveyance under this section or a negotiated sale under § 26-37-202 is barred if not commenced within ninety (90) days after the date of the conveyance.

(2) A cause of action by a person suffering a mental incapacity, a minor, or a person serving in the United States Armed Forces during time of war during the ninety-day period under subdivision (b)(1) of this section is barred if not commenced within two (2) years after the disability is removed, the minor reaches majority, or the person is released from active duty with the United States Armed Forces during time of war.

(c) A deed issued after January 1, 1987, by the Commissioner of State Lands is not void or voidable on the ground that the county did not strictly comply with the laws governing tax-delinquent land.

(d) This section does not prevent a taxpayer from contesting the validity of a deed issued by the Commissioner of State Lands on the ground that taxes have actually been paid.

CASE NOTES

Statute of Limitations.

Since 50 U.S.C. § 525 (now codified at 50 U.S.C. § 3936) tolled the statute of limitations for the time within which a husband and wife had to bring an action to set aside a default judgment that quieted title in favor of a purchaser who bought the husband and wife’s property at a tax sale, the trial court erred in denying a motion to set aside the default judgment where the action was filed within two years of husband’s retirement from the military, as required by this section. *Small v. Kulesa*, 90 Ark. App. 108, 204 S.W.3d 99, cert. denied, 546 U.S. 938, 126 S. Ct. 427, 163 L. Ed. 2d 325 (2005).

Incapacitated sisters could not tack their disability onto their brother’s disability for the purpose of extending the redemption period after the brother’s land was certified to the State Land Commis-

sioner for failure to pay taxes; rather, the sisters had the right to redeem the land within two years after the brother’s disability was removed by death. *Givens v. Haybar, Inc.*, 95 Ark. App. 164, 234 S.W.3d 896 (2006).

Debtor who claimed an equitable interest in the property based on an alleged oral rent-to purchase agreement with the owner could challenge the tax sale and transfer of property to the subsequent purchaser because the state did not file an action in Chancery Court under § 26-38-206, to bar any subsequent claims. Further, § 26-37-203 gave the debtor two years to contest the validity of the conveyance. In *re Paro*, 362 B.R. 419 (Bankr. E.D. Ark. 2007) (decided under former version of statute).

26-37-204. Sales set aside.

(a) In the event the sale is set aside by legal action or if the land is proven to be nonexistent or double assessed, the purchaser shall be entitled to reimbursement of moneys paid.

(b) The Commissioner of State Lands shall have the authority to set aside any sale. In the event the Commissioner of State Lands determines that a sale shall be set aside, the purchaser may be entitled to reimbursement of moneys paid to the Commissioner of State Lands.

(c) In cases where sales may be set aside by the Commissioner of State Lands or by legal action by the record owner or the heirs or assigns of the record owner, the record owner or the heirs or assigns of the record owner shall pay all back taxes, penalties, interest, and costs charged against the land.

(d) If the Commissioner of State Lands determines that the owner and all interested parties did not receive the required notice of sale and right to redeem, the Commissioner of State Lands shall:

(1) Set aside the sale; or

(2) Notify the owner and interested parties of the reasons why the Commissioner of State Lands does not believe the sale should be set aside.

(e) As used in this section, “interested party” means the same as in § 26-37-301.

(f) The Commissioner of State Lands shall not be liable for any monetary damages to any owner, interested party, or purchaser of tax-delinquent land for any action taken or any omission of action related to the sale of tax-delinquent land.

(g) An owner or interested party shall tender cash or certified funds, including without limitation a money order, cashier’s check, or certified bank check equal to the amount of all taxes, penalties, interest, and costs charged against the tax-delinquent land:

(1) Into the registry of the court before filing a complaint, counterclaim, cross-claim, third-party complaint, or any other pleading to set aside a sale of the tax-delinquent land; or

(2) With the Commissioner of State Lands upon request by the Commissioner of State Lands before asking the Commissioner of State Lands to set aside a sale of the tax-delinquent land.

Amendments. The 2015 amendment

inserted “counterclaim, cross-claim, third-party complaint, or any other pleading” in (g)(1); and inserted “upon request by the Commissioner of State Lands” in (g)(2).

ANALYSIS

Bona Fide Purchaser.
Reformation.
Reimbursement.

Bona Fide Purchaser.

Where a diligent inquiry would not have disclosed tax sale buyers' prior interest in certain real property, since their limited-warranty deed had been cancelled by the Commissioner of State Lands, a vendee of that property was a bona fide purchaser; therefore, the trial court erred in quieting title in the tax sale buyers, even assuming *arguendo* that the Commissioner had not been authorized under this section to issue the cancellation deed. *Bill's Printing, Inc. v. Carder*, 357 Ark. 242, 161 S.W.3d 803 (2004).

Party claiming bona fide purchaser status is not obliged to make inquiry into the circumstances surrounding the legal legitimacy of a cancellation deed or redemption deed issued by the Commissioner of State Lands. *Bill's Printing, Inc. v. Carder*, 357 Ark. 242, 161 S.W.3d 803 (2004).

Reformation.

Reformation does not apply where land has been forfeited to and sold by the state under an incomplete and defective description. *Undernehr v. Sandlin*, 35 Ark. App. 207, 816 S.W.2d 635 (1991).

Reimbursement.

Where tax sale was void, the buyer was entitled to an order for refund of the amount paid for the tax deed. *Undernehr v. Sandlin*, 35 Ark. App. 207, 816 S.W.2d 635 (1991).

26-37-205. Distribution of funds — Definition.

(a) All moneys collected by the Commissioner of State Lands from the sale or redemption of tax-delinquent lands shall be distributed as follows:

(1)(A) First, to the Commissioner of State Lands, the penalties, the collection fees, the sale costs, and the other costs as prescribed by law.

(B) The sale costs include without limitation fees for title work;

(2) Second, to each county an amount equal to the taxes due plus interest and costs to the county as certified by the county collector, which amount shall be held in an escrow fund administered by and remitted to the county within one (1) calendar year of the receipt of the moneys by the Commissioner of State Lands;

(3)(A) Third, to each county an amount equal to the delinquent personal property taxes, plus penalty, of the owner or owners of the tax-delinquent land as certified by the county collector, which amount shall be held in an escrow fund administered by and remitted to the county after one (1) calendar year of the receipt of the moneys by the Commissioner of State Lands.

(B) The Commissioner of State Lands shall review the information provided by the county collector and any other interested party to ascertain:

(i) Whether the personal property tax and penalty qualifies to be withheld from the tax-delinquent land sale proceeds; and

(ii) The amount of personal property tax and penalty that qualifies under this subdivision (a)(3) to be withheld.

(C) If the Commissioner of State Lands is required to make a refund of the personal property taxes withheld under subdivision (a)(3)(A) of this section to a purchaser of tax-delinquent lands for any

reason, the amount of the refund shall be recovered by the Commissioner of State Lands from the county or counties that originally received the proceeds under this subdivision (a)(3) of the tax-delinquent land sale.

(D) The Commissioner of State Lands shall promulgate rules and forms needed to administer this subdivision (a)(3).

(E) This section does not require the Commissioner of State Lands to search county records to determine whether an owner of tax-delinquent land owes delinquent personal property taxes.

(F) This section does not grant a county a right to a lien against real property for the payment of delinquent personal property tax;

(4)(A) Fourth, to the Department of Finance and Administration an amount equal to the delinquent tax, penalty, and interest owed to the department and for which certificates of indebtedness have been filed against the owner or owners of the tax-delinquent land as certified by the department, which amount shall be held in an escrow fund administered by and remitted to the department within one (1) calendar year after the receipt of the moneys by the Commissioner of State Lands.

(B) If the Commissioner of State Lands is required to make a refund of the taxes withheld under subdivision (a)(4)(A) of this section to a purchaser of tax-delinquent lands for any reason, the amount of the refund shall be recovered by the Commissioner of State Lands from the department from the proceeds originally received under this subdivision (a)(4).

(C) The Commissioner of State Lands shall promulgate rules and forms needed to administer this subdivision (a)(4);

(5)(A) Fifth, to each county an amount equal to the delinquent solid waste assessments, plus penalty and interest, of the owner or owners of the tax-delinquent land as certified by the county collector, which amount shall be held in an escrow fund administered by and remitted to the county after one (1) calendar year of the receipt of the moneys by the Commissioner of State Lands.

(B) The Commissioner of State Lands shall review the information provided by the county collector and any other interested party to ascertain:

(i) Whether the amount of delinquent solid waste assessment and penalty and interest qualifies to be withheld from the tax-delinquent land sale proceeds; and

(ii) The amount of delinquent solid waste assessment and penalty and interest that qualifies under this subdivision (a)(5) to be withheld.

(C) If the Commissioner of State Lands is required to make a refund of the delinquent solid waste assessment withheld under subdivision (a)(5)(A) of this section to a purchaser of tax-delinquent lands for any reason, the amount of the refund shall be recovered by the Commissioner of State Lands from the county or counties that originally received the proceeds under this subdivision (a)(5) of the tax-delinquent land sale.

(D) The Commissioner of State Lands shall promulgate rules and forms needed to administer this subdivision (a)(5).

(E) This section does not require the Commissioner of State Lands to search county records to determine whether an owner of tax-delinquent land owes delinquent solid waste assessments.

(F) This section does not grant a county a right to a lien against real property for the payment of delinquent solid waste assessment; and

(6) Sixth, to be placed in another escrow fund administered by the Commissioner of State Lands, the remainder, if any.

(b) If no actions are brought within the time limits prescribed under this subchapter, the remaining funds, if any, shall be distributed by the Commissioner of State Lands as follows:

(1)(A) Ten percent (10%) of the remaining funds up to a maximum amount of five hundred dollars (\$500) shall be paid to the Commissioner of State Lands for the administration of the distribution of the funds.

(B) However, the amount paid to the Commissioner of State Lands under this subdivision (b)(1) shall not be a sum less than the amount necessary to pay filing fees required to record any deeds;

(2)(A) After payment is made to the Commissioner of State Lands pursuant to subdivision (b)(1) of this section, the amount left in the remaining funds shall be paid to the former owners of the tax-delinquent land.

(B)(i) "Former owner" means a person, partnership, corporation, or other legal entity capable of owning real property in the State of Arkansas and that holds record title to the real property on the date of sale by the Commissioner of State Lands.

(ii) "Former owner" does not include heirs or relations beyond the first degree of consanguinity.

(C)(i) A former owner must file an application with the Commissioner of State Lands requesting the release of the funds.

(ii) The application shall be provided by the Commissioner of State Lands and shall require proof of ownership of the tax-delinquent land as well as proof of authority to act on behalf of the owner.

(iii) The application may require other information the Commissioner of State Lands deems necessary before the release of the funds.

(D)(i) The former owner shall release and relinquish all rights, title, and interests in and to the tax-delinquent land.

(ii) The Commissioner of State Lands shall provide a release deed to the former owner to execute.

(E) In the event of any dispute, claim, multiple claims of ownership, controversy regarding the release of the funds, or claim not expressly permitted under this section, the Commissioner of State Lands may require the party or parties to provide a court order to resolve the issues and to establish the party or parties entitled to the remaining funds.

(F) An agreement by a former owner, the primary purpose of which is to locate, deliver, recover, or assist in the recovery of remaining funds, is enforceable only if the agreement:

- (i) Is in writing;
- (ii) Clearly sets forth the nature of the property and the services to be rendered;
- (iii) Provides a fee of not more than ten percent (10%) of the recovery;
- (iv) Is signed by the former owner; and
- (v) States the value of the remaining funds before and after the fee or other compensation has been deducted.

(G)(i) An agreement covered by subdivision (b)(2)(F) of this section that provides for compensation that is unconscionable is unenforceable except by the former owner.

(ii) A former owner who has agreed to pay compensation that is unconscionable may maintain an action to reduce the compensation to a conscionable amount.

(iii) The court may award reasonable attorney's fees to a former owner that prevails in the action.

(H) Subdivision (b)(2)(G) of this section does not preclude a former owner from asserting that an agreement covered by subdivision (b)(2)(F) of this section is invalid on grounds other than unconscionable compensation.

(I)(i) The Commissioner of State Lands shall make all funds payable to the former owner.

(ii) No funds shall be made payable to any other person or entity other than the former owner without a court order directing the payment to the other person or entity.

(iii) No interest shall be paid to the former owner on the funds.

(J)(i) Anyone filing a claim or assisting with the filing of a claim that results in the erroneous payment of a claim is responsible for the repayment of all funds paid.

(ii) Any claim filed fraudulently is punishable as a Class D felony; and

(3)(A) Any funds placed in escrow prior to July 1, 2005, shall be held in escrow for five (5) years and at the end of the five-year period, if the funds have not been distributed, the escrow funds shall escheat by operation of law to the county in which the property is located.

(B) Any funds placed in escrow on and after July 1, 2005, but before July 1, 2018, shall be held for three (3) years, and at the end of the three-year period, if the funds have not been distributed, the escrow funds shall escheat by operation of law to the county in which the property is located.

(C) Any funds placed in escrow on and after July 1, 2018, shall be held for two (2) years, and at the end of the two-year period, if the funds have not been distributed, the escrow funds shall escheat by operation of law to the county in which the property is located.

(c) All funds distributed to each county by the Commissioner of State Lands from the redemption or sale of tax-delinquent lands, including

any interest and costs, are to be distributed to the applicable taxing units where the delinquent land is located within the county in the manner and proportion that the taxes would have been distributed if they had been collected in the year due.

(d) All funds received by a county from the redemption of tax-delinquent land at the county level, including any penalty, interest, and costs, are to be distributed to the applicable taxing units where the delinquent land is located within the county in the manner and proportion that the taxes would have been distributed if they had been collected in the year due.

(e) This section shall be severable, and if any phrase, clause, sentence, or provision of this section is declared to be contrary to the laws of this state, the validity of the remainder of this section shall not be affected.

In General.

Where owner attempts to pay his taxes and oversight or mistake of collector prevents him from doing so, sale of land for taxes is void. *Brown v. Bridges*, 227 Ark. 1006, 304 S.W.2d 939 (1957).

Confirmation of Title.

Although forfeiture of lands on which taxes had been paid was void, confirmation of title obtained under tax sale barred all controversy as to title. *Loneragan v. Baber*, 59 Ark. 15, 26 S.W. 13 (1894).

Where land upon which taxes had been paid was erroneously sold for taxes, owner who sold land before confirmation of tax title could show the invalidity of the tax sale as a defense to suit on his warranty of

title, although confirmation barred all controversy as to title. *Loneragan v. Baber*, 59 Ark. 15, 26 S.W. 13 (1894).

Reformation.

Reformation does not apply where land has been forfeited to and sold by the state under an incomplete and defective description making it void. *Undernehr v. Sandlin*, 35 Ark. App. 207, 816 S.W.2d 635 (1991).

Refund.

Where tax sale was void, the buyer was entitled to an order for refund of the amount paid for the tax deed. *Undernehr v. Sandlin*, 35 Ark. App. 207, 816 S.W.2d 635 (1991).

Transfer of Title.

Plaintiff acquired no title by tax sale which was void. *Undernehr v. Sandlin*, 35 Ark. App. 207, 816 S.W.2d 635 (1991).

26-37-207. Invalid donation by state.

If the title of any person holding lands by virtue of a donation deed from the state shall, for any cause, be determined to be invalid in any action brought by or against him or her at law or in equity, then such donor, his or her heirs, successors, and assigns, shall be entitled, in addition to all other available remedies, to a lien upon the lands for the amount of the taxes, penalty, and costs for which the lands were originally forfeited and sold, plus all taxes on the lands which have subsequently been paid by the purchaser, his or her heirs, successors, and assigns, together with all taxes and improvement district assessments which may have been paid on the lands following the donation, with interest on the amount paid for the lands and on the taxes and assessments from the respective dates of payment until repaid at the rate of six percent (6%) per annum. The court rendering judgment or decree against the validity of the donation shall declare and enforce the lien.

Applicability.

Quieting Title.

Applicability.

Where title to property was acquired by improvement district in 1938 under foreclosure proceedings for delinquent benefits assessments and while title was in the district property was sold to state for nonpayment of 1939 general taxes, deed from state in 1943 (title still being in district) was void, and this section had no applicability. *Baiers v. Cammack*, 207 Ark. 827, 182 S.W.2d 938 (1944).

Costs.

Where owner made valid tender of taxes due to holder of tax title, trial court did not err in assessing costs against holder of tax title where it determined tax title was

void. *Schuman v. Mosley*, 220 Ark. 426, 248 S.W.2d 103 (1952).

Quieting Title.

Although tax sale is invalid, owners cannot obtain decree quieting title without paying taxes for intervening years. *Buschow Lumber Co. v. Witt*, 212 Ark. 995, 209 S.W.2d 464 (1948).

Mortgagees who purchased mortgaged premises at a tax sale during the pendency of a foreclosure of the mortgage were merely paying taxes they were obligated to pay and were not entitled to reimbursement for the money expended by them in so purchasing the premises on the quieting of title in the mortgagee. *Booth v. Peoples Loan & Inv. Co.*, 248 Ark. 1213, 455 S.W.2d 868 (1970).

26-37-208. Wrong name in tax book.

No sale of any land or lot for delinquent taxes shall be considered invalid on account of its having been charged on the tax book in any other name than that of the rightful owner if the land or lot is, in other respects, sufficiently described on the tax books and the taxes for which the land or lot is sold are due and unpaid at the time of the sale.

ANALYSIS

In General.

Purchasers — Claimants.

Value of Improvements.

In General.

An action to redeem lands is not subject to dismissal for failure to file affidavit of tender of taxes and value of improvements, but the recovery of such taxes and improvements is required before a writ of possession will issue. *Reynolds v. Plants*, 196 Ark. 116, 116 S.W.2d 350 (1938); *Farrell v. Sanders*, 204 Ark. 1068, 166 S.W.2d 889 (1942).

Nonpossessory suit in equity to cancel alleged void tax sale could not be converted into action in ejectment so as to deprive defendant of all rights to have compensation for his improvements. *Patterson v. McKay*, 202 Ark. 241, 150 S.W.2d 196 (1941).

Where land was redeemed under Acts 1934 (2nd Ex. Sess.), No. 2, it was proper for court to offset value of improvements with rents and profits. *Rodgers v. Massey*, 204 Ark. 225, 161 S.W.2d 378 (1942).

Applicability.

Provisions in Act of January 10, 1857, authorizing allowance for improvements had no applicability to lands sold by a

county clerk before forfeiture to state. *Hershy v. Thompson*, 50 Ark. 484, 8 S.W. 689 (1887); *Alexander v. Capps*, 100 Ark. 488, 140 S.W. 722 (1911) (preceding decisions under prior law).

This section has no applicability to one who has redeemed forfeited land from the state. *Dedmon v. Hawkins*, 211 Ark. 840, 203 S.W.2d 183 (1947).

Date of Sale.

Where improvements are made before purchase from state, purchaser will not be compensated. *Anderson v. Williams*, 59 Ark. 144, 26 S.W. 818 (1894).

Provision that purchaser at tax sale is not entitled to compensation for improvements made within two years of "sale" means the original sale (whether to state or individual), so that purchaser of land from state can be entitled to a lien for improvements although made less than two years after date of his deed, as this section runs from the time the state originally acquired the land. *Gulley v. Blake*, 214 Ark. 578, 217 S.W.2d 257 (1949).

Provision in this section prohibiting compensation to purchaser for improvements made on land acquired by tax title if made within two years from date of sale refers to date of sale to state, and not date of tax deed from state. *Topham v. Hodges*, 215 Ark. 407, 221 S.W.2d 27 (1949).

Where vacant lots were forfeited to state in 1933 for nonpayment of 1932

taxes, and state deeded lots to plaintiff in 1940, and state by mistake transferred same lots to defendants in 1946, who made improvements thereon, and plaintiff filed an action to cancel deeds to the defendant, defendants were entitled to recover cash value of improvements from plaintiff, as improvements were made over two years after sale to state in 1933. *Topham v. Hodges*, 215 Ark. 407, 221 S.W.2d 27 (1949).

Tax purchaser who makes improvements on property held under defective tax title is not entitled to recover for the improvements in absence of proof that they were made more than two years after date of tax sale. *Teer v. Plant*, 238 Ark. 92, 378 S.W.2d 663 (1964).

Purchasers — Claimants.

Tax purchaser has right to make and recover for improvements without exacting showing of belief in the integrity of his title as required by § 18-60-213. *Bender v. Bean*, 52 Ark. 132, 12 S.W. 180, modified, 52 Ark. 146, 12 S.W. 241 (1889); *Beloate v. State ex rel. Att'y Gen.*, 187 Ark. 17, 58 S.W.2d 423 (1933); *Wilkins v. Maggard*, 190 Ark. 532, 79 S.W.2d 1003 (1935).

If claimant asserts right to redeem, he must pay proper amount for improvements when ascertained; however, a court should not order land sold in aid of effort to redeem. *Waterman v. Irby*, 76 Ark. 551, 89 S.W. 844 (1905).

Occupying tax title purchaser may recover value of all improvements made by him, irrespective of his belief in the integrity of his tax title and regardless of color of title as reflected by his deed or other muniments of title. *Wilkins v. Maggard*, 190 Ark. 532, 79 S.W.2d 1003 (1935).

Assignee of a donation certificate is a trespasser and has no rights under this section. *Young v. Pumphrey*, 191 Ark. 98, 83 S.W.2d 84 (1935).

In redeeming lands under Acts 1934 (2nd Ex. Sess.), No. 2, § 3, a donee had right to bring action for improvements while still in possession. *Ragan v. Henson*, 192 Ark. 679, 94 S.W.2d 117 (1936).

Person in possession of land who made improvements under donation certificate had a right, upon redemption of the property, to recover lien declared for value of improvements made, regardless of whether land was homestead of the one redeeming it. *Page v. Francis*, 196 Ark. 822, 120 S.W.2d 161 (1938).

Agent of original owner of land was not entitled to recover for improvements where he permitted land to be sold for taxes and secured tax deed in his name. *Harris v. Gilmore*, 197 Ark. 641, 124 S.W.2d 810 (1939).

Where nephew of life tenant (being one of the heirs) obtained tax deed from state, it amounted to a redemption from tax sale, and he was not entitled to be paid for improvements. *Smith v. Davis*, 200 Ark. 547, 140 S.W.2d 126 (1940).

Where holder of donation certificate forfeited his rights, he could not recover for improvements from subsequent purchaser from state. *Ware v. Dazey*, 201 Ark. 116, 144 S.W.2d 463 (1940).

Purchaser from state under deed void because title to property was at the time in improvement district was not entitled to recover from subsequent purchaser from the district for improvements made while title was in the district. *Baiers v. Cammack*, 207 Ark. 827, 182 S.W.2d 938 (1944).

Provisions allowing cash value for improvements made on land acquired by tax deed does not require that purchaser making improvements be an innocent purchaser; so fact that another and prior purchaser recorded his deed does not prevent second purchaser from recovering cash value of improvements. *Topham v. Hodges*, 215 Ark. 407, 221 S.W.2d 27 (1949).

Where husband redeemed property from taxes for benefit of his wife, the life tenant, he was not entitled to claim title as against the remaindermen on the ground of improvements, since improvements were not made by the purchaser of a tax title. *Ingram v. Seaman*, 223 Ark. 414, 267 S.W.2d 6 (1954).

Deed conveying only life estate is not sufficient "color of title" to bring grantee under the benefits of this section. *Perry v. Rye*, 223 Ark. 594, 267 S.W.2d 507 (1954).

Value of Improvements.

Provision that improvements shall be a "charge" upon the land means that they shall be a "lien" upon the land. *Page v. Francis*, 196 Ark. 822, 120 S.W.2d 161 (1938).

Evidence justified award for improvements made under defective tax title. *Topham v. Hodges*, 215 Ark. 407, 221 S.W.2d 27 (1949).

Purchaser held not entitled to recover their value to property. *Teer v. Plant*, 238 Ark. 92, 378 S.W.2d 663 (1964).

26-37-210. Sale of timber, oil, gas, or mineral rights.

(a) If a timber right, an oil right, a gas right, or a mineral right is owned or assessed separate from the fee in the land and the taxes due on the right are not paid, the timber right, oil right, gas right, or mineral right is subject to the tax laws governing forfeiture and sale of tax-delinquent land.

(b) Any timber right, oil right, gas right, or mineral right forfeited and certified to the Commissioner of State Lands is subject to disposition as provided in this chapter.

26-37-212. Dedication of land as public park.

(a) If an owner of land dedicates the land to the city where the land is located for park purposes by a filed and recorded plat and bill of assurance, the city approves the dedication, and there are any delinquent general taxes of the state or a political subdivision of the state against the land, upon a showing that title to the land is dedicated to the city as a public park and the city has approved the dedication, the Commissioner of State Lands and the proper county officials of the county where the land lies shall cancel any delinquent general taxes.

Acts 1943, No. 282, § 3: Mar. 23, 1943. Emergency clause provided: "It being desirable that forfeited lands be as speedily restored to taxation as is practicable and fair, in order that the revenues of the several towns, cities, counties and the State may be increased and immediate relief given those thereto entitled, an emergency is found and is hereby declared to exist, and this Act being necessary for

Emergency clause provided: "It is hereby found and determined by the General Assembly that the laws relating to the collection, redemption and sale of tax delinquent real property are in need of clarification; that Arkansas Courts have repeatedly voided tax deeds in instances where the county has not strictly complied with statutes; that such holdings have placed a cloud on tax deeds issued by the Commissioner of State Lands; that the present method whereby the Commissioner of State Lands disposes of tax delinquent land meets due process requirements; consequently, when the Commissioner of State Lands complies with the statutes set forth for his office to follow, tax deeds issued should not be void or voidable due to defects in the county procedure, except in cases where taxes have actually been paid. Further, the present situation has a chilling effect on the collection of taxes and encourages the nonpayment of taxes. Therefore, an emergency is hereby declared to exist and this act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after its passage and approval."

Therefore, an emergency is hereby declared to exist and this act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after its passage and approval."

Acts 1995, No. 714, § 7: Mar. 21, 1995. Emergency clause provided: "It is hereby found and determined by the General Assembly of the State of Arkansas that the laws relating to the forfeiture, sale and

CASE NOTES

ANALYSIS

In General.
 Construction.
 Right to Redeem.
 Time to Redeem.
 Unit Tax Ledger System.

In General.

There can be no such thing as an innocent purchaser at a tax sale. *Bradbury v. Johnson*, 104 Ark. 108, 147 S.W. 865 (1912); *Schuman v. Westbrook*, 207 Ark. 495, 181 S.W.2d 470 (1944).

Where land included in tract forfeited for taxes had been assessed and taxes paid thereon for years thereafter, it was presumed that there was a redemption from the forfeiture. *Koonce v. Woods*, 211 Ark. 440, 201 S.W.2d 748 (1947).

Construction.

Redemption laws must be liberally construed. *Little v. McGuire*, 113 Ark. 497, 168 S.W. 1084 (1914).

Right to Redeem.

Attachment levied upon land that has been struck off to the state for nonpayment of taxes only binds such interest as the owner had at the time, which is a right of redemption within two years. *Merrick & Fenno v. Hutt*, 15 Ark. 331 (1854) (decision under prior law).

Burden of proof rests upon person seeking to redeem to sustain his title. *Waterman v. Irby*, 76 Ark. 551, 89 S.W. 844 (1905).

Right to redeem from tax sale is conferred by statute and does not exist independently of it; therefore, statutory requirements must be substantially complied with by one who seeks to redeem. *Cook v. Jones*, 80 Ark. 43, 96 S.W. 620 (1906); *Nelson v. Pierce*, 119 Ark. 291, 177 S.W. 899 (1915).

Right to redeem from a tax sale is governed by statute in force and effect at time the sale was made. *Hoggs v. Nichols*, 134 Ark. 280, 204 S.W. 211 (1918).

Statutory right to redeem is self-executing and requires no judicial proceeding to make it effective. *George v. Hefley*, 182 Ark. 678, 32 S.W.2d 445 (1930).

Redemption right is available in all cases, not only where the sale was defective, but where it was perfectly regular and valid. *George v. Hefley*, 182 Ark. 678, 32 S.W.2d 445 (1930).

Right of redemption is not enlarged nor diminished by the fact that state has sold and conveyed the interest acquired by it at tax sale. *Harris v. Harris*, 195 Ark. 184, 112 S.W.2d 40 (1938).

Redemption provisions require a cotenant who wishes any portion of a tract to redeem the entire tract where the taxes thereon have been assessed in solido. *Harris v. Harris*, 195 Ark. 184, 112 S.W.2d 40 (1938).

Right to redeem runs with the land, and any person who would otherwise acquire title takes with notice. *Koonce v. Woods*, 211 Ark. 440, 201 S.W.2d 748 (1947); *Rinke v. Schuman*, 246 Ark. 976, 440 S.W.2d 765 (1969).

Time to Redeem.

Where certificate of tax sale was assigned, tender of redemption money to assignee was good; but after expiration of the time prescribed by statute for redeeming, no waiver or anything short of an acceptance of the redemption money would make it good. *Thweatt v. Black*, 30 Ark. 732 (1875) (decision under prior law).

Last day given for redemption of land sold for taxes is the second anniversary of the sale, with the sale day excluded from the computation. *Hare v. Carnall*, 39 Ark. 196 (1882).

Action to redeem property sold to the state for nonpayment of taxes is a proceeding to enforce a legal right, and the doctrine of laches, being a defense in equity, has no applicability. *Rinke v. Schuman*, 246 Ark. 976, 440 S.W.2d 765 (1969).

Unit Tax Ledger System.

In counties operating under the unit tax ledger system, the collector is substituted for the county clerk for purposes of redemption from delinquent tax sales. *Vanderbilt v. Washington*, 249 Ark. 1070, 463 S.W.2d 670 (1971).

26-37-301. Notice to owner — Definitions.

(a)(1) After receiving tax-delinquent land, the Commissioner of State Lands shall notify the owner, at the owner's last known address as certified by the county, by certified mail, of the owner's right to redeem by paying all taxes, penalties, interest, and costs, including the cost of the notice.

(2) All interested parties, as identified by the Commissioner of State Lands, shall be sent notice of the sale from the Commissioner of State Lands by certified mail.

(3) If the notice by certified mail is returned unclaimed or refused, the Commissioner of State Lands shall mail the notice to the owner or interested party by regular mail.

(4) If the notice by certified mail is returned undelivered for any other reason, the Commissioner of State Lands shall send a second notice to the owner or interested party at any additional address reasonably identifiable through the examination of the real property records properly filed and recorded in the office of the county recorder where the tax-delinquent land is located as follows:

(A) The address shown on the deed to the owner;

(B) The address shown on the deed, mortgage, assignment, or other filed and recorded document to the interested party; or

(C) Any other corrected or forwarding address on file with the county collector or county assessor.

(3)(A) Provide the sale date.

(B) The sale date shall be no earlier than one (1) year after the tax-delinquent land is certified to the Commissioner of State Lands.

(c) As used in this section, "owner" and "interested party" mean any person, firm, corporation, or partnership holding title to or an interest

in the tax-delinquent land by virtue of a bona fide recorded instrument at the time of certification to the Commissioner of State Lands.

(d) The Commissioner of State Lands shall not be required to notify by certified mail or by any other means a person, firm, corporation, or partnership whose title to or interest in the tax-delinquent land is:

(1) Obtained after certification to the Commissioner of State Lands; or

(2) Expired or barred or was released or otherwise terminated before the date of sale regardless of whether a bona fide recorded instrument reflects the termination of the title or interest.

(e)(1) If the Commissioner of State Lands fails to receive proof that the notice sent by certified mail under this section was received by the owner of a homestead that is tax-delinquent land, then the Commissioner of State Lands or his or her designee shall provide actual notice to the owner of a homestead by personal service of process at least sixty (60) days before the date of sale.

(2) As used in this subsection:

(A) "Homestead" means a parcel of tax-delinquent land certified to the Commissioner of State Lands that is identified by the county assessor as a homestead eligible for a homestead credit under § 26-26-1118; and

(B) "Owner of a homestead" means:

(i) Every owner if the homestead is owned by joint tenants; and

(ii) Either the husband or the wife if the homestead is owned by tenants by the entirety.

(3) The owner of a homestead that is tax-delinquent land shall pay for the additional cost of the notice by personal service of process under this subsection.

(f) The validity of a notice under this section may be challenged only by an owner or interested party of tax-delinquent land that did not receive notice in substantial compliance with this section.

History. Acts 1983, No. 626, § 1; A.S.A. 1947, § 84-1126; Acts 1987, No. 814, § 5; 1993, No. 791, § 5; 1995, No. 714, § 3; 2003, No. 1376, § 2; 2005, No. 1231, § 6; 2007, No. 706, § 4; 2007, No. 827, § 213; 2007, No. 1036, § 5; 2009, No. 655, § 5; 2011, No. 863, § 1; 2015, No. 1225, § 1; 2017, No. 1053, § 6; 2019, No. 762, § 1.

Amendments. The 2015 amendment rewrote (e)(2)(A).

The 2017 amendment inserted "or refused" in (a)(3).

The 2019 amendment, in (a)(2), inserted "as identified by the Commissioner of State Lands", and substituted "be sent" for "receive" and "by certified mail" for "in the same manner".

This section fulfills constitutional due process requirements and provides sufficient notice to nonresident landowners prior to their property being sold. *Tsann Kuen Enters. Co. v. Campbell*, 355 Ark. 110, 129 S.W.3d 822 (2003).

Applicability.

Actual personal service of notice under subdivision (e)(1) of this section was not required in a tax sale case in which there was no evidence that the property involved was a "homestead," as defined in § 26-26-1122, and where a signed receipt, indicating that the notice was received, was returned to the commissioner. *Metro Empire Land Ass'n v. Arlands*, 2012 Ark. App. 350, 415 S.W.3d 594 (2012).

Compliance.

Trial court properly found that the Commissioner of State Lands strictly complied with this section where the commissioner sent notice by certified mail to the taxpayers concerning the impending sale of their property for delinquent taxes; the statute does not require the Commissioner of State Lands to take every step possible to see that the letter arrives in the property owner's hands. *Jones v. Double "D" Props.*, 352 Ark. 39, 98 S.W.3d 405 (2003).

Commissioner of State Lands provided adequate notice to a prior owner of a tax deficiency and tax sale where there was some confusion at the county level as to the last known address, the commissioner mailed the notice to the address certified by the county, and the former owner had

not furnished its correct address as required by § 26-35-705. *Mays v. St. Pat Props., LLC*, 357 Ark. 482, 182 S.W.3d 84, cert. denied, 543 U.S. 943, 125 S. Ct. 353, 160 L. Ed. 2d 255 (2004).

Commissioner of State Lands strictly complies with this section when, prior to a tax sale, it sends notice by certified mail to the last known address of the property owner; moreover, this section does not require the commissioner to take every step possible to ensure that the notice arrives in the property owner's hand. *Jones v. Flowers*, 359 Ark. 443, 198 S.W.3d 520 (2004), rev'd, 547 U.S. 220, 126 S. Ct. 1708, 164 L. Ed. 2d 415 (2006).

Where state had attempted to provide the property owners and delinquent tax payers with notice, both via certified mail and through publication in the newspaper, it had complied with the provisions of this section and the tax sale was valid. *Jones v. Flowers*, 359 Ark. 443, 198 S.W.3d 520 (2004), rev'd, 547 U.S. 220, 126 S. Ct. 1708, 164 L. Ed. 2d 415 (2006).

Where tax notices sent to landowner contained the sale dates and the tracts offered for sale at public auctions on those dates, the requirements of this section were satisfied. *Price v. Rylwell, LLC*, 95 Ark. App. 228, 235 S.W.3d 908 (2006).

Although debtor did not receive notice of a purchase of property that was sold pursuant to a tax sale because the debtor was not on record as having an interest in the property, the debtor had established that she nevertheless had an equitable interest in the property because she was in possession of it, she claimed to have an oral rent-to-purchase agreement with the owner, and she had made improvements on the property. The debtor was thus entitled to challenge the transfer through a tax sale made to the purchaser. In re *Paro*, 362 B.R. 419 (Bankr. E.D. Ark. 2007).

Taxpayer's action to set aside a limited warranty deed and to quiet title in the

taxpayer's name was properly dismissed because the Commissioner of State Lands strictly complied with the notice requirements in subdivision (a)(1) and subsection (b) of this section, and the notice of a tax sale of the taxpayer's real property provided by the Commissioner met federal due process constraints. *Morris v. Landnpulaski, LLC*, 2009 Ark. App. 356, 309 S.W.3d 212 (2009).

Lack of Compliance.

Buyer's tax deed was properly voided because the Commissioner of State Lands failed to notify the bank as an interested party since it held a recorded interest in the property at the time of certification, and the right to challenge the tax sale based on the failure to give notice to the bank passed to the mortgagor when it acquired an interest in the property through the foreclosure sale. *RWR Props. v. Mid-State Trust VIII*, 102 Ark. App. 115, 282 S.W.3d 297 (2008).

Last Known Address.

Where the Commissioner of State Lands first sent certified notice to the wrong address, but then sent another certified notice to the correct address, the second notice satisfied the statutory notice requirement. *Wilson v. Daniels*, 64 Ark. App. 181, 980 S.W.2d 274 (1998).

Notice.

Negotiated tax sale to the purchasers was not void for lack of notice to the mortgage holder where it had received actual notice of the negotiated sale, but had taken no action, and the lack of notice of a public tax sale did not deprive it of due process because a public sale had not taken place and as a result, no property interest was lost and no objections to such a sale were necessary. *Citifinancial Mortg. Co. v. Matthews*, 372 Ark. 167, 271 S.W.3d 501 (2008).

Trial court erred in awarding summary judgment to a lender in its foreclosure action against a buyer of property at a tax sale because there was no requirement under subdivision (a)(1) of this section that the lender receive actual notice of the tax sale; there was a question as to whether the Commissioner of State Lands was required to take any additional steps to provide the lender with notice. *Jarsew, LLC v. Green Tree Servicing, LLC*, 2009 Ark. App. 324, 308 S.W.3d 161 (2009).

Summary judgment was appropriate because there was no dispute that notice to the landowner of the pending tax sale was a single unclaimed letter sent by certified mail; some additional step reasonably calculated to give the landowner notice was required, and a mailing to the other landowners did not satisfy the requirements of due process. *RWR Props. v. Young*, 2009 Ark. App. 332, 308 S.W.3d 183 (2009).

Plain language of the statute only requires notice to a property owner "by certified mail." The statute does not require actual notice to the property owner. *Morris v. Landnpulaski, LLC*, 2009 Ark. App. 356, 309 S.W.3d 212 (2009).

Trial court erred in dismissing a purchaser's petition to quiet title to property it bought at a tax sale because the notice of the tax sale the Commissioner of State Lands provided to the owners of the property complied with this section and with the Due Process Clause of the Fourteenth Amendment since the Commissioner sent the notice by certified mail, return receipt requested, and because the receipt was signed and returned, the Commissioner was not aware that the notice had failed; the address was correct, the return receipt was returned to the Commissioner with a signature, and no additional steps were required to satisfy due process. *Esterosto, LLC v. Kinsey*, 2010 Ark. App. 429, 374 S.W.3d 907 (2010).

Due Process Clause of the Fourteenth Amendment does not require the Commissioner of State Lands to investigate every signature to insure it is in fact the signature of the property owner because actual notice is not required and the failure of notice in a specific case does not establish the inadequacy of the attempted notice; as long as the Commissioner performed as required by the statute and the statutorily prescribed notice complied with due process, that is, the notice was reasonably calculated to reach the intended recipient, it has done enough. *Esterosto, LLC v. Kinsey*, 2010 Ark. App. 429, 374 S.W.3d 907 (2010).

After the initial notice to the owner of mineral rights of a tax deficiency sale and redemption rights was returned due to an incorrect address, the Commissioner of State Lands follow up, with only one reasonable additional step to try to provide notice, was not sufficient to meet due

process requirements even though it complied with state law. *Linn Farms & Timber Ltd. P'ship v. Union Pac. R.R.*, 661 F.3d 354 (8th Cir. 2011) (decided under prior version of statute).

Actual personal service of notice of the right to redeem property sold at a tax sale under subdivision (a)(1) of this section was not required. The Commissioner of State Lands sent notices by certified mail to the owner and its representative at their business address; these notices were returned, but the commissioner then sent notice to the current residents of the property, and a receipt for this notice was received, albeit with an illegible signature. *Metro Empire Land Ass'n v. Arlands*, 2012 Ark. App. 350, 415 S.W.3d 594 (2012).

Commissioner of State Lands' reliance on the notice scheme in this section was unavailing as that scheme did not insulate the State from the Due Process Clause's requirements, the Commissioner had actual written notice of the purchaser's interest in the parcel, and thus, the State was required to take additional reasonable steps to verify whether the purchaser had an interest in the parcel before depriving it of its ownership. *Rylwell, LLC v. Men Holdings 2, LLC*, 2014 Ark. 522, 452 S.W.3d 96 (2014).

In General.

Under §§ 18-60-212 and 18-61-106, which provide that to recover land from a tax purchaser under a donation deed it must appear that the plaintiff was seized within two years next before the commencement of the suit, no exception can be made by a court in favor of infants or other persons under disability. *Sims v. Camby*, 53 Ark. 418, 14 S.W. 623 (1890).

Under the Overdue Tax Act of March 12, 1881 (Acts 1881, No. 39), allowing two years for redemption, no exception was made in favor of infants or other persons under disability. *Junction v. Burke*, 53 Ark. 430, 14 S.W. 622 (1890) (decision under prior law).

Married women were limited to two years in which to redeem. *Sibly v. Cason*, 86 Ark. 32, 109 S.W. 1007 (1908) (decision prior to enactment of § 9-11-502).

Right of persons under disability to redeem is not a mere personal privilege to be enjoyed solely by those laboring under the disabilities mentioned in this section, which ceases with the death of such persons, but is a right which inheres in the land itself. *Pulaski County v. Hill*, 97 Ark. 450, 134 S.W. 973 (1911).

Persons under disabilities may redeem land from a tax sale, and in doing so, these persons not only redeem the land for themselves, but for all interested cotenants, although the individual redeeming would not acquire full title to the land. *Mitchell v. Chester*, 208 Ark. 781, 187 S.W.2d 899 (1945); *Williams v. Jones*, 239 Ark. 1032, 396 S.W.2d 286 (1965).

As to effect of this section on requirement in security instruments that debtor pay all taxes when due, see *Mahan v. Poling*, 2 Ark. App. 1, 616 S.W.2d 20 (1981).

Construction.

This section must be read in connection with other statutes prescribing conditions under which the right to redeem may be exercised. *Harris v. Harris*, 195 Ark. 184, 112 S.W.2d 40 (1938).

Mental Incapacity.

Insane person whose interest in land is that of a cestui que trust has no legal title to land, and any redemption right is lost when the redemption right of the trustee expires. *Little v. McGuire*, 113 Ark. 497, 168 S.W. 1084 (1914).

Insane person has two years after the removal of his disability to exercise his right of redemption and his heirs had the right to redeem within two years after his disability was removed by death, but they could not attach the disability of minority to that of their father and thereby extend the statute. *Tarrence v. Berg*, 202 Ark. 452, 150 S.W.2d 753 (1941).

Rights of insane person to redeem land held saved by § 16-56-116. *Schuman v. Westbrook*, 207 Ark. 495, 181 S.W.2d 470 (1944).

In suit for redemption by insane person, court has authority to determine mental status irrespective of any previous adjudication of another court. *Schuman v. Westbrook*, 207 Ark. 495, 181 S.W.2d 470 (1944).

Right of insane person to redeem his property from a tax sale is not lost by lapse of statutory time for redemption. *Schuman v. Westbrook*, 207 Ark. 495, 181 S.W.2d 470 (1944).

Right of redemption in persons removed from disability of insanity is an absolute right and a statutory privilege, and it is not barred by limitations or adverse possession, nor is laches applicable. *Rinke v. Schuman*, 246 Ark. 976, 440 S.W.2d 765 (1969).

Statutory period within which a person removed from mental disability may redeem land sold to the state for nonpayment of taxes does not begin to run when a guardian is appointed for that person, as the right is a personal one in favor of the

former incompetent. *Rinke v. Schuman*, 246 Ark. 976, 440 S.W.2d 765 (1969).

Right of redemption given to persons removed from disability of insanity is not an interest or estate in land, but is a statutory privilege to defeat a tax title within the time limited and is not enlarged or diminished by the fact that the state may have sold and conveyed the interest acquired by it at a tax sale. *Rinke v. Schuman*, 246 Ark. 976, 440 S.W.2d 765 (1969).

Right of persons removed from disability of insanity to redeem lands sold for taxes is available in all cases, not only where tax sale from which redemption is sought is defective, but from sales which are perfectly regular and valid. *Rinke v. Schuman*, 246 Ark. 976, 440 S.W.2d 765 (1969).

Heirs of incompetent have right to redeem land within statutory period, which begins to run after death of incompetent has removed disability of insanity. *Rinke v. Schuman*, 246 Ark. 976, 440 S.W.2d 765 (1969).

Acquisition of land by payment of taxes under color of title for more than seven years under § 18-11-102 does not bar redemption of land from void tax sale by heirs of incompetent. *Rinke v. Schuman*, 246 Ark. 976, 440 S.W.2d 765 (1969).

Minors.

A minor can redeem from a tax sale at any time during his minority or for two years afterward, whether the purchase is by the state or by an individual, and alienation by the purchaser does not defeat the right. *Carroll v. Johnson*, 41 Ark. 59 (1883); *George v. Hefley*, 182 Ark. 678, 32 S.W.2d 445 (1930).

Where land of infant was forfeited to state and had been sold by state before time for redemption had expired, he could redeem from purchaser, and redemption money belonged to purchaser and not to state. *Keith v. Freeman*, 43 Ark. 296 (1884).

Minor's right to redeem is not an estate, but only a statutory privilege to defeat a tax title in a limited time. *Bender v. Bean*, 52 Ark. 132, 12 S.W. 180, modified, 52 Ark. 146, 12 S.W. 241 (1889); *Harris v. Harris*, 195 Ark. 184, 112 S.W.2d 40 (1938).

Suit by infant to redeem land from tax sale is not an action for the recovery of land or for the possession thereof within

§§ 18-60-212 and 18-61-106 requiring affidavit of tender of taxes. *Burgett v. McCray*, 61 Ark. 456, 33 S.W. 639 (1896).

Where law in force at date of tax forfeiture gives infant owner right to redeem until two years after he should come of age, this right cannot be divested by subsequent legislation. *Moore v. Irby*, 69 Ark. 102, 61 S.W. 371 (1901).

This section is notice to all the world of a minor's right to redeem. *Hisey v. Sloan*, 180 Ark. 797, 22 S.W.2d 1005 (1930).

It is the duty of those representing minors to raise their right to redeem, and where they fail to do so, it is the court's duty to protect their rights. *Hisey v. Sloan*, 180 Ark. 797, 22 S.W.2d 1005 (1930).

Where parent conveys land to minor children before tax sale, children have right to redeem, the lien for taxes having attached before the conveyance to the children being immaterial, since the right of redemption is from the time of sale. *Chambers v. Burke*, 194 Ark. 665, 109 S.W.2d 117 (1937).

Minor is entitled to redeem not only his interest, but the interest of all others by paying taxes, penalty, and costs, plus taxes subsequently paid by purchaser, interest on the whole amount, and value of improvements, if any. *Reynolds v. Plants*, 196 Ark. 116, 116 S.W.2d 350 (1938).

Two years after a person reaches majority, his right to redeem is waived. *Bass v. John*, 217 Ark. 487, 230 S.W.2d 946 (1950).

Sale of land to pay debts could not be set aside by minor entitled to redeem from tax sale under this section where sale was made subject to taxes and redemption under § 26-37-310 by purchaser did not purport to convey title. *Norwood v. Heaslett*, 218 Ark. 286, 235 S.W.2d 955 (1951).

Former § 26-38-118 (repealed), which allowed a period of one year to attack determination by chancery court vesting title in state for nonpayment of taxes, did not cut off rights of minor to redeem property from tax sale within period of two years following sale of property to state. *Harvey v. Ledbetter*, 219 Ark. 27, 240 S.W.2d 18 (1951) (decision under prior law).

Minor's suit to redeem is not barred by decree in favor of holder of tax title in ejectment suit against heirs, since only right to possession is involved. *Hunt v. Ellis*, 219 Ark. 353, 242 S.W.2d 146 (1951).

Minor's suit to redeem is not barred by decree in foreclosure suit by bank where bank refuses to accept deed, since debt has been paid. *Hunt v. Ellis*, 219 Ark. 353, 242 S.W.2d 146 (1951).

When any joint tenants, tenants in common, or coparceners shall be entitled to redeem any land or lot, or part thereof, sold for taxes and any person so entitled shall refuse or neglect to join in the application for the certificate of redemption, or from any cause cannot be joined in the application, the county clerk may entertain the application of any one (1) of these persons, or as many as shall join therein, and may make a certificate for the redemption of such portion of the land or lot, or part thereof, as the person making the application shall be entitled to redeem.

CASE NOTES

Minors.

Minor cotenant of land sold for taxes may redeem entire interest in land, including interest owned by adult tenants in common, even though land does not constitute a homestead; this section merely

relieves a tenant in common of the necessity of redeeming for all. *Smith v. Pettus*, 205 Ark. 442, 169 S.W.2d 586 (1943).

(a) All lands forfeited to the state for nonpayment of taxes may, until disposed of by the state, be redeemed under this section.

(1)(A) An executed petition with a verified signature to redeem the property in a form prescribed by the Commissioner of State Lands.

(B) The Commissioner of State Lands shall make the petition form available upon request;

(3) Any additional documentation requested by the Commissioner of State Lands.

(c) The total amount due under subdivision (b)(2) of this section shall not be raised or lowered for thirty (30) days after the date the redemption under subsection (a) of this section is requested, unless:

(2) The records have been amended by a county; or

(3) The actual costs, fees, and taxes are added to the total amount due.

(d) An updated petition to redeem shall be provided to the Commissioner of State Lands, if the date of the submission of the petition to redeem has expired or additional costs, fees, and taxes have accrued.

(3)(A) The Commissioner of State Lands may establish by rule a fee for producing a redemption deed.

(B)(i) A fee under this subsection shall not be established in an amount that exceeds the costs expended by the Commissioner of State Lands in producing or filing the redemption deed or performing the services required to carry out the established duties of the office of the Commissioner of State Lands.

(ii) As used in subdivision (f)(3)(B)(i) of this section, "costs" means the actual costs expended by the Commissioner of State Lands plus three percent (3%) of the actual costs expended by the Commissioner of State Lands.

(g) The redemption deed shall serve as proof that payment has been received by the Commissioner of State Lands, in accordance with the provisions of § 26-37-302, and does not convey or change the legal ownership to the property redeemed.

(h) Upon receipt of the redemption deed, the county collector shall extend on the tax book against the land or lot the taxes other than state and county for the years that the taxes have not been paid since the sale

of the land or lot to the state, and these taxes shall be charged and collected as other taxes.

CASE NOTES

ANALYSIS

Disposition by State.
Overdue Tax Act of 1881.
Redemption of Lands.

Disposition by State.

Execution of donation certificate of tax forfeited lands to donee is a disposition of the land within the meaning of this section giving the owner right to redeem lands that have not been sold or otherwise disposed of by the state. *Waldon v. Holland*, 206 Ark. 401, 175 S.W.2d 570 (1943).

Where, at the time donation certificate was issued by state to donee, there was no law in existence that gave landowner any further right to redeem, subsequently enacted statute, providing that no pending donation shall bar redemption and remitting donee to courts for enforcement of any rights as to property because of betterments, impaired donee's right under the contract. *Waldon v. Holland*, 206 Ark. 401, 175 S.W.2d 570 (1943).

Law in force at the time concerning redemption also becomes a part of the contract as to a donation deed by state, as that law measures the respective rights. *Waldon v. Holland*, 206 Ark. 401, 175 S.W.2d 570 (1943).

Commissioner of State Lands had authority to cancel redemption deed issued to grantee because of worthless checks given by grantee in payment for deed, and subsequent sale of the lands to another person conveyed all title and interest of the state to that person. *Field v. Brown*, 206 Ark. 545, 176 S.W.2d 155 (1943).

Where state conveyed property to husband and wife and property was previ-

ously owned by husband and forfeited to state for nonpayment of taxes, it was a sale that vested the property in the husband and wife as tenants by the entirety and was not a redemption of tax forfeited lands; so that, upon husband's death, ownership vested in wife and, upon her death, intestate title passed to her heirs at law. *Herford v. Scales*, 240 Ark. 436, 399 S.W.2d 653 (1966).

Overdue Tax Act of 1881.

Where, after proper redemption of land that had been sold under Overdue Tax Act of 1881 (Acts 1881, No. 39), sale was confirmed, deed was executed, and writ of possession ordered in favor of purchaser, confirmation could be set aside and writ of possession quashed. *Adair v. Scott*, 53 Ark. 480, 14 S.W. 671 (1890) (decision under prior law).

Where land was forfeited to state under Overdue Tax Act of 1881 (Acts 1881, No. 39) after lands were returned delinquent, conveyance by state could not be attacked after confirmation of sale, although collector's books showed tax had been paid. *Jefferson Land Co. v. Grace*, 57 Ark. 423, 21 S.W. 877 (1893) (decision under prior law).

Questions relating to regularity of assessment of lands for taxation, amount of taxes assessed against them, and payment thereof were concluded by decree of confirmation of lands in Overdue Tax Act of 1881 (Acts 1881, No. 39) suit. *Streett v. Reynolds*, 63 Ark. 1, 38 S.W. 150 (1896) (decision under prior law).

During pendency of Overdue Tax Act of 1881 (Acts 1881, No. 39) suit to set aside

forfeiture of certain land for taxes, Commissioner of State Lands had no authority to issue donation certificate and deed based upon the forfeiture. *St. Louis Refrigerator & Wooden Gutter Co. v. Langley*, 66 Ark. 48, 51 S.W. 68 (1898) (decision under prior law).

Where lands were sold to state and conveyed under Overdue Tax Act of 1881 (Acts 1881, No. 39), but for years thereafter the state, through its county officers, assessed, levied, and collected taxes on these lands in the names of the original owners and their successors, it would be presumed that these lands had been redeemed from the Commissioner of State Lands by the original owners. *Wallace v. Hill*, 135 Ark. 353, 205 S.W. 699 (1918) (decision under prior law).

Where land was sold to state under Overdue Tax Act of 1881 (Acts 1881, No. 39), and was not redeemed within time allowed, person who was remote grantee of tax purchaser acquired a valid title. *Chicago Land & Timber Co. v. Dorris*, 139

Ark. 333, 213 S.W. 759 (1919) (decision under prior law).

Redemption of Lands.

Fact that Commissioner of State Lands permitted one to redeem land claimed by him from a tax sale cannot be held to be an adjudication of his ownership of the land in litigation with another person. *Meyer v. Snell*, 89 Ark. 298, 116 S.W. 208 (1909).

Redemption of land by owner from tax forfeiture, made after forfeited land has been sold by state, held merely a payment of taxes and not color of title. *Pyburn v. Campbell*, 158 Ark. 321, 250 S.W. 15 (1923).

Provisions that permitted state to retain all moneys paid for redemption held not subject to constitutional prohibition that no money arising from a tax levied for one purpose shall be used for any other purpose. *Page v. McCuin*, 201 Ark. 890, 148 S.W.2d 308 (1941).

(a)(1) Town and city lots and blocks and acreage tracts, lots, blocks, divisions, and subdivisions that have been platted and sold as being outside of the corporate limits of towns and cities, and rural lots and parcels of land now, or which may hereafter be, forfeited to the state for nonpayment of taxes due thereon that have depreciated in value since forfeiture may be reassessed at their present value by the county assessor of the county in which the lands are located, upon application being made in writing by the application to redeem or purchase them, setting forth the reasons for the reassessment. No application shall contain more than five (5) descriptive calls. Before any such reassessment shall be valid, it shall be presented to the county judge and the chief county school officer of the county in which the lands are located and approved by them in writing and made a matter of record in the county by the county clerk.

(2) The fee of the county assessor shall be one dollar (\$1.00) for each application. The fee shall be paid to the county treasurer and credited by him or her to the county general revenue fund. The fee of the county clerk shall be the regular fee allowed by law and shall be paid by the applicant seeking reassessment.

(b)(1) If the county assessor deems the assessment for which parcels of land were forfeited to be too high, he or she shall prepare a certificate stating that a reassessment has been made under this section and shall state, under oath, the cause for the depreciation in the value of the lots or parcels of land.

(2) The county assessor, the county judge, and the chief county school officer are prohibited from making any such reassessment as set out in this section except for the following causes:

(A) Burned buildings not replaced and on which the applicant did not collect insurance;

(B) Buildings removed and from which the applicant received no benefit;

(C) Erosion;

(D) Damage by flood;

(E) Damage by tornado;

(F) Removal of timber from which the applicant received no benefit; or

(G) Any act of God.

(3) When the reassessment has been made, a complete record thereof, including a certified copy of the application, the reassessment, and the court order, shall be forwarded to the Commissioner of State Lands, who shall, upon its receipt, enter it upon a record to be kept by him or her in his or her office for that purpose, and he or she shall issue redemption deeds or sale deeds for forfeited lands in the manner and form provided by law, based upon the reassessment value.

Publisher's Notes. Acts 1939, No. 282, § 3 and 1943, No. 282, § 4, providing for a penalty for charging excessive fees or accepting money for reassessment were repealed by Acts 1975, No. 928, § 4, effective January 1, 1976; however, Acts 1975, No. 928, § 2, provided that, notwithstanding

that all or part of a statute defining a criminal offense is amended or repealed by this act, the statute or part thereof so amended or repealed shall remain in force for the purpose of authorizing the prosecution, correction, and punishment of a person committing an offense under the statute or part thereof prior to the effective date of this act.

26-38-107. Title claims adverse to tax title deeds.

(a) Under and by virtue of a deed executed substantially by the county clerk, the party claiming title adverse to that conveyed by the deed shall be required to prove, in order to defeat the title, either that the real property was not subject to taxation for the years named in the deed, or that the taxes had been paid before the sale, that the property had been redeemed from the sale, according to the provisions of this act, and that such redemption was had or made for the use and benefit of persons having the right of redemption under the laws of this state; or that there had been an entire omission to list or assess the property, to levy taxes, to give notice of the sale, or to sell the property.

(b) No person shall be permitted to question the title acquired by a deed of the county clerk without first showing that he or she, or the person under whom he or she claims title to the property, had title thereto, at the time of the sale, or that title was obtained from the United States, or this state, after the sale, and that all taxes due upon the property have been paid by such person, or the person under whom he or she claims title as aforesaid.

(c) In any case where a person had paid his or her taxes, and through mistake, or otherwise, by the county collector, the land upon which the taxes were paid was afterward sold, the deed of the county clerk shall not convey the title.

(d) In all cases where the owner of lands sold for taxes shall resist the validity of a tax title, the owner may prove fraud committed by the officer selling the land or in the purchaser to defeat the sale, and if fraud is so established, the sale and title shall be void.

Applicability.

This section is limited to deeds made by county court clerks and does not embrace deeds made by the Commissioner of State Lands. *Townsend v. Martin*, 55 Ark. 192, 17 S.W. 875 (1891); *St. Louis Refrigerator & Wooden Gutter Co. v. Thornton*, 74 Ark. 383, 86 S.W. 852 (1905); *Lightle v. Laws*, 123 Ark. 537, 186 S.W. 73 (1916); *Lockridge v. Stokes*, 133 Ark. 559, 199 S.W. 89 (1917); *Horne v. Howe Lumber Co.*, 209 Ark. 202, 190 S.W.2d 7 (1945); *Staton v. Moore*, 210 Ark. 416, 196 S.W.2d 573 (1946); *Dill v. Snodgrass*, 213 Ark. 526, 211 S.W.2d 440 (1948); *Booth v. Peoples Loan & Inv. Co.*, 248 Ark. 1213, 455 S.W.2d 868 (1970).

This section has no applicability to a tax title void upon its face. *Rhodes v. Covington*, 69 Ark. 357, 63 S.W. 799 (1901).

This section does not apply to a case of conflicting tax titles. *Rhea v. McWilliams*, 73 Ark. 557, 84 S.W. 726 (1905); *McDaniel v. Berger*, 89 Ark. 139, 116 S.W. 194 (1909); *Dill v. Snodgrass*, 213 Ark. 526, 211 S.W.2d 440 (1948).

Evidence to Defeat Tax Titles.

Where lands were erroneously sold for delinquent taxes, it is proper to permit collector to testify that taxes had been paid. *Davis v. Hare*, 32 Ark. 386 (1877) (decision under prior law).

Receipt for tax payment was of no validity where it was given after forfeiture of the land. *Thornton v. Smith*, 36 Ark. 508 (1880) (decision under prior law).

The levy and notice of sale referred to in this section refers to a levy or notice of sale made under authority of statute and not if made in any manner. *Allen v. Ozark Land Co.*, 55 Ark. 549, 18 S.W. 1042 (1892).

This section does not prevent a meritorious defense. *Cooper v. Freeman Lumber Co.*, 61 Ark. 36, 31 S.W. 981 (1895).

Burden of proof is upon person seeking to cancel tax title. *Newman v. Lybrand*, 130 Ark. 424, 197 S.W. 855 (1917).

Landowner who failed to pay taxes on land continuously since its forfeiture and sale for delinquent taxes was not precluded from asserting invalidity of tax sale for failure of county clerk to append to the recorded list of delinquent land the certificate of publication of the notice of sale. *Standard Sec. Co. v. Republic Mining & Mfg. Co.*, 207 Ark. 335, 180 S.W.2d 575 (1944).

Failure of the county clerk to execute and attach a certificate as to publication of delinquent list of lands prior to the date of sale is a meritorious defense to a tax deed issued by the clerk. *Hensley v. Phillips*, 215 Ark. 543, 221 S.W.2d 412 (1949).

Court erred in dismissing complaint where evidence showed that clerk had not attached warrant to tax books in delivering books to collector. *Ensminger v. Sheffield*, 220 Ark. 598, 248 S.W.2d 877 (1952).

Proof of Title.

To question a tax title one must show that he, or those under whom he holds, had title at the time of the sale. *Osceola Land Co. v. Chicago Mill & Lumber Co.*, 84 Ark. 1, 103 S.W. 609 (1907); *Knauff v. National Cooperage & Woodenware Co.*, 99 Ark. 137, 137 S.W. 823 (1911).

Landowner must show title or that title was obtained from United States or from

this state after sale. *Massengale v. Brown*, 159 Ark. 566, 252 S.W. 588 (1923).

Deraignment of perfect title is not necessary to sufficiently support a title for the purpose of setting aside void tax deeds. *Fine v. Bucha*, 247 Ark. 1074, 449 S.W.2d 406 (1970).

Standing.

Parties did not lack standing to challenge tax sale where they proved that

their predecessors in title had legal title to the property at the time of the tax sale. *Thorne v. Magness*, 34 Ark. App. 39, 805 S.W.2d 95 (1991).

ment of the property taxes on the severed mineral interests was not subjoined to the assessment of property taxes on the surface realty." However, Acts 1989, No. 234 was subsequently repealed by Acts 1989, No. 904, § 2, effective July 3, 1989.

26-38-206. Effect of the decree of confirmation.

(a) Except as provided in this section and § 26-37-203, the decree of the circuit court confirming the forfeiture and conveyance to the plaintiff under § 26-38-202 shall operate:

(1) As a complete bar at law and in equity of a claim or defense of all persons, firms, corporations, quasi-corporations, associations, trustees, and holders of beneficial interests to the title of the real property; and

(2) To vest the complete and indefeasible title to the real property in the plaintiff under § 26-38-202 and the plaintiff's grantees in fee simple, free and clear of all claims regardless of whether the forfeiture

CASE NOTES

Applicability.

Debtor who claimed an equitable interest in the property based on an alleged oral rent-to purchase agreement with the owner could challenge the tax sale and transfer of property to the subsequent purchaser because the state did not file an

action in Chancery Court under § 26-38-206, to bar any subsequent claims. Further, § 26-37-203 gave the debtor two years to contest the validity of the conveyance. *In re Paro*, 362 B.R. 419 (Bankr. E.D. Ark. 2007).

26-38-207. Court costs and publication fees.

(a) Fees and costs associated with the filing of confirmation suits may be charged to any purchaser, donee, or redemtor to whose benefit the decree of confirmation inures.

(b) The state shall be exempt from payment of court costs.

(c) Fees for publication of notices required under this subchapter shall be governed by § 26-37-108 [repealed].

History. Acts 1993, No. 646, §§ 6, 7.

A.C.R.C. Notes. Section 26-37-108 referred to in subsection (c) of this section

(2) As used in this subchapter, “real property”, “parcel”, “parcels”, or “parcel of real property” includes without limitation a severed mineral interest.

(b)(1) Upon filing a suit to confirm title in severed mineral interests, the plaintiff shall:

(A) Undertake a search of the records listed in § 18-60-502 to identify persons entitled to notice; and

(B) Provide notice to all persons that have or claim to have an interest in the severed mineral interests.

(2) The interested persons shall be:

(A) Summoned as defendants in the case; and

(B) Served in the manner required for other civil actions.

(B) All persons identified in the county real estate or county tax records as an owner of the severed mineral interests immediately before forfeiture of the severed mineral interests for nonpayment of taxes; and

(C) All heirs, successors, and assigns of the persons described in subdivision (b)(3)(A) or subdivision (b)(3)(B) of this section, if the persons are deceased or have assigned or otherwise transferred their interest in the severed mineral interests.

(c)(1) In any suit to confirm title in severed mineral interests, proof that the forfeiture or conveyance sought to be confirmed is void and not merely voidable is a conclusive defense to the suit.

(2) Proof that the forfeiture or conveyance sought to be confirmed is merely voidable but not void shall be considered by the court and determined on the facts as justice and equity requires.

Audits.

County court could employ expert accountant to audit books of county officers. *E.F. Leathem & Co. v. Jackson County*, 122 Ark. 114, 182 S.W. 570 (1916) (decision under prior law).

Penalties.

The illegal receipt of specific payments by county sheriff being within the scope of this section, a charge of the five percent penalty provided for in § 26-39-501 by the trial court is proper. *Thomas v. Williford*, 259 Ark. 354, 534 S.W.2d 2 (1976).

There are no criminal penalties for a collector's failure to comply with the deposit requirements of this section. *Mhoon v. State*, 277 Ark. 341, 642 S.W.2d 292 (1982).

Failure of tax collector to deposit his

collections monthly with treasurer as required by this section does not constitute a misdemeanor subject to the penalty provisions of § 26-39-204, since the statutes concern two separate and distinct duties of the collector. *Mhoon v. State*, 277 Ark. 341, 642 S.W.2d 292 (1982).

A tax collector's failure to deposit his collections promptly is not in itself a criminal offense. *Mhoon v. State*, 277 Ark. 341, 642 S.W.2d 292 (1982).

Sureties.

A cause of action cannot accrue against surety until final judgment fixing county collector's liability has been entered. *Fireman's Fund Ins. Co. v. Polk County*, 260 Ark. 799, 543 S.W.2d 947 (1976).

Other Officers.

A county clerk comes within the designation "or other officer" under this section. Newton County v. Phillips, 181 Ark. 177, 25 S.W.2d 419 (1930).

Payment in Kind.

Where collector collected tax in currency and paid it to treasurer in county warrants, his official liability ceased since county warrants were legal tender. Askew v. Columbia County, 32 Ark. 270 (1877) (decision under prior law).

Where county clerk received money in payment of taxes, he was required to make his settlement "in kind" and could not make settlement in depreciated county warrants, although he would have been required to accept them if they had been offered in payment of taxes. Newton County v. Phillips, 181 Ark. 177, 25 S.W.2d 419 (1930).

Penalty.

Failure of tax collector to deposit his collections monthly with treasurer as required by § 26-39-201 does not constitute a misdemeanor subject to the penalty provisions of this section, since the statutes concern two separate and distinct duties of the collector. Mhoon v. State, 277 Ark. 341, 642 S.W.2d 292 (1982).

Interest.

It is proper to adjudge interest at rate of 50 percent on both the amount found due and the penalty. *Carnall v. Crawford County*, 11 Ark. 604 (1851) (decision under prior law).

Jurisdiction.

County court was forum where liability of collector of the county revenue was to be ascertained and evidenced by its records, and an adjudication in that forum was conclusive evidence against sureties as well as collector. *Jones v. State*, 14 Ark. 170 (1853) (decision under prior law).

It was the province of the county court to adjust and settle the accounts of the collector, and they could not be settled in the circuit court in an action on the collector's bond. *Goree v. State*, 22 Ark. 236 (1860) (decision under prior law).

County court could render judgment against delinquent collector or his securities for county revenue that he has collected and failed to pay over, together with penalties. *Christian v. Ashley County*, 24 Ark. 142 (1863) (decision under prior law).

Notice.

Unless delinquent officer appeared at next term and showed cause for setting aside settlement, a court could render judgment against him, provided he had

notice to appear; however, he could waive notice by appearing and moving to set aside the settlement. *Trice v. Crittenden County*, 7 Ark. 159 (1846) (decision under prior law).

If a collector was dead, notice could be given his administrator. *Goree v. State*, 22 Ark. 236 (1860) (decision under prior law).

Sureties.

In action upon collector's bond for collecting and failing to pay over county revenues, it had to be averred either that the collector had settled with the county court and had failed to pay the amount due or that he had failed to settle and the county court had proceeded to adjust his accounts and render judgment against him. *Jones v. State*, 14 Ark. 170 (1853); *State v. Croft*, 24 Ark. 550 (1867) (decisions under prior law).

A cause of action cannot accrue against surety until final judgment fixing county collector's liability has been entered. *Fireman's Fund Ins. Co. v. Polk County*, 260 Ark. 799, 543 S.W.2d 947 (1976).

Applicability.

This section applies both to the original account of an officer and to his readjusted account. *Taylor v. Georgia State Sav. Ass'n*, 141 Ark. 425, 218 S.W. 180 (1920).

Lien is coextensive with limits of whole county, notwithstanding county is divided into two districts. *Taylor v. Georgia State Sav. Ass'n*, 141 Ark. 425, 218 S.W. 180 (1920).

Statute of limitations fixing period of three years on judgment liens (§ 16-65-117) is not applicable to this section. *Taylor v. Georgia State Sav. Ass'n*, 141 Ark. 425, 218 S.W. 180 (1920).

Appeals.

Lien in favor of county on land of tax collector is not extinguished by supersedeas bond executed by collector on appeal

to the Supreme Court from an adjustment of his account, the bond merely suspending enforcement during pendency of the appeal. *Taylor v. Georgia State Sav. Ass'n*, 141 Ark. 425, 218 S.W. 180 (1920).

Where a county obtained a lien under this section and the collector appealed to the Supreme Court and executed a supersedeas bond, the county could properly enforce the county's lien against the land without first exhausting its remedy against the sureties on the supersedeas bond. *Taylor v. Georgia State Sav. Ass'n*, 141 Ark. 425, 218 S.W. 180 (1920).

Priorities.

Where collector's land was sold under execution and purchased by surety on collector's bond, a junior mortgage lienholder could not subsequently ask that the surety be compelled to secure reimbursement for losses out of property other than that mortgaged. *Taylor v. Georgia State Sav. Ass'n*, 141 Ark. 425, 218 S.W. 180 (1920).

26-39-219. Judgment against delinquent officers and securities.

When any balance shall be found against any county clerk, county sheriff, county collector, county coroner, constable, or other officer for moneys accruing to the county treasury and it shall not be paid within the time prescribed by law, it shall be lawful for the county court, fifteen (15) days' notice being given to the delinquent officers and their securities, to render judgment against the delinquents and their securities for the amount of all moneys ascertained to be due the county and issue execution therefor.

History. Acts 1883, No. 114, § 202, p. 199; C. & M. Dig., § 10164; Pope's Dig., § 13946; A.S.A. 1947, § 84-1442.

CASE NOTES

Settlements.

Prosecuting attorney who had no notice of suit against county circuit clerk and his sureties for alleged indebtedness to county had authority to make a settlement and dismiss the case, and county

judge or taxpayer could not intervene to prevent such action. *Rothrock v. Walker*, 197 Ark. 846, 125 S.W.2d 459 (1939).

26-39-220. Adjustment of errors.

(a)(1) The county court has the duty to reconsider and adjust the settlement of any county officer made with the county court, including, but not limited to, the final tax settlement and distribution for any error discovered within three (3) years from the date of the settlement.

(2) Adjustment of an error shall be made within the year of discovery.

(b) Upon discovery of any error in the settlement after three (3) years, but within five (5) years from the date of the settlement, the county judge has the duty to petition the circuit court to obtain an order to correct the errors.

Applicability.

Making corrections will not invalidate proceedings already instituted against bondsmen. *Graham v. State*, 100 Ark. 571, 140 S.W. 735 (1911).

This section includes errors of law as well as errors of fact. *Haley v. Thompson*, 116 Ark. 354, 172 S.W. 880 (1915).

Authority.

County court has power to open and reexamine settlement of collector upon notice and without a petition. *White County v. Key*, 30 Ark. 603 (1875) (decision under prior law).

Court has power to reexamine, restate, and correct errors, and in doing so has power to look into the validity of credits and claims that have already been allowed. *White County v. Key*, 30 Ark. 603 (1875) (decision under prior law).

Equitable Relief.

Chancery court may, after expiration of period prescribed in this section, grant relief upon an allegation of fraud. *State ex rel. Marion County v. Perkins*, 101 Ark. 358, 142 S.W. 515 (1912); *Fuller v. State*, 112 Ark. 91, 164 S.W. 770 (1914); *Yates v. State*, 186 Ark. 749, 54 S.W.2d 981 (1932).

This section applies only to settlements of officers handling revenue and will not

preclude equity from granting relief against illegal exactions from the county by the circuit court. *Johnson County v. Bost*, 139 Ark. 35, 213 S.W. 388 (1919).

The original jurisdiction of equity to correct mistakes was not divested by this section. *Big Gum Drainage Dist. v. Crews*, 158 Ark. 566, 250 S.W. 865 (1923).

Where county court approved settlement allowing credit to treasurer for funds lost in closed bank, it was a legal fraud against which equity would relieve. *State Use Crawfordsville Special School Dist. v. Huxtable*, 191 Ark. 10, 12 S.W.2d 1 (1928).

Liens.

Balances found due under this section become a lien under provisions of § 26-39-218. *Taylor v. Georgia State Sav. Ass'n*, 141 Ark. 425, 218 S.W. 180 (1920).

Time Limitations.

Where proceedings were not commenced until after expiration of statutory period, it was too late, although, prior to expiration of such period, ex parte proceedings were taken with regard to such settlement, but not under the provisions of this section. *Bledsoe v. State*, 167 Ark. 160, 267 S.W. 571 (1925).

This section did not bar county's suit against treasurer for excessive fees after one year from date of treasurer's settlement with county court. *McCoy v. State*, 190 Ark. 297, 79 S.W.2d 94 (1935) (decision prior to 1985 amendment).

Exclusive remedy of county treasurer claiming credit against county for amount

of unpaid check given to him by collector in settlement in October, 1932, was under this section, but having treated the check as a cash item and apportioned it to the several funds entitled thereto, treasurer could not correct it in his settlement of 1935. *Montgomery County v. Elder*, 192

Preambles. Acts 1929, No. 118, contained a preamble which read: "Whereas, this State has been neglectful of its Wards in the Charitable Institutions, which is a disgrace to the people of a Great Commonwealth, and it is imperative that additional Revenue should be provided to correct the fearful conditions which now exist; and

"Whereas, an equalization Fund should be provided to give equal Educational opportunities to the Boys and Girls of our Rural Communities; and

"Whereas, Agricultural and Industrial development is now being retarded because of a policy to secure practically all of the Revenue from an Ad Valorem Tax,

thus penalizing and discouraging ownership of property, while many who enjoy the benefits of Government and have large incomes, pay almost nothing to support the Government;

Therefore"

Effective Dates. Acts 1929, No. 118, § 44: Mar. 9, 1929. Emergency clause provided: "It is hereby ascertained and declared that the Hospital for Nervous Diseases is inadequate to properly care for all who should be confined therein, to the end there are many persons of unsound mind at large, who are a menace to the public safety, and that said Hospital as now equipped is inadequate to restrain those insane persons who are confined therein,

so that there is danger of their escaping at any time and imperiling the safety of the public; that there are hundreds and hundreds of persons desiring to enter the Tuberculosis Sanitarium who cannot now be accommodated there, because that institution has neither room, beds nor facilities for additional people, as a result said consumptives at large are spreading the disease amongst their families and friends; that the funds to be raised by this Act will be used for the better care of the charitable wards of this State and to provide better for the rural schools of this State; and it is therefore ascertained and declared that it is necessary for the public peace, health and safety that this Act go into immediate operation, and accordingly it is provided that this act shall take effect and be in force from and after its passage."

Emergency clause provided: "It has been found and is hereby declared by the General Assembly of the State of Arkansas that existing laws providing for the distribution of state revenues are such that a moderate diminution of certain of the revenues would have the effect of curtailing the activities of certain necessary agencies of the State Government, and that only the provisions of this Act will correct a situation which otherwise may deprive the citizens of this State from receiving the benefits which the operation of the State Government contemplates. Therefore, an emergency is hereby declared to exist, and this act being necessary for the preservation of the public peace, health and safety shall take effect and be in full force from and after its passage."

Emergency clause provided: "It is hereby found and determined that certain changes are necessary to the Arkansas income tax laws; that these changes are necessary immediately in order to maintain the efficient administration of the Arkansas income tax laws; and that this act is necessary to effectuate that purpose.

Therefore, an emergency is hereby declared to exist and this act being necessary for the preservation of public peace, health and safety shall be in full force and effect from and after its passage and approval."

Acts 1993, No. 785, § 20: amendments to subchapters 1, 4, 5, 9, and 10 effective for taxable years beginning on and after January 1, 1993.

Acts 1995, No. 1160, § 46: Apr. 11, 1995. Emergency clause provided: "It is hereby found and determined by the General Assembly that certain changes are necessary to the Arkansas tax laws; that these changes are necessary immediately in order to maintain the efficient administration of the Arkansas income tax laws; and that this act is necessary to effectuate that purpose. Therefore, an emergency is hereby declared to exist and this act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after its passage and approval."

Acts 2019, No. 910, § 6346(b): July 1, 2019. Emergency clause provided: "It is found and determined by the General Assembly of the State of Arkansas that this act revises the duties of certain state entities; that this act establishes new departments of the state; that these revisions impact the expenses and operations of state government; and that the sections of this act other than the two uncodified sections of this act preceding the emergency clause titled 'Funding and classification of cabinet-level department secretaries' and 'Transformation and Efficiencies Act transition team' should become effective at the beginning of the fiscal year to allow for implementation of the new provisions at the beginning of the fiscal year. CASE NOTES

Constitutionality.

The income tax imposed by this chapter is not a property tax, and this chapter is not violative of the equality and uniformity clause of the Arkansas Constitution. *Stanley v. Gates*, 179 Ark. 886, 19 S.W.2d 1000 (1929).

Tax on net income of domestic corporations is not discriminatory in imposing tax on income derived from stocks owned in other corporations engaged in business in another state. *Wiseman v. Interstate Pub. Serv. Co.*, 191 Ark. 255, 85 S.W.2d 700 (1935).

This chapter held unconstitutional and void insofar as it attempts to tax a domestic corporation's income from its plants located outside the state. *McCarroll v. Gregory-Robinson-Speas, Inc.*, 198 Ark. 235, 129 S.W.2d 254 (1939).

This chapter is not invalid on ground that a Senate amendment thereto was not concurred in by the House, since Senate

Journal showing the adoption of the amendment was silent as to its withdrawal or any action receding therefrom and minutes and record of the Secretary of the Senate recited that amendment had been withdrawn. *Hardin v. Ft. Smith Couch & Bedding Co.*, 202 Ark. 814, 152 S.W.2d 1015 (1941).

Acts 1931, No. 220, relieving domestic corporations doing business entirely outside the state of Arkansas from the payment of any income tax to the state, when read in connection with the General Income Tax Act of 1929, which imposes an income tax upon a domestic corporation doing business both within and outside the state on income derived from sources outside Arkansas, denied to such domestic corporation the equal protection of the laws and amounted to the taking of its property without due process. *Cheney v. Stephens, Inc.*, 231 Ark. 541, 330 S.W.2d 949 (1960).

ANALYSIS

Fiscal Year.
Paid.
Resident.

Fiscal Year.

Under the income tax law, a fiscal year must begin in one year and end in the next succeeding year, so there can be no fiscal year wholly within a calendar year. *Cook v. Ark. State Rice Milling Co.*, 213 Ark. 396, 210 S.W.2d 511 (1948).

Paid.

The word "received," for the purpose of computing net income, means either "received" or "accrued," depending on whether the taxpayer is on a cash basis or an accrual basis. *F & M Bank v. Skelton*, 266 Ark. 680, 587 S.W.2d 561 (1979).

Resident.

A congressman is presumed to have been an inhabitant of the state when

elected to congress from Arkansas; his legal domicile is in Arkansas, although he sojourns in Washington during the year, and he is liable for income taxes to the State of Arkansas. *Cravens v. Cook*, 212 Ark. 71, 204 S.W.2d 909 (1947).

Although taxpayers were physically located outside Arkansas, they were residents of Arkansas, since numerous documents, such as federal income tax returns prepared by them, listed Arkansas as their address, they had Arkansas driver's licenses, they owned a house in Arkansas that they did not rent but later sold, and they had registered to vote in Arkansas in 1970, declaring that Arkansas had been their residence for the eight previous years and that they had lived at no place outside of Arkansas with the intent of staying there. *Shinn v. Heath*, 259 Ark. 577, 535 S.W.2d 57 (1976).

Acts 1941, No. 129, § 8: Mar. 11, 1941. Emergency clause provided: "Because of the various social problems caused by the failure of the State to provide adequate relief for its aged citizens, and it appearing that there is a dire need for additional funds to meet the requirements of the Social Security Act and give additional revenue to this State and because the old folks in this State are suffering by reason of the failure of the State to secure funds with which to pay Old Age Pensions, an emergency is hereby found to exist and is so declared by the Legislature of Arkansas; that this Act being necessary for the immediate preservation of the public peace, health and safety, shall be in full force and effect from and after its passage."

Acts 1947, No. 135, § 9: Mar. 3, 1947. Acts 1967, No. 46, § 5: Feb. 7, 1967. Emergency clause provided: "The General Assembly hereby finds and determines that there are many banks and financial institutions in this state that transact substantial trust business involving out-of-state settlors and out-of-state beneficiaries, that such are an integral part of the business of said institutions, that to require the out-of-state beneficiaries to pay Arkansas income tax on income of such in-state trust earned from out-of-state sources would seriously handicap Arkansas financial institutions transacting a substantial trust business and would make it highly unprofitable for out-of-state settlors or testators to appoint an Arkansas trustee of such trusts, and that under present Arkansas law such out-of-state beneficiaries would be required to pay income taxes on any income derived from such a trust twice. Therefore, an emergency is hereby declared to exist and this Act being immediately necessary for the immediate preservation of the public peace, health and safety, shall be in effect from the date of its passage and approval."

Acts 1969, No. 392, § 6: Apr. 11, 1969. Emergency clause provided: "The General Assembly finds that the State of Arkansas is in immediate need of additional funds for general revenue purposes. Emergency clause provided: "The General Assembly hereby finds and determines that there are many banks and financial institutions in this State that transact substantial trust business involving out-of-state settlors and out-of-state beneficiaries, that such are an integral part of the business of said institutions, that to require the out-of-state beneficiaries to pay Arkansas income tax on income of such

in-state trust earned from out-of-state sources would seriously handicap Arkansas financial institutions transacting a substantial trust business and would make it highly unprofitable for out-of-state settlors or testators to appoint an Arkansas trustee of such trusts, and that under present Arkansas law such out-of-state beneficiaries would be required to pay income taxes on any income derived from such a trust twice. Therefore, an emergency is hereby declared to exist and this Act being immediately necessary for the immediate preservation of the public peace, health and safety, shall be in effect from the date of its passage and approval."

Acts 1987, No. 1040, § 7: Apr. 14, 1987.

Emergency clause provided: "It is hereby found and determined by the General Assembly that many churches have engaged in the practice of investing in real and personal property, or have received donations of commercial or rental property which is not now assessed for ad valorem tax purposes and are not paying tax thereon as required by law, thereby depriving the local taxing units of thousands of dollars of much needed revenues; that under the Arkansas Constitution of 1874, Article 16, Sections 5 and 6, such property is not exempt from the provisions of the ad valorem property tax; that in many instances such churches do not report for Arkansas Income Tax purposes income derived from investments or profits derived from rental income or other commercial or business activities and do not pay taxes thereon; that this reduces the amount of revenues available for funding of State services; and that only by the immediate passage of this Act can this situation be remedied. Therefore, an emergency is hereby declared to exist, and this Act being necessary for the immediate preservation of the public peace, health, and safety, shall be in full force and effect from and after its passage and approval."

Acts 1991, No. 1052, § 5, provided: "This act shall be effective for income years beginning on and after January 1, 1991."

recent studies have shown that in the year 2000, workers must have a minimum of fourteen (14) years of education to function in the work force; that the state is in desperate need of training, retraining and upgrading the work force; that this act will provide the funding necessary to provide every citizen with an opportunity to participate in vocational-technical training or college transfer programs; and that it is necessary for this act to become effective immediately to provide the funding needed for these programs as soon as possible. Therefore, an emergency is hereby declared to exist and this act being necessary for the immediate preservation of the public peace, health, and safety shall be in full force and effect from and after its passage and approval."

Acts 1997, No. 171, § 6: Feb. 14, 1997. Emergency clause provided: "It is found and determined by the General Assembly of the State of Arkansas, that the provisions of this Act are of critical importance to the stability of the educational programs funded from the Educational Excellence Trust Fund and the workforce development and training programs funded from the Workforce 2000 Development Fund, the same being an appropriate use of the state's resources. Therefore an emergency is declared to exist and this Act being immediately necessary for the preservation of the public peace, health and safety shall become effective on the date of its approval by the Governor. If the bill is neither approved nor vetoed by the Governor, it shall become effective on the expiration of the period of time during which the Governor may veto the bill. If the bill is vetoed by the Governor and the veto is overridden, it shall become effective on the date the last house overrides the veto."

Acts 1997, No. 328, § 11, provided: "This Act shall be effective on and after November 15, 1998 unless a constitutional amendment or initiated act shall be approved or an act of the General Assembly shall become law before that date which exempts food, either wholly or partially, from the Arkansas gross receipts tax. If a constitutional amendment, initiated act, or act of the General Assembly exempting food is not approved, then the provisions of Section 1, 2, 3, 4, 6, 7, and 8 of this Act shall be effective for tax years beginning on and after January 1, 1998;

the provisions of Section 5 of this Act shall be effective as provided in that section; and the provisions of Section 9 of this Act shall be effective as provided in Section 10."

Acts 1997, No. 328, § 12, provided: "The withholding tables prescribed by the Director of the Department of Finance and Administration pursuant to Ark. Code Ann. § 26-51-907 shall not be amended for tax year 1998 to reflect the changes adopted by this Act. If this Act becomes effective on November 15, 1998, the effect of the various provisions of this Act for tax year 1998 shall be reflected on the income tax return filed for that year. For all subsequent years, the Director shall adjust the withholding tables as otherwise required by law."

Acts 1999, No. 1315, § 8: July 1, 1999. Emergency clause provided: "It is hereby found and determined by the Eighty-second General Assembly that the changes required by this act must take effect at the beginning of the state fiscal year and not to do so will disrupt the flow of funds for vocational education. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health and safety shall become effective on July 1, 1999."

Acts 2003 (1st Ex. Sess.), No. 38, § 4: May 8, 2003. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on: (1) The date of its approval by the Governor; (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

Emergency clause provided: "It is found and determined by the General Assembly of the State of Arkansas that income tax rates for Arkansas residents are too high in comparison to the income tax rates in surrounding states; that these burdensome income tax rates prevent Arkansas from being competitive with surrounding states in the region; that amending the exclusion from tax for a portion of capital gains income will increase the state's ability to provide additional tax relief to middle class taxpayers without overburdening the state's resources; and that this act is immediately necessary because it is in the best interests of the state to increase Arkansas's ability to compete in the region by dedicating as much funding as is economically possible and prudent to relieve the income tax burden suffered by middle class taxpayers in the state. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on: (1) The date of its approval by the Governor; (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

Acts 2019, No. 182, § 6: Feb. 19, 2019. Emergency clause provided: "It is found and determined by the General Assembly of the State of Arkansas that income tax rates for Arkansas residents are too high in comparison to the income tax rates in surrounding states; that these burdensome income tax rates prevent Arkansas from being competitive with surrounding states in the region; and that this act is immediately necessary because it is in the best interests of the state to increase Arkansas's ability to compete in the region by dedicating as much funding as is eco-

nomically possible and prudent to relieve the income tax burden suffered by lower-income taxpayers in the state. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on: (1) The date of its approval by the Governor; (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or, (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.”

Acts 2019, No. 910, § 6346(b): July 1, 2019. Emergency clause provided: “It is found and determined by the General Assembly of the State of Arkansas that this

act revises the duties of certain state entities; that this act establishes new departments of the state; that these revisions impact the expenses and operations of state government; and that the sections of this act other than the two uncoded sections of this act preceding the emergency clause titled ‘Funding and classification of cabinet-level department secretaries’ and ‘Transformation and Efficiencies Act transition team’ should become effective at the beginning of the fiscal year to allow for implementation of the new provisions at the beginning of the fiscal year. ANALYSIS

Applicability.
Federal Reservations.
Partnerships.

Applicability.

This section is applicable to the entire income of every resident of Arkansas, regardless of the source of his income, whether derived from inside or outside the state. *Morgan v. Cook*, 211 Ark. 755, 202 S.W.2d 355 (1947).

This section does not exempt income earned outside the state. *Morgan v. Cook*, 211 Ark. 755, 202 S.W.2d 355 (1947).

Federal Reservations.

Tax on incomes levied uniformly against all citizens could extend to lessee of personalty on federal reservation, since state income tax, although classified as an

excise, is treated by the courts as having many of the characteristics of a property tax. *Superior Bath House Co. v. McCarroll*, 200 Ark. 233, 139 S.W.2d 378 (1940).

Hot Springs Reservation of the federal government is within the state for purpose of taxation. *Superior Bath House Co. v. McCarroll*, 200 Ark. 233, 139 S.W.2d 378 (1940).

Partnerships.

An Arkansas resident partner of an out-of-state partnership owes income tax on all income received from any source while residing in Arkansas, subject to the double taxation relief provided by § 26-51-504. *Collins v. Skelton*, 256 Ark. 955, 512 S.W.2d 542 (1974).

Cited: *Shinn v. Heath*, 259 Ark. 577, 535 S.W.2d 57 (1976); *Weiss v. McFadden*, 353 Ark. 868, 120 S.W.3d 545 (2003).

(2) Any interest in land situated in this state, including, without limitation, chattels real, including gains from any sale of an interest in land situated in this state;

(i) No less than ninety percent (90%) of the value of the partnership's total assets consists of qualifying investment securities and office space and equipment reasonably necessary to carry on its activities as an investment partnership; and

(e) Other similar or related financial or investment contracts, instruments, or securities.

Interstate Commerce.
Salaries.

Interstate Commerce.

This section had no relation to profits gained from interstate transactions by a corporation conducting a business in another state. *Temple v. Gates*, 186 Ark. 820, 56 S.W.2d 417 (1933) (decision prior to 1947 amendment).

Income of foreign corporation derived solely from contracts made in other states for the hire or lease of refrigerated cars and used by the contractees in interstate transportation of perishable products was subject to tax under this section. *Comm'r*

of Revenues v. *Pacific Fruit Express Co.*, 227 Ark. 8, 296 S.W.2d 676 (1956).

Salaries.

Salaries of nonresident secretary-treasurer and president of domestic corporation were not subject to income tax of Arkansas where secretary-treasurer spent all of her time for the company in Tennessee, and president spent only six days a month in Arkansas on business for the company, as the statute makes no provision or method for allocating that portion of the income earned by nonresidents in Arkansas. *Cook v. Ayres*, 214 Ark. 308, 215 S.W.2d 705 (1948).

(1) That part of the net income of estates or trusts which has not been distributed or become distributable to beneficiaries during the income year. In the case of two (2) or more joint fiduciaries, part of whom are nonresidents of this state, such part of the net income shall be treated as if each fiduciary had received an equal share;

(2) The net income received during the income year by deceased individuals who at the time of death were residents and who have died during the tax year without having made a return; and

(3) The entire net income of resident insolvent or incompetent individuals, whether or not any portion thereof is held for the future use of the beneficiaries, where the fiduciary has complete charge of the net income.

(b) The tax imposed upon a fiduciary by the Income Tax Act of 1929, § 26-51-101 et seq., shall be a charge against the estate or trust.

Constitutionality.

This section, fixing the method of determining taxable income of interstate utilities, was not shown to be discriminatory against railroads or the taking of its property without due process. *Cook v. Kansas City S. Ry.*, 212 Ark. 253, 205 S.W.2d 441 (1947), cert. denied, 333 U.S. 873, 68 S. Ct. 902, 92 L. Ed. 1150 (1948).

As to unconstitutional delegation of power to federal agency expressly reserved to state legislature by Arkansas Constitution, see *Cheney v. St. Louis Sw. Ry.*, 239 Ark. 870, 394 S.W.2d 731 (1965).

Carriers.

Income assessments made against interstate passenger bus companies based on the statutory formula prescribed by this section were neither oppressive nor discriminatory and did not deprive them of any constitutional right. *Comm'r of Revenues v. Transcontinental Bus Sys.*, 227 Ark. 811, 301 S.W.2d 569 (1957).

A Texas corporation engaged in interstate and intrastate transportation of property as a common carrier, in figuring its net income for a year, could not claim

as a deduction the amount of retail sales taxes it had paid in the taxable year to the state of Texas on motor vehicle purchases. *Cheney v. East Tex. Motor Freight, Inc.*, 233 Ark. 675, 346 S.W.2d 513 (1961).

Corporation engaged in interstate and intrastate transportation of property as a common carrier held not free to calculate and claim depreciation as it desired under § 26-51-428. *Cheney v. East Tex. Motor Freight, Inc.*, 233 Ark. 675, 346 S.W.2d 513 (1961).

Effect of Subsequent Legislation.

Section 84-2003(e) [unconstitutional] has not been superseded by or amended by § 26-51-428, which was added to the Income Tax Law by Acts 1957, No. 156, § 1. *Cheney v. East Tex. Motor Freight, Inc.*, 233 Ark. 675, 346 S.W.2d 513 (1961).

Railroads.

Right of state to value property of a unitary enterprise, including railroads, as a unit, has been recognized, and the apportionment to state of its fair ratable portion of such value by using revenue ratio in apportioning income and operating expenses has been held not improper. *Cook v. Kansas City S. Ry.*, 212 Ark. 253, 205 S.W.2d 441 (1947), cert. denied, 333 U.S. 873, 68 S. Ct. 902, 92 L. Ed. 1150 (1948).

History. Acts 1941, No. 129, § 2; 1969, No. 392, §§ 1, 2; A.S.A. 1947, § 84-2004; Acts 1991, No. 1052, §§ 1-4; 1997, No. 171, § 2; 1999, No. 1315, §§ 2, 3; 2019, No. 822, § 4.

A.C.R.C. Notes. Acts 2019, No. 822, § 1, provided: "Legislative findings and intent.

"(a) The General Assembly finds that:

"(1) The Arkansas Tax Reform and Relief Legislative Task Force was charged with:

"(A) Examining and identifying areas of potential tax reform within the tax laws; and

"(B) Recommending legislation to the General Assembly to:

"(i) Modernize and simplify the Arkansas tax code;

"(ii) Make Arkansas's tax laws competitive with tax laws in other states;

"(iii) Create jobs; and

"(iv) Ensure fairness to all taxpayers;

"(2) The state's income tax laws should be amended to modernize and simplify the tax code, increase Arkansas's competitiveness, create jobs, and ensure fairness to all taxpayers;

"(3) The inability to effectively collect any Arkansas sales or use tax from remote sellers who deliver tangible personal property, other property subject to Arkansas sales and use tax, or services directly into the state is seriously eroding the sales and use tax base of this state, causing revenue losses and imminent harm to the state through the loss of critical funding for state and local services;

"(4) The harm from the loss of revenue is especially serious in Arkansas because sales and use tax revenue is essential in funding state and local services;

"(5) Despite the fact that a use tax is owed on tangible personal property, certain other property, or services delivered for use in this state, many remote sellers actively market sales as tax-free or as transactions not subject to sales and use tax;

"(6) The structural advantages of remote sellers, including the absence of point-of-sale tax collection and the general growth of online retail, make clear that further erosion of this state's sales and use tax base is likely to occur in the near future;

"(7) Remote sellers that make a substantial number of deliveries into Arkansas or collect large gross revenues from Arkansas benefit extensively from this state's market, economy, and infrastructure;

"(8) In contrast with the increasing harm caused to the state by the exemption of remote sellers from sales and use tax collection duties, the costs of such collection have decreased because advanced computing and software options have made it neither difficult nor burdensome for remote sellers to collect and remit sales and use taxes associated with sales of goods and services to residents of this state;

"(9) The United States Supreme Court recently upheld the ability of states to compel out-of-state sellers with no physical presence in the state to collect state sales and use taxes; and

"(10) Any savings realized by the state through tax reforms should be dedicated

to reducing the tax burden for Arkansas taxpayers.

"(b) It is the intent of the General Assembly to:

"(1) Reform Arkansas tax laws to modernize and simplify the tax code, increase the state's competitiveness, create jobs, and ensure fairness to all taxpayers;

"(2) Offset any revenue savings realized through tax reform with corresponding changes to reduce the tax burden for Arkansas taxpayers;

"(3) Gradually reduce the tax burden on Arkansas taxpayers in a fiscally responsible manner; and

"(4) Act on the recommendation of the Arkansas Tax Reform and Relief Legislative Task Force to repeal the throwback rule for business income when the state's budget would allow for that change to be enacted in a fiscally responsible manner."

Acts 2020, No. 2, § 74, provided: "WORK FORCE 2000 DISTRIBUTION. After the amounts to be made available to the various technical institutes or comprehensive lifelong learning centers have been determined as set out in Arkansas Code §§ 26-51-205(d)(2)(A) and 26-51-205(d)(2)(B), such documents as may be necessary shall be processed so that funds may be transferred from the Work Force 2000 Development Fund to the State Treasury fund or fund account from which the technical institute or comprehensive lifelong learning center draws its general revenue support. Such funds as may be transferred shall not exceed 6.309% of the total funds available from the Work Force 2000 Development Fund during each fiscal year.

"In the event that a technical college, community college or educational institution which receives support from the Work Force 2000 Development Fund as determined by law transfers from the Arkansas Technical College and Community College System for which Work Force 2000 Development Fund monies are determined by law, then the actual amount of support from the Work Force 2000 Development Fund in the preceding fiscal year for such educational institution shall be made available irrespective of any other provision of law which sets out maximum levels of support from such fund.

"The funds distributed under Arkansas Code § 26-51-205(d)(2)(C) in excess of those amounts collected and distributed

prior to June 30, 2014 shall be deposited into the Skills Development Fund to be used only for personal services, grants, operation, support, and improvement of occupational, vocational, technical, and workforce development programs by the Department of Career Education — Office of Skills Development. The distributions of funds under Arkansas Code § 26-51-205(d)(2)(C) in excess of those amounts collected and distributed prior to June 30, 2014 shall not apply to proceeds allocated to schools, colleges and educational institutions under Arkansas Code §§ 26-51-205(d)(2)(A) and 26-51-205(d)(2)(B).

“The provisions of this section shall be

in effect only from July 1, 2020 through June 30, 2021.”

Publisher’s Notes. Acts 1991, No. 1052, § 2, is also codified as § 19-6-467.

For text of section effective until January 1, 2021, see the preceding version.

Amendments. The 2019 amendment added present (a)(2) and (a)(3), and rewrote the former provisions of (a) as (a)(1); and added present (b)(2) and (b)(3), and rewrote the former provisions of (b) as (b)(1).

Effective Dates. Acts 2019, No. 822, § 27(b): “Sections 2-4 and 6-16 of this act are effective for tax years beginning on or after January 1, 2021.”

(e)(1) For tax years beginning on or after January 1, 2010, for purposes of determining the exemptions from income tax in subsection (b) of this section and determining eligibility for the low-income tax credit in this section, the gross income amounts in subsections (b) and (c) of this section shall be adjusted annually by the cost-of-living adjustment for the current calendar year, rounded to the nearest whole dollar.

(2) For purposes of this subsection, the cost-of-living adjustment for any calendar year is the percentage, if any, not to exceed three percent (3%) by which the Consumer Price Index for the current calendar year exceeds the Consumer Price Index for the preceding calendar year.

(3) The Consumer Price Index for any calendar year is the average of the Consumer Price Index as of the close of the twelve-month period ending on August 31 of that calendar year.

(4) As used in this subsection, “Consumer Price Index” means the last Consumer Price Index for All Urban Consumers published by the United States Department of Labor.

(f) For tax years beginning on or after January 1, 2010, following the cost-of-living adjustment for the Consumer Price Index as provided in subsection (e) of this section, the low-income tax credit in this section

and the gross income limitations outlined in the tables in subsection (d) of this section shall be adjusted annually using the following method:

(1) For a single individual, the amount of the low-income tax credit allowable shall be eighty percent (80%) of the income tax due upon the amount of gross income in subdivision (c)(1)(A) of this section, indexed as provided in subsection (e) of this section, and reduced, but not below zero dollars (\$0.00), by four dollars (\$4.00) for each one hundred dollars (\$100), or fraction thereof, that the taxpayer's gross income exceeds the indexed amount;

(2) For a married couple filing jointly with one (1) or fewer dependents, the amount of the low-income tax credit allowable shall be eighty percent (80%) of the income tax due upon the amount of gross income in subdivision (c)(1)(B) of this section, indexed as provided in subsection (e) of this section, and reduced, but not below zero dollars (\$0.00), by seven dollars (\$7.00) for each one hundred dollars (\$100), or fraction thereof, that the taxpayer's gross income exceeds the indexed amount;

(3) For a married couple filing jointly with two (2) or more dependents, the amount of the low-income tax credit allowable shall be eighty percent (80%) of the income tax due upon the amount of gross income in subdivision (c)(1)(C) of this section, indexed as provided in subsection (e) of this section, and reduced, but not below zero dollars (\$0.00), by seven dollars (\$7.00) for each one hundred dollars (\$100), or fraction thereof, that the taxpayer's gross income exceeds the indexed amount;

(4) For a head of household or qualifying widow or widower with one (1) or more dependents, the amount of the low-income tax credit allowable shall be eighty percent (80%) of the income tax due upon the amount of gross income in subdivision (c)(1)(D) of this section, indexed as provided in subsection (e) of this section, reduced, but not below zero dollars (\$0.00), by six dollars (\$6.00) for each one hundred dollars (\$100), or fraction thereof, that the taxpayer's gross income exceeds the indexed amount; or

(5) Beginning with tax year 2011:

(A) For a head of household or qualifying widow or widower with one (1) or fewer dependents, the amount of the low-income tax credit allowable shall be eighty percent (80%) of the income tax due upon the amount of gross income in subdivision (c)(2)(A) of this section, indexed as provided in subsection (e) of this section, reduced, but not below zero dollars (\$0.00), by six dollars (\$6.00) for each one hundred dollars (\$100), or fraction thereof, that the taxpayer's gross income exceeds the indexed amount; or

(B) For a head of household or qualifying widow or widower with two (2) or more dependents, the amount of the low-income tax credit allowable shall be eighty percent (80%) of the income tax due upon the amount of gross income in subdivision (c)(2)(B) of this section, indexed as provided in subsection (e) of this section, reduced, but not below zero dollars (\$0.00), by nine dollars (\$9.00) for each one hundred dollars (\$100), or fraction thereof, that the taxpayer's gross income exceeds the indexed amount.

(g) For the purpose of determining eligibility for the low-income tax credit in this section, income from all sources shall be used in determining the gross income of the taxpayer regardless of whether the income is taxable in Arkansas.

(h) A taxpayer is not eligible for the low-income tax credit in this section if the taxpayer claims an exemption in § 26-51-306 or § 26-51-307, or if the taxpayer itemizes deductions.

ANALYSIS

Constitutionality.
Construction.

Constitutionality.

The state income tax discriminated against retirees of the governments of other states and military retirees based upon the source of the payment; therefore the tax violated 4 U.S.C. § 111 and the doctrine of intergovernmental tax immunity. *Pledger v. Bosnick*, 306 Ark. 45, 811 S.W.2d 286 (1991), cert. denied, 509 U.S. 921, 113 S. Ct. 3034, 125 L. Ed. 2d 721 (1993), overruled, *State, Dep't of Fin. & Admin. v. Staton*, 325 Ark. 341, 942 S.W.2d 804 (1996) (decision under prior law).

Finding that the state income tax was unconstitutional, as applied to the retirees of the governments of other states and military retirees, was applied retroactively. *Pledger v. Bosnick*, 306 Ark. 45, 811 S.W.2d 286 (1991), cert. denied, 509 U.S. 921, 113 S. Ct. 3034, 125 L. Ed. 2d 721 (1993), overruled, *State, Dep't of Fin. & Admin. v. Staton*, 325 Ark. 341, 942 S.W.2d 804 (1996).

Because the returns of after-tax contributions to a retirement plan were property, pursuant to Ark. Const. art. 16, § 5, not income, the Department of Finance and Administration attempted tax of the returns under this section was unconstitutional given the prohibition in Ark. Const. Amend. 47 that prohibited an ad valorem tax being levied on property;

thus, the trial court properly granted partial summary judgment in favor of the taxpayers. *Weiss v. McFadden*, 353 Ark. 868, 120 S.W.3d 545 (2003).

Emergency Income Tax Rule, which was enacted by the Department of Finance and Administration in response to the declaration that § 26-51-307(c) was unconstitutional, was also unconstitutional because it was clear that the General Assembly never intended I.R.C. § 72 be applied to recovery of after-tax contributions in employment-related retirement plans. *Weiss v. Maples*, 369 Ark. 282, 253 S.W.3d 907 (2007).

Construction.

Subsection (c) of this section clearly provides that cost of contributions to a retirement plan may not be deducted in computing income for State tax purposes, and § 26-51-404(b)(24)(B) provides that annuity income from retirement plans is subject to this section rather than § 26-51-404(b); a retirement plan could contain pre-tax contributions upon which no income tax has ever been paid, employer contributions upon which no income tax has ever been paid, after-tax contributions upon which income tax has been paid, and the gain from pre-tax contributions and after-tax contributions upon which no income tax has ever been paid, and the above quoted statutes speak to income. *Weiss v. McFadden*, 353 Ark. 868, 120 S.W.3d 545 (2003).

businesses and assure them that they will be fairly and equitably taxed, it is necessary that this Act be enacted immediately. Therefore, an emergency is hereby declared to exist and the provisions of Sections 25 through 31 of this Act being necessary for the preservation of the public peace, health, and safety shall become effective on the date of its approval by the Governor. If the bill is neither approved nor vetoed by the Governor, Sections 25 through 31 shall become effective on the expiration of the period of time during which the Governor may veto the bill. ANALYSIS

Accounting Methods.
Received.

Accounting Methods.

Where agreement between state and taxpayer as to formula for determining what portion of gross income should be attributable to sources within the state in the case of income derived partly from sources within and partly from sources outside the state is held unenforceable, and the taxpayer's method of accounting does not clearly reflect the income, the computation may be made upon such basis and in such manner as in the opinion of

the state does clearly reflect the income. *General Box Co. v. Scurlock*, 224 Ark. 266, 272 S.W.2d 678 (1954).

Received.

For the purpose of computing net income, "received" means either received or accrued, depending on whether the taxpayer is on a cash basis or an accrual basis. *F & M Bank v. Skelton*, 266 Ark. 680, 587 S.W.2d 561 (1979).

Since in 1973 when Arkansas began to tax the income of banks, bank's books need to show the interest now being taxed as having been "received" in those years. *F & M Bank v. Skelton*, 266 Ark. 680, 587 S.W.2d 561 (1979).

A.C.R.C. Notes. Acts 1981, No. 914, § 2, provided: "The purpose of this act is to make technical amendments to the Arkansas Tax Procedure Act, Acts 1979, No. 401, and to certain Arkansas income tax statutes to eliminate the procedural problems that have arisen since the enactment

of Acts 1979, No. 401, and to make the Arkansas income tax statutes conform to several recent amendments to their counterparts in the federal income tax statutes." The act became effective for all periods after December 31, 1980.

Acts 1983, No. 379, § 2, provided: "The purpose of this act is to make technical amendments to the Income Tax Act of 1929, Acts 1929, No. 118, as amended, to the Estate Tax Law of Arkansas, Acts 1941, No. 136, as amended, and to the Arkansas Tax Procedure Act, Acts 1979, No. 401, as amended, to eliminate the procedural problems that have arisen since the enactment of these acts and to make the Arkansas income and estate tax statutes conform to several recent amendments to their counterparts in the federal income and estate tax statutes, and for other purposes." The act was effective for all income years after, or estate tax return filing dates coming after, December 31, 1982.

Acts 1997, No. 1189, § 3, provided: "It is determined by the General Assembly that Arkansas income tax laws concerning the taxability of dividends received from a subsidiary are at variance with corre-

sponding federal income tax laws, although the existence or non-existence of any such variance with respect to corporations filing an Arkansas consolidated tax return is subject to existing disputes. It is further determined that state income tax laws should have been the same as federal income tax laws and this Act is adopted to clarify that these dividends are to be treated for state income tax purposes in the same manner they would be treated for federal income tax purposes for all corporations to which the Act is applicable. It is further found that there are pending cases and controversies involving the taxability of dividends from subsidiaries for state income tax purposes and that this Act is not intended to affect any existing cases or controversies this issue or to have any effect upon the interpretation of prior law."

Acts 2005, No. 189, § 1, provided: "The purpose of this act is to clarify current law regarding cost recovery for annuitants under the Income Tax Act of 1929, Arkansas Code § 26-51-101 et seq."

Acts 1931, No. 220, relieving domestic corporations doing business entirely outside the state of Arkansas from the payment of any income tax to the state, when read in connection with the General Income Tax Act of 1929, which imposes an income tax upon a domestic corporation doing business both within and without the state on income derived from sources outside Arkansas, denied to such domestic corporation the equal protection of the laws and amounted to the taking of its property without due process. *Cheney v. Stephens, Inc.*, 231 Ark. 541, 330 S.W.2d 949 (1960).

Since court could reasonably conceive of lawful purposes for state's classification scheme in providing tax exemptions for retirement income of government employees, such scheme could not be held to have been arbitrarily enacted; therefore, since state's classification confers a benefit upon public employees that is available to all workers of this calling and class throughout Arkansas, Ark. Const., Art. 2, § 18, and U.S. Const. Amend. 14 are not violated. *Streight v. Ragland*, 280 Ark. 206, 655 S.W.2d 459 (1983).

Tax legislation exempting retirement income of government employees is not special legislation, for it is not arbitrary; tax exemption acts are not special acts as that term has been defined, since it is not enough that the state has separated some class from the operation of a law, rather, the separation must be arbitrary. *Streight v. Ragland*, 280 Ark. 206, 655 S.W.2d 459 (1983).

Emergency Income Tax Rule, which was enacted by the Arkansas Department of Finance and Administration in response to the declaration that § 26-51-307(c) was unconstitutional, was also unconstitutional because it was clear that the General Assembly never intended I.R.C. § 72 be applied to recovery of after-tax contributions in employment-related retirement

plans. *Weiss v. Maples*, 369 Ark. 282, 253 S.W.3d 907 (2007).

Construction.

Section § 26-51-307(c) clearly provides that cost of contributions to a retirement plan may not be deducted in computing income for State tax purposes, and subdivision (b)(24)(B) of this section provides that annuity income from retirement plans is subject to § 26-51-307 rather than subsection (b) of this section; a retirement plan could contain pre-tax contributions upon which no income tax has ever been paid, employer contributions upon which no income tax has ever been paid, after-tax contributions upon which income tax has been paid, and the gain from pre-tax contributions and after-tax contributions upon which no income tax has ever been paid, and the above quoted statutes speak to income. *Weiss v. McFadden*, 353 Ark. 868, 120 S.W.3d 545 (2003).

Dividends.

Stock dividends received by domestic corporation from foreign corporation not doing business in state held properly charged in the domestic corporation's income tax. *Temple v. Gates*, 186 Ark. 820, 56 S.W.2d 417 (1933).

Parent company was required to add back to its gross income nontaxable dividend income from its subsidiary for the restricted purpose of computing the net operating loss to be carried forward. *Kansas City S. Ry. v. Pledger*, 301 Ark. 564, 785 S.W.2d 462 (1990).

Gifts.

Where husband sold land and wife relinquished her dower, with the wife receiving one-third the purchase price, the one-third amount was taxable income on the part of the husband, since the wife's interest in the land was inchoate and not one that she could convey, and the payment to the wife amounted to no more than a gift of part of the purchase price by the husband. *Le Croy v. Cook*, 211 Ark. 966, 204 S.W.2d 173 (1947).

(b) The partner shall report all deductions or credits distributable to him or her personally as a partner in the partnership.

26-51-407. Financial institutions.

(a) A financial institution having its principal office in this state shall be taxed as a business corporation organized and existing under the laws of this state.

(b)(1) A financial institution having its principal office outside this state but doing business in this state shall be taxed as a foreign business corporation doing business in this state.

(2) However, this subsection is not intended to recognize the right of a foreign financial institution to conduct any business activities in this state except to the extent and under the conditions permitted by Acts 1953, No. 559, §§ 1-8 [unconstitutional] and any other applicable laws of this state.

(a) Subchapter S of the Internal Revenue Code, 26 U.S.C. § 1361 et seq., as in effect on January 1, 2019, regarding small business corporations, is adopted for the purpose of computing Arkansas income tax liability.

(b)(1)(A) A corporation shall be treated as a Subchapter S corporation for Arkansas income tax purposes if the corporation has elected Subchapter S treatment for federal income tax purposes for the same tax year.

(B) An election made under Subchapter S of the Internal Revenue Code, 26 U.S.C. § 1361 et seq., for federal income tax purposes is deemed to have been made for Arkansas income tax purposes.

(1) If its assessed valuation as of January 1, 1928, is in excess of its sale price at the time of disposition, then the deductible loss shall be the difference between the assessed valuation on January 1, 1928, and the amount realized from the sale less depreciation or depletion subsequently sustained;

(2) If the assessed valuation as of January 1, 1928, is less than the sale price, then the taxable gain shall be the excess realized over the

assessed valuation plus depreciation or depletion subsequently sustained; and

(3) If the amount realized is more than the cost price but not more than its assessed valuation as of January 1, 1928, or less than the cost but not less than its assessed valuation on January 1, 1928, then no gain shall be included in and no loss deducted from the gross income.

(c) For the purpose of the Income Tax Act of 1929, § 26-51-101 et seq., on any exchange of real, personal, or mixed property for any other like property of similar value no gain or loss shall be recognized.

(d)(1) In computing gain or loss from the sale of property, the difference between the amount realized and the adjusted basis is the amount of the gain or loss.

(2) The adjusted basis of the property is its cost, increased for capital charges and decreased for depreciation and for depletion.

(3) The amount realized from a sale or other disposition of property is the sum of any money received plus the fair market value of property or services received, less expenses.

CASE NOTES

ANALYSIS

Constitutionality.
In General.
Applicability.
Federal Taxes.

Constitutionality.

Amendment of 1949 providing for elimination of amount paid in federal taxes as a deduction under state gross income tax was not a violation of constitutional amendment prohibiting increase of tax rate, as elimination of deduction did not increase the rate, though amount of tax was increased for those paying federal income taxes. *Morley v. Remmel*, 215 Ark. 434, 221 S.W.2d 51 (1949).

In General.

Provision limiting deduction for federal taxes to 50% was not invalid, since the class of deductions are a matter for legis-

lative determination. *Cook v. Walters Dry Goods Co.*, 212 Ark. 485, 206 S.W.2d 742 (1947) (decision prior to 1949 amendment).

Applicability.

The 1947 amendment to this section did not apply to a fiscal year ending June 30, 1946. *Cook v. Ark. State Rice Milling Co.*, 213 Ark. 396, 210 S.W.2d 511 (1948).

Federal Taxes.

Post-war refund paid by taxpayer to federal government under § 780 of the Internal Revenue Code of 1939 (repealed) was not allowable as a deductible item of taxes in computing gross income for state income tax purposes. *Henry H. Cross Co. v. Cook*, 208 Ark. 958, 188 S.W.2d 497 (1945).

Cited: *Wiseman v. Interstate Pub. Serv. Co.*, 191 Ark. 255, 85 S.W.2d 700 (1935).

26-51-417. Deductions — Alimony or separate maintenance.

(a) Title 26 U.S.C. § 71 [repealed], in effect on January 1, 1987, is adopted for purposes of determining the amount of alimony or separate maintenance to include in the gross income of the recipient.

(b) Title 26 U.S.C. § 215 [repealed], in effect on January 1, 1987, is adopted for purposes of determining the amount of alimony or separate maintenance that can be deducted from a taxpayer's income for any income year.

History. Acts 1929, No. 118, Art. 3, § 13; Pope's Dig., § 14036; Acts 1957, No. 147, § 1; 1983, No. 379, § 4; A.S.A. 1947, § 84-2016; Acts 1987, No. 382, § 20.

26-51-427. Deductions — Net operating loss carryover — Definitions.

In addition to other deductions allowed by this chapter, there is allowed as a deduction from gross income a net operating loss carryover under the following rules:

(1)(A) The net operating loss for any taxable year may be carried over to the next-succeeding taxable year and annually thereafter for

a total period of three (3) years next succeeding the year of the net operating loss or until the net operating loss has been exhausted or absorbed by the taxable income of any succeeding year, whichever is earlier, if the net operating loss occurred in an income year beginning before January 1, 1987. The net operating loss deduction shall be carried forward in the order stated in this subdivision (1)(A).

(B) The net operating loss for any year ending on or after the passage of the Income Tax Act of 1929, § 26-51-101 et seq., and for any succeeding taxable year before January 1, 2020, may be carried over to the next-succeeding taxable year and annually thereafter for a total period of five (5) years next succeeding the year of the net operating loss or until the net operating loss has been exhausted or absorbed by the taxable income of any succeeding year, whichever is earlier, if the net operating loss occurred in an income year beginning on or after January 1, 1987, and before January 1, 2020. The net operating loss deduction shall be carried forward in the order stated in this subdivision (1)(B).

(C)(i) For net operating losses occurring in taxable years beginning on or after January 1, 2020, the net operating loss may be carried over to the next succeeding taxable year and annually thereafter for the following number of years next succeeding the tax year of the net operating loss or until the net operating loss has been exhausted or absorbed by the taxable income of a succeeding year, whichever is earlier:

(a) For net operating losses occurring in the tax year beginning January 1, 2020, a total period of eight (8) years; and

(b) For net operating losses occurring in tax years beginning on or after January 1, 2021, a total period of ten (10) years.

(ii) The net operating loss deduction shall be carried forward in the order stated in this subdivision (1)(C).

(D) As used in this section, "taxable income" or "net income" means the net income computed without benefit of the deduction for income taxes, personal exemptions, and credit for dependents. The net income of the taxable period to which the net operating loss deduction, as adjusted, is carried is the net income before the deduction of federal income taxes, personal exemption, and credit for dependents. The income taxes, exemptions, and credits described in this subdivision (1)(D) shall not be used to increase the net operating loss that may be carried to any other taxable period.

(E)(i) As used in this section, "qualified medical company" means a corporation engaged in:

(a) Research and development in the medical field; and

(b) The manufacture and distribution of medical products, including therapeutic and diagnostic products.

(ii) In the case of a qualified medical company, a net operating loss for any taxable year shall be a net operating loss carryover to each of the fifteen (15) taxable years following the taxable year of the loss.

(iii) If the qualified medical company is a Subchapter S corporation, the pass-through provisions of § 26-51-409, as in effect for the taxable year of the net operating loss, are applicable.

(iv) The net operating loss provisions stated in this subdivision (1)(E), which resulted from the operation of a qualified medical company, are effective for taxable years beginning on and after January 1, 1987;

(2) As used in this section, "net operating loss" means the excess of allowable deductions over gross income for the taxable year, subject to the following adjustments:

(A) There shall be added to gross income all nontaxable income not required by law to be reported as gross income less any expenses properly and reasonably incurred in earning nontaxable income, which expenses would otherwise be nondeductible;

(B) In the case of a taxpayer other than a corporation, deductions, not including federal income taxes, not attributable to the operation of the trade or business, are eliminated from the deductions otherwise allowable for the taxable year to the extent that they exceed gross income not derived from trade or business. Personal exemptions and credit for dependents are not a deduction for the purpose of computing a net operating loss;

(C) A net operating loss deduction shall not be allowed; and

(D) In the case of a taxpayer other than a Subchapter C corporation, as defined in 26 U.S.C. § 1361, as in effect on January 1, 1985:

(i) The amount deductible on account of losses from sales or exchanges of capital assets shall not exceed the amount includable on account of gains from sales or exchanges of capital assets; and

(ii) The deduction for long-term capital gains provided by 26 U.S.C. § 1202 [repealed], as in effect on January 1, 1985, shall not be allowed; and

(3) In the case of the acquisition of assets of one (1) corporation by another corporation, the acquiring corporation shall succeed to and take into account any net operating loss carryover apportionable to Arkansas, under the Uniform Division of Income for Tax Purposes Act, § 26-51-701 et seq., that the acquired corporation could have claimed had it not been acquired, subject to the following conditions:

(A) The net operating loss may not be carried forward to a taxable year that ends more than three (3) years after the taxable year in which the net operating loss occurred if the net operating loss occurred in an income year beginning before January 1, 1987;

(B) The net operating loss may not be carried forward to a taxable year that ends more than five (5) years after the taxable year in which the net operating loss occurred if the net operating loss occurred in an income year beginning on or after January 1, 1987, and before January 1, 2020;

(C) The net operating loss may not be carried forward to a taxable year that ends more than the number of years stated in subdivision (1)(C) of this section after the taxable year in which the net operating

loss occurred if the net operating loss occurred in an income year beginning on or after January 1, 2020; and

(D) The net operating loss may be claimed only when the ownership of both the acquired and acquiring corporations is substantially the same in that not less than eighty percent (80%) of the voting stock of each corporation is owned by the same person or, before the acquisition, the acquiring corporation owned at least eighty percent (80%) of the voting stock of the acquired corporation. The carryover losses are allowed only in those cases in which the assets of the corporation going out of existence earn sufficient profits apportionable to Arkansas under the Uniform Division of Income for Tax Purposes Act, § 26-51-701 et seq., in the post-merger period to absorb the carryover losses claimed by the surviving corporation.

Sess.), No. 32, § 2; A.S.A. 1947, § 84-2016; Acts 1987, No. 382, §§ 18, 19; 1989, No. 615, § 1; 1995, No. 586, § 4; 2019, No. 822, § 5.

A.C.R.C. Notes. Acts 2019, No. 822, § 1, provided: "Legislative findings and intent.

"(a) The General Assembly finds that:

"(1) The Arkansas Tax Reform and Relief Legislative Task Force was charged with:

"(A) Examining and identifying areas of potential tax reform within the tax laws; and

"(B) Recommending legislation to the General Assembly to:

"(i) Modernize and simplify the Arkansas tax code;

"(ii) Make Arkansas's tax laws competitive with tax laws in other states;

"(iii) Create jobs; and

"(iv) Ensure fairness to all taxpayers;

"(2) The state's income tax laws should be amended to modernize and simplify the tax code, increase Arkansas's competitiveness, create jobs, and ensure fairness to all taxpayers;

"(3) The inability to effectively collect any Arkansas sales or use tax from remote sellers who deliver tangible personal property, other property subject to Arkansas sales and use tax, or services directly into the state is seriously eroding the sales and use tax base of this state, causing revenue losses and imminent harm to the state through the loss of critical funding for state and local services;

"(4) The harm from the loss of revenue is especially serious in Arkansas because sales and use tax revenue is essential in funding state and local services;

"(5) Despite the fact that a use tax is owed on tangible personal property, certain other property, or services delivered for use in this state, many remote sellers actively market sales as tax-free or as transactions not subject to sales and use tax;

"(6) The structural advantages of remote sellers, including the absence of point-of-sale tax collection and the general growth of online retail, make clear that further erosion of this state's sales and use tax base is likely to occur in the near future;

"(7) Remote sellers that make a substantial number of deliveries into Arkansas or collect large gross revenues from Arkansas benefit extensively from this state's market, economy, and infrastructure;

"(8) In contrast with the increasing harm caused to the state by the exemption of remote sellers from sales and use tax collection duties, the costs of such collection have decreased because advanced computing and software options have made it neither difficult nor burdensome for remote sellers to collect and remit sales and use taxes associated with sales of goods and services to residents of this state;

"(9) The United States Supreme Court recently upheld the ability of states to compel out-of-state sellers with no physical presence in the state to collect state sales and use taxes; and

"(10) Any savings realized by the state through tax reforms should be dedicated

to reducing the tax burden for Arkansas taxpayers.

“(b) It is the intent of the General Assembly to:

“(1) Reform Arkansas tax laws to modernize and simplify the tax code, increase the state’s competitiveness, create jobs, and ensure fairness to all taxpayers;

“(2) Offset any revenue savings realized through tax reform with corresponding changes to reduce the tax burden for Arkansas taxpayers;

“(3) Gradually reduce the tax burden on Arkansas taxpayers in a fiscally responsible manner; and

“(4) Act on the recommendation of the Arkansas Tax Reform and Relief Legislative Task Force to repeal the throwback rule for business income when the state’s budget would allow for that change to be enacted in a fiscally responsible manner.”

Publisher’s Notes. In reference to the term “passage of the Income Tax Act of 1929”, in (1)(B), Acts 1929, No. 118, § 44, contained an emergency clause which provided that the act would take effect and be in force from and after its passage. The act

was approved and signed by the Governor on March 9, 1929.

Amendments. The 2019 amendment rewrote (1)(A) through (1)(C); inserted “described in this subdivision (1)(D)” in (1)(D); inserted “net operating” preceding “loss” in (1)(E)(iii); substituted “stated in this subdivision (1)(E)” for “set forth above” in (1)(E)(iv); deleted “For income years beginning after December 31, 1986” at the beginning of (2)(D)(i) and (ii); inserted the last two occurrences of “net operating” in (3)(A) and (B); added “and before January 1, 2020” in (3)(B); inserted (3)(C) and redesignated former (3)(C) as (3)(D); inserted “the Uniform Division of Income for Tax Purposes Act” in (3)(D); and made stylistic changes.

U.S. Code. 26 U.S.C. § 1202, as in effect on January 1, 1985, referred to in this section, was repealed by P.L. 99-514. A new 26 U.S.C. § 1202 was enacted by P.L. 103-66.

Effective Dates. Acts 2019, No. 822, § 27[a]: “Section 5 of this act is effective for tax years beginning on or after January 1, 2020.”

ANALYSIS

Corporate Acquisitions.

Dividends.

Nonbusiness Income.

Corporate Acquisitions.

Following a statutory merger of two corporations that had common stock ownership, where the business of the surviving corporation was not altered, enlarged, or materially affected by the merger, but constituted a continuation of the business enterprise on a sounder financial basis, a net operating loss carryover of the merged corporation was available to the surviving corporation as a deduction for state income tax purposes. *Bracy Dev. Co. v. Milam*, 252 Ark. 268, 478 S.W.2d 765 (1972).

Where a certificate of indebtedness had

been filed and an execution issued upon acquiring corporation’s income tax return, the return was pending on the effective date of Acts 1975, No. 676, which provided that an acquiring corporation would succeed to any net operating loss carryover that the acquired corporation could have claimed, and therefore the certificate of indebtedness was void. *Skelton v. B.C. Land Co.*, 260 Ark. 122, 539 S.W.2d 411 (1976).

Evidence was sufficient to support the chancellor’s decision that the surviving corporation had presented a prima facie case to prove that the equipment acquired by the surviving corporation in the merger had generated income in an amount sufficient to absorb the carryover net operating loss claimed by the surviving corpora-

tion. *Jones v. Carter Constr. Co.*, 266 Ark. 358, 583 S.W.2d 63 (1979).

Dividends.

For the restricted purpose of computing the net operating loss to be carried forward, parent company was required to add back to its gross income nontaxable dividend income from its subsidiary. *Kansas City S. Ry. v. Pledger*, 301 Ark. 564, 785 S.W.2d 462 (1990).

Nonbusiness Income.

Nonbusiness income items such as rents, interest, and dividends (which al-

though clearly defined as "gross income" under statute, were not required to be "reported as gross income" for purposes of taxation by state, but merely for purposes of allocation under the Uniform Division of Income for Tax Purposes Act, 26-51-701 et seq.) were properly added to gross income in calculating net operating loss under this section. *St. Louis Sw. Ry. v. Ragland*, 304 Ark. 1, 800 S.W.2d 410 (1990).

CASE NOTES

ANALYSIS

Constitutionality.
Deductions.

Constitutionality.

Even if this section would be unconstitutional because of subsection (b), the power to tax the income of an Arkansas resident derived from without the state under Acts 1929, No. 118 would not be destroyed. *Morgan v. Cook*, 211 Ark. 755, 202 S.W.2d 355 (1947).

Deductions.

This section was concerned with income and not deductions, and therefore, person

drilling for oil in another state was entitled to claim as deductions the amount expended in drilling a "dry hole." *Morley v. Pitts*, 217 Ark. 755, 233 S.W.2d 539 (1950) (decision prior to 1953 amendment).

Losses paid under contract to nonresidents for oil operations in another state were deductible from taxable income in conformance with holdings prior to statutory amendment where the taxpayer was not the owner of the real estate involved. *Scurlock v. Sherman*, 224 Ark. 750, 276 S.W.2d 52 (1955).

(i) A regular full-time basis; or

(ii) A part-time basis if the person is customarily performing such duties at least twenty (20) hours per week for at least six (6) months during the taxable year.

(c)(1) The credit shall be a portion of the state individual or corporate income tax paid by the taxpayer but not in excess of fifty percent (50%) of the tax. The portion shall be an amount determined by multiplying the number of new employees, as defined in subdivision (b)(2) of this section, by one hundred dollars (\$100) per eligible new employee per taxable year.

(2) The amount of the credit allowed under subdivision (c)(1) of this section for the taxable year shall be an amount equal to the sum of:

(3) If the sum of the amount of the credits under subdivisions (c)(2)(A) and (B) of this section for the taxable year exceeds the limitation imposed by subdivision (c)(1) of this section, the excess shall be treated as a carryover credit and may be carried over for a maximum of three (3) consecutive years following the taxable year in which the credit originated.

(d)(1) In the case of a proprietorship or partnership, the amount of the credit determined under this section for any taxable year shall be apportioned to each proprietor or partner in proportion to the amount of income from the manufacturing entity which the proprietor or partner is required to include in his or her gross income.

(2) In the case of a Subchapter S corporation, as allowed by § 26-51-409, the amount of the credit determined under this section for any

taxable year shall be apportioned pro rata among the persons who are shareholders of the corporation on the last day of the taxable year.

(3) No credit shall be allowed under this section to any organization which is exempt from state income tax.

(4) In the case of an estate or trust:

(A) The amount of the credit determined under this section for any taxable year shall be apportioned between the estate or trust and the beneficiaries on the basis of the income of the estate or trust allocable to each; and

(e)(1) The Revenue Division of the Department of Finance and Administration shall promulgate such rules as may be deemed necessary to carry out the purposes of this section.

(2) The Revenue Division of the Department of Finance and Administration shall consult with the Division of Workforce Services and the Arkansas Economic Development Council during the promulgation of the rules.

The 2019 amendment by No. 910, in (e)(2), substituted “Revenue Division of the Department of Finance and Administration” for “division” and “Division of Workforce Services” for “Department of Workforce Services”.

(vi) Beginning July 1, 2016, by July 15 of each year, the public retirement system with possession and control of the tax credits under this subdivision (c)(2)(B) shall provide notice to the department of the amount of tax credits, including tax credits pending certification by the Division of Environmental Quality, subject to the limitations in subdivision (c)(2)(B)(iii) of this section, to be sold or transferred for value.

(vii) The State of Arkansas shall pay the purchase price equal to eighty percent (80%) of the face value of all of the tax credits included in the notice required in subdivision (c)(2)(B)(vi) of this section on or before June 30 of the year following the year in which the notice was provided for all tax credits certified by the Division of Environmental Quality by June 30 of the year following the year in which the notice

was provided by warrant from the Economic Development Incentive Fund funded by a transfer from general revenue.

(viii)(a) Tax credits under this section sold or transferred for value to the State of Arkansas are extinguished upon payment of the purchase price as if claimed against the tax imposed by the Income Tax Act of 1929, § 26-51-101 et seq.

(b)(1) In the event the State of Arkansas fails to timely pay the purchase price, as required in subdivision (c)(2)(B)(vii) of this section, for the tax credits included in the notice required in subdivision (c)(2)(B)(vi) of this section, the public retirement system may, before the end of the taxable year following the taxable year in which a failure to pay occurs, sell or transfer for value such tax credits to one (1) or more persons. Such person or persons may claim such tax credits in accordance with applicable law, provided however, any tax credits sold or transferred for value to such person or persons under this subdivision (c)(2)(B)(viii)(b) shall not expire before the later of the end of:

(A) The carry forward period for such tax credits under applicable law; or

(B) The third taxable year following the year in which such tax credits were sold or transferred for value pursuant to this section.

(2) The sale or transfer of tax credits under this subdivision (c)(2)(B)(viii)(b) shall be confirmed in writing by a legal opinion issued by the department under the department's promulgated rules.

(3)(A) Up to eleven million dollars (\$11,000,000) of credit against tax or an amount equal to the tax imposed by the Income Tax Act of 1929, § 26-51-101 et seq., whichever is less, issued to the taxpayer making the purchases of waste reduction, reuse, or recycling equipment under subdivision (c)(1) of this section may be claimed each tax year if the tax credits are allowed with respect to a qualified expansion project:

(i) Of a taxpayer that at the time of the agreement described in subdivision (b)(10)(D) of this section is a proprietorship, partnership, limited liability company, or other business organization treated as a proprietorship or partnership for tax purposes; and

(ii) That, as of the end of the taxable year in which such tax credits are first allowed, does not have a public retirement system of the State of Arkansas as a proprietor, partner, member, or shareholder.

(B) Up to the following amounts of credit against tax or an amount equal to the tax imposed by the Income Tax Act of 1929, § 26-51-101 et seq., whichever is less, issued to the taxpayer making the purchases of waste reduction, reuse, or recycling equipment under subdivision (c)(1) of this section may be claimed each tax year if the tax credits are allowed with respect to a qualified steel specialty products manufacturing facility that is owned by a taxpayer that, at the time of the agreement described in subdivision (b)(11)(E) of this section is a proprietorship, partnership, limited liability company, or other business organization treated as a proprietorship or partner-

ship for tax purposes, and that, as of the end of the taxable year in which such tax credits are first allowed, does not have a public retirement system of the State of Arkansas as a proprietor, partner, member, or shareholder:

(i) For a total investment in the qualified steel specialty products manufacturing facility of at least two hundred million dollars (\$200,000,000) but less than two hundred seventy-five million dollars (\$275,000,000), four million dollars (\$4,000,000);

(C) Any unused tax credit that cannot be claimed in a tax year by operation of subdivision (c)(3)(A) or subdivision (c)(3)(B) of this section may be carried forward as allowed by law. If a tax credit amount disallowed by operation of subdivision (c)(3)(A) or subdivision (c)(3)(B) of this section would otherwise expire, the carry-forward period for such unused tax credit shall instead be extended each year, for one (1) additional year at a time, to preserve the ability of the taxpayer to apply the unused tax credit to future tax liability.

(D)(i) If tax credits are allowed under this section with respect to a qualified expansion project or a qualified steel specialty products manufacturing facility of a taxpayer that, at the time of the agreement described in subdivision (b)(10)(D) of this section for a qualified expansion project or subdivision (b)(11)(E) of this section for a qualified specialty steel products manufacturing facility, is a proprietorship, partnership, limited liability company, or other business organization treated as a proprietorship or partnership for tax purposes, and any portion of the tax credits under this section would be apportioned to a public retirement system of the State of Arkansas as a proprietor, partner, member, or shareholder of the taxpayer, the public retirement system shall have the possession and control of all tax credits, including any such tax credits otherwise apportioned to the other proprietors, partners, members, shareholders, or beneficiaries allowed under this section.

(ii) The possession and control of the tax credits by the public retirement system under this subdivision (c)(3)(D) shall be confirmed in writing by a legal opinion issued by the department under the rules promulgated by the department.

(iii)(a) The public retirement system shall sell or transfer for value the tax credits allowed under this section to the State of Arkansas for eighty percent (80%) of the face value, in lieu of the right of a proprietor, partner, member, shareholder, or beneficiary of the qualified expansion project or the qualified steel specialty products manu-

facturing facility to claim the tax credits as allowed pursuant to applicable state law.

(b) Subject to the total recycling tax credit certification for a qualified expansion project, the maximum amount of tax credits allowed under the agreement between the taxpayer and the state, and the annual transfer by the Arkansas Economic Development Commission as agreed by the state and the taxpayer, no more than eleven million dollars (\$11,000,000) of the tax credits in possession and control of the public retirement system with respect to a qualified expansion project under subdivision (c)(3)(D)(i) of this section may be sold or transferred each year.

(c) No more than the following amounts of the tax credits in possession and control of the public retirement system with respect to a qualified expansion project pursuant to subdivision (c)(3)(D)(i) of this section may be sold or transferred each year:

If a tax credit amount disallowed by operation of subdivision (c)(3)(D)(iii) of this section would otherwise expire, the carry-forward period for such unused tax credit shall instead be extended each year, for one (1) additional year at a time, to preserve the ability of the public retirement system to sell or transfer all unused tax credits in future years.

(v) Beginning July 1, 2020, by July 15 of each year, the public retirement system with possession and control of the tax credits under this subdivision (c)(3)(D) shall provide notice to the department of the amount of tax credits, including tax credits expected to receive certification during the fiscal year by the Division of Environmental Quality, subject to the limitations in subdivision (c)(3)(D)(iii) of this section, to be sold or transferred for value.

(vi) The State of Arkansas shall pay the purchase price equal to eighty percent (80%) of the face value of all of the tax credits included in the notice required in subdivision (c)(3)(D)(v) of this section on or before June 30 of the calendar year following the calendar year in which the notice was provided for all tax credits certified by the Division of Environmental Quality by June 30 of the calendar year

following the calendar year in which the notice was provided by warrant from the Economic Development Incentive Fund funded by a transfer from general revenue.

(vii)(a) Tax credits under this section sold or transferred for value to the State of Arkansas are extinguished upon payment of the purchase price as if claimed against the tax imposed by the Income Tax Act of 1929, § 26-51-101 et seq.

(b)(1) In the event the State of Arkansas fails to timely pay the purchase price, as required in subdivision (c)(3)(D)(vi) of this section, for the tax credits included in the notice required in subdivision (c)(3)(D)(v) of this section, the public retirement system may, before the end of the taxable year following the taxable year in which a failure to pay occurs, sell or transfer for value such tax credits to one (1) or more persons. Such person or persons may claim such tax credits in accordance with applicable law, provided however, any tax credits sold or transferred for value to such person or persons under this subdivision (c)(3)(D)(vii)(b) shall not expire before the later of the end of:

(A) The carry-forward period for such tax credits under applicable law; or

(B) The third taxable year following the year in which such tax credits were sold or transferred for value pursuant to this section.

(2) The sale or transfer of tax credits under this subdivision (c)(3)(D)(vii)(b) shall be confirmed in writing by a legal opinion issued by the department under the rules promulgated by the department.

(E) An expansion project or a manufacturing facility that does not meet the requirements to be a qualified expansion project or a qualified steel specialty products manufacturing facility is not subject to this subdivision (c)(3) and is eligible to receive the tax credits otherwise provided in this section and § 26-51-1215.

(F)(i)(a) A tax credit under this subdivision (c)(3) shall not be authorized without:

(1) A cost-benefit analysis, including an analysis of any other incentives offered by the State of Arkansas with request to the project subject to the tax credit, as certified by the Director of the Arkansas Economic Development Commission in consultation with the Chief Fiscal Officer of the State; and

(2) The performance and claw back agreement required under subdivision (c)(3)(F)(ii) of this section.

(b) The total amount of tax credits that may be authorized under this subdivision (c)(3) shall not exceed the amount determined by the cost-benefit analysis required under this section.

(2)(A) The performance and claw back agreement required under this subdivision (c)(3)(F)(ii) shall be subject to the approval of the Chief Fiscal Officer of the State to ensure that the cost-benefit

(B) However, the test period described in this subdivision (c)(3)(F)(ii) shall not be longer than fifteen (15) years.

(b) The performance and claw back agreement required under this subdivision (c)(3)(F)(ii) shall include without limitation the:

(1) Capital investment for the project;

(2) New full-time direct positions and independent direct positions as those terms are defined in Acts 2013, No. 1084, § 8, created by the project;

(3) Annual salary requirements for the new full-time direct positions and independent direct positions as those terms are defined in Acts 2013, No. 1084, § 8, created by the project;

(4) Timeline for fulfilling the investment of job creation targets stated in the performance and claw back agreement; and

(5) Conditions for the claw back provisions, which shall be triggered if, during the test period stated in this subdivision (c)(3)(F)(ii), the taxpayer:

(A) Does not meet the required targets of the project related to capital investment, job creation, timeline, or annual salary amounts; or

(B) Fails to maintain a positive cost-benefit analysis.

(d) To claim the benefits of this section, a taxpayer must obtain a certification from the Director of the Division of Environmental Quality certifying to the Revenue Division of the Department of Finance and Administration that:

(1) The taxpayer is engaged in the business of reducing, reusing, or recycling solid waste material for commercial purposes, whether or not for profit;

(2) The machinery or equipment purchased is waste reduction, reuse, or recycling equipment;

(3) The machinery or equipment is being used in the collection, separation, processing, modification, conversion, treatment, or manufacturing of products containing at least fifty percent (50%) recovered materials, provided that at least ten percent (10%) of the recovered materials shall be post-consumer waste; and

(4) The taxpayer has filed a statement with the director acknowledging that the taxpayer will make a good faith effort to utilize post-consumer waste generated in Arkansas as at least ten percent (10%) of the post-consumer waste being used in the equipment, to the extent available at a competitive price.

(e)(1) The amount of the credit allowed under subsection (c) of this section shall be equal to thirty percent (30%) of the cost of waste reduction, reuse, or recycling equipment, including the cost of installation.

(2) The cost of installation shall not include the cost of:

(B) The cost of replacement of existing waste reduction, reuse, or recycling equipment shall not be included in determining the amount of the credit unless the replacement provides greater capacity for recycling or provides the capability to collect, separate, process, modify, convert, treat, or manufacture additional or a different type of solid waste.

(4) The cost of service contracts, sales tax, maintenance, and repairs shall not be included in determining the amount of the credit.

(f)(1) The taxpayer shall refund the amount of the tax credit determined by subdivision (f)(2) of this section if, within three (3) years of the taxable year for which a credit is allowed:

(A) The waste reduction, reuse, or recycling equipment is removed from Arkansas, is disposed of, is transferred to another person, or the taxpayer otherwise ceases to use the required materials or operate in the manner required by this section; or

(B) The director finds that the taxpayer has demonstrated a pattern of intentional failure to comply with final administrative or judicial orders which clearly indicates a disregard for environmental regulation or a pattern of prohibited conduct which could reasonably be expected to result in adverse environmental impact.

(4) Any taxpayer who is required to refund part of a credit pursuant to this subsection shall no longer be eligible to carry forward any amount of that credit which had not been used as of the date such refund is required.

(5) This subsection shall apply to all credits which are certified as a result of applications for certification filed with the Division of Environmental Quality on or after July 1, 1993.

(g)(1) Waste reduction, reuse, or recycling equipment shall only be eligible for one (1) tax credit.

(2) The sale or transfer of waste reduction, reuse, or recycling equipment shall not recreate the eligibility for a tax credit.

(h)(1) In the case of a proprietorship or partnership engaged in the business of waste reduction, reuse, or recycling of solid waste, the amount of the credit determined under this section for any taxable year shall be apportioned to each proprietor or partner in proportion to the amount of income from the entity which the proprietor or partner is required to include as gross income.

(2) In the case of a Subchapter S corporation, as allowed by § 26-51-409, the amount of the credit determined under this section for any taxable year shall be apportioned among the persons who are shareholders of the corporation on the last day of the taxable year based on each person's percentage of ownership.

(3) In the case of an estate or trust:

(A) The amount of the credit determined under this section for any taxable year shall be apportioned between the estate or trust and the beneficiaries on the basis of the income of the estate or trust allocable to each; and

(i)(1) The amount of the credit that may be used by a taxpayer for a taxable year may not exceed the amount of state, individual, or corporate income tax otherwise due.

(2) Any unused credit may be carried over for a maximum of three (3) consecutive years following the taxable year in which the credit originated.

(j) A taxpayer who receives a credit under this section shall not be entitled to claim any other state or local tax credit or deduction based on the purchase of the machinery or equipment, except for the deduction for normal depreciation.

(k)(1)(A) The Division of Environmental Quality and the Revenue Division of the Department of Finance and Administration shall promulgate rules as are necessary to administer this section.

(B) These rules may include, but are not limited to, the establishment of technical specifications and of requirements for information and documentation for taxpayers seeking a credit under this section and shall encourage, but not require, the use of Arkansas contractors and post-consumer waste generated in Arkansas in recycling projects which qualify for credits provided by this section.

(2) In order to determine eligibility for the credit or to ensure that the machinery or equipment is being utilized in the required manner, each agency shall have the right to inspect facilities and records of a taxpayer requesting or receiving a credit under this section.

(l) Any person or legal entity aggrieved by a decision of the director under subsection (d) of this section or subdivision (f)(1)(B) of this section may appeal to the Arkansas Pollution Control and Ecology Commission through administrative procedures adopted by the Arkansas Pollution Control and Ecology Commission and to the courts in the manner provided in §§ 8-4-222 — 8-4-229.

CASE NOTES

Purpose.

The Uniform Division of Income for Tax Purposes Act is merely a procedural vehicle by which the states can resolve conflicts among themselves and aggrieved taxpayers. *Land O'Frost, Inc. v. Pledger*, 308 Ark. 208, 823 S.W.2d 887 (1992).

The Uniform Division of Income for Tax Purposes Act governs the manner in which Arkansas may impose income and franchise taxes on the earnings of multi-state and multinational corporations do-

ing business in the state, and is designed to fairly apportion among the states in which a corporation does business the fair amount of regular business income earned by the corporation's activities in each state. *Pledger v. Getty Oil Exploration Co.*, 309 Ark. 257, 831 S.W.2d 121 (1992).

CASE NOTES

ANALYSIS

Business Income.

—In General.

—Unitary Business Principle.

Commercial Domicile.

Business Income.

—In General.

The focus of subsection (a) is the nature of the taxpayer's business, and business income arising from either of two sources: (1) transactions and activity in the regular

course of the taxpayer's business, or (2) income from the acquisition, management, and disposition of property that constitutes integral parts of the taxpayer's regular business. *Pledger v. Getty Oil Exploration Co.*, 309 Ark. 257, 831 S.W.2d 121 (1992).

—Unitary Business Principle.

Under the "unitary business" rationale, the general test for determining whether a diversified group of businesses had a unitary business relationship was to determine whether the income that the state was attempting to tax resulted from functional integration, centralization of management, and economies of scale utilized by the corporate group. *Pledger v. Illinois Tool Works, Inc.*, 306 Ark. 134, 812 S.W.2d 101, cert. denied, *Pledger v. Illinois Tool Works*, 502 U.S. 958, 112 S. Ct. 418, 125 L. Ed. 2d 721 (1991).

Applying the unitary business principle, the plaintiff's capital gains income from the sale of stock interest in three other companies was nonbusiness income for Arkansas's Uniform Division of Income for Tax Purposes Act purposes; for at no time did the plaintiff hold the majority of

the stock in these companies, and did not have a controlling interest or part. *Pledger v. Illinois Tool Works, Inc.*, 306 Ark. 134, 812 S.W.2d 101, cert. denied, *Pledger v. Illinois Tool Works*, 502 U.S. 958, 112 S. Ct. 418, 125 L. Ed. 2d 721 (1991).

Plaintiff's capital gains which were not an integral part of its regular manufacturing and leasing businesses did not fit the unitary business principle test. *Pledger v. Illinois Tool Works, Inc.*, 306 Ark. 134, 812 S.W.2d 101, cert. denied, *Pledger v. Illinois Tool Works*, 502 U.S. 958, 112 S. Ct. 418, 125 L. Ed. 2d 721 (1991).

Commercial Domicile.

Taxpayers were not entitled to a "commercial domicile" for income tax purposes, since there was no evidence that they paid any income tax in the state of Texas, their place of business, or that Texas even had an income tax law. *Shinn v. Heath*, 259 Ark. 577, 535 S.W.2d 57 (1976).

Cited: *Cheney v. St. Louis Sw. Ry.*, 239 Ark. 870, 394 S.W.2d 731 (1965); *Collins v. Skelton*, 256 Ark. 955, 512 S.W.2d 542 (1974); *Land O'Frost, Inc. v. Pledger*, 308 Ark. 208, 823 S.W.2d 887 (1992).

26-51-702. Apportionment of net income authorized.

Any taxpayer having income from business activity which is taxable both within and without this state, other than activity as a public utility or the rendering of purely personal services by an individual, shall allocate and apportion his net income as provided in this Act.

History. Acts 1961, No. 413, § 2; A.S.A. 1947, § 84-2056; Acts 1989, No. 494, § 1.

A.C.R.C. Notes. The 1989 amendment to this section deleting the term "financial organization" was a deviation from the official version of the Uniform Division of

Income for Tax Purposes Act drafted by the National Conference of Commissioners on Uniform State Laws.

Meaning of "this Act". Acts 1961, No. 413, codified as 26-51-701 et seq.

CASE NOTES

Provisions Not Applicable.

Income received by an Arkansas resident partner from a Texas partnership that did not conduct business in Arkansas was not exempted by this section from Arkansas income tax. *Collins v. Skelton*, 256 Ark. 955, 512 S.W.2d 542 (1974).

Taxpayers were not entitled to a "commercial domicile" for income tax purposes under this subchapter applying to income from business activity that is taxable both within and without the state, since there was no evidence that they paid any income tax in the state of Texas, their place

of business, or that Texas even had an income tax law. *Shinn v. Heath*, 259 Ark. 577, 535 S.W.2d 57 (1976).

Under the unitary business principle, the taxpayer must show that income was earned in a course of activities, unrelated to the sale of its products in that state, for it not to be subject to apportioned tax.

Pledger v. Illinois Tool Works, Inc., 306 Ark. 134, 812 S.W.2d 101, cert. denied, *Pledger v. Illinois Tool Works*, 502 U.S. 958, 112 S. Ct. 418, 125 L. Ed. 2d 721 (1991).

26-51-703. Taxpayer taxable in another state.

For purposes of allocation and apportionment of income under this Act, a taxpayer is taxable in another state if (1) in that state the taxpayer is subject to a net income tax, a franchise tax measured by net income, or any other tax measured by income or other measure of business activity in the state and the taxpayer files the requisite tax return in the other state, or (2) the state has no net income tax, franchise tax measured by net income, or any other tax measured by income or other measure of business activity in the state as provided in subdivision (1) of this section and the taxpayer has activities in the other state that exceed those protected by 15 U.S.C. §§ 381 — 384.

History. Acts 1961, No. 413, § 3; A.S.A. 1947, § 84-2057; Acts 2001, No. 1228, § 1; 2003, No. 1183, § 1.

A.C.R.C. Notes. The 2001 and 2003 amendments rewriting this section were deviations from the official version of the

Uniform Division of Income for Tax Purposes Act drafted by the National Conference of Commissioners on Uniform State Laws.

Meaning of "this Act". Acts 1961, No. 413, codified as 26-51-701 et seq.

26-51-705. Rents and royalties — Extent of utilization of tangible personal property.

(a) Net rents and royalties from real property located in this state are allocable to this state.

(b) Net rents and royalties from tangible personal property are allocable to this state:

(1) if and to the extent that the property is utilized in this state, or

(2) in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

(c) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

26-51-709. Business income. [Effective January 1, 2021.]

For the tax year beginning January 1, 2021, all business income shall be apportioned to this state by multiplying the income by a fraction, the numerator of which is the total sales of the taxpayer in this state during the tax period and the denominator of which is the total sales of the taxpayer everywhere during the tax period.

History. Acts 1961, No. 413, § 9; A.S.A. 1947, § 84-2063; Acts 1995, No. 682, § 2; 2019, No. 822, § 7.

Acts 2019, No. 822, § 1, provided: “Legislative findings and intent.

“(a) The General Assembly finds that:

“(1) The Arkansas Tax Reform and Relief Legislative Task Force was charged with:

“(A) Examining and identifying areas of potential tax reform within the tax laws; and

“(B) Recommending legislation to the General Assembly to:

“(i) Modernize and simplify the Arkansas tax code;

“(ii) Make Arkansas’s tax laws competitive with tax laws in other states;

“(iii) Create jobs; and

“(iv) Ensure fairness to all taxpayers;

“(2) The state’s income tax laws should be amended to modernize and simplify the tax code, increase Arkansas’s competitiveness, create jobs, and ensure fairness to all taxpayers;

“(3) The inability to effectively collect any Arkansas sales or use tax from remote sellers who deliver tangible personal property, other property subject to Arkansas sales and use tax, or services directly into the state is seriously eroding the sales and use tax base of this state, causing revenue losses and imminent harm to the state through the loss of critical funding for state and local services;

“(4) The harm from the loss of revenue is especially serious in Arkansas because sales and use tax revenue is essential in funding state and local services;

“(5) Despite the fact that a use tax is owed on tangible personal property, certain other property, or services delivered for use in this state, many remote sellers actively market sales as tax-free or as transactions not subject to sales and use tax;

“(6) The structural advantages of remote sellers, including the absence of point-of-sale tax collection and the general growth of online retail, make clear that further erosion of this state’s sales and use tax base is likely to occur in the near future;

“(7) Remote sellers that make a substantial number of deliveries into Arkansas or collect large gross revenues from Arkansas benefit extensively from this state’s market, economy, and infrastructure;

“(8) In contrast with the increasing harm caused to the state by the exemption of remote sellers from sales and use tax collection duties, the costs of such collection have decreased because advanced computing and software options have made it neither difficult nor burdensome for remote sellers to collect and remit sales and use taxes associated with sales of goods and services to residents of this state;

“(9) The United States Supreme Court recently upheld the ability of states to compel out-of-state sellers with no physical presence in the state to collect state sales and use taxes; and

“(10) Any savings realized by the state through tax reforms should be dedicated to reducing the tax burden for Arkansas taxpayers.

“(b) It is the intent of the General Assembly to:

“(1) Reform Arkansas tax laws to modernize and simplify the tax code, increase the state’s competitiveness, create jobs, and ensure fairness to all taxpayers;

“(2) Offset any revenue savings realized through tax reform with corresponding changes to reduce the tax burden for Arkansas taxpayers;

“(3) Gradually reduce the tax burden on Arkansas taxpayers in a fiscally responsible manner; and

CASE NOTES

Substantial Evidence.

Where the president of the surviving corporation had testified that the acquired equipment was used in the daily operations of the surviving corporation; that it would be impractical, if not impossible, to maintain records of which piece of equipment worked on which jobs; and that it would be impossible to determine the amount of income each individual piece of equipment had earned, and where the corporation's accountant testified that he had used the only acceptable method available to him to determine the pro rata

share of income earned by the acquired equipment; that the use of the original cost of property rather than the book value was required by the Arkansas Statutes in the division and apportionment of income earned by multistate corporations; and that the information necessary to use one of the other methods to arrive at a pro rata share was not available to the accountant, substantial evidence supported the chancellor's decision that the surviving corporation had presented a prima facie case to prove that the equipment acquired by the surviving corporation in

the merger had generated income of \$151,500.54, an amount sufficient to absorb the carryover net operating loss of \$95,182.80 claimed by the surviving cor-

poration. *Jones v. Carter Constr. Co.*, 266 Ark. 358, 583 S.W.2d 63 (1979).

Income.

Corporation operating water and light plant in state and receiving income from stock owned by it in corporations operated

in another state is liable for the tax on both sources of income. *Wiseman v. Interstate Pub. Serv. Co.*, 191 Ark. 255, 85 S.W.2d 700 (1935).

26-51-805. Consolidated corporate returns.

(a)(1) All corporations which are eligible members of an affiliated group as that term is defined in 26 U.S.C. § 1504(a) and (b) as of January 1, 1989, which affiliated group files a federal consolidated corporate income tax return pursuant to 26 U.S.C. §§ 1501 — 1505 as of January 1, 1989, may elect to file a consolidated Arkansas corporate income tax return.

(2) However, only corporations in the affiliated group that have gross income from sources within the State of Arkansas that is subject to taxation under the provisions of the Income Tax Act of 1929, § 26-51-101 et seq., shall be eligible to file consolidated corporate income tax returns in Arkansas.

(b)(1) All corporations in the affiliated group which are eligible to file an Arkansas consolidated income tax return must consent to, and join in, the filing of the consolidated return prior to the last day for filing the return, as may be extended.

(2) The making of the consolidated income tax return shall be deemed as consent of each eligible corporation in the affiliated group.

(c) When filing an Arkansas consolidated corporate income tax return, a complete copy of the federal consolidated corporate income tax return filed with the Internal Revenue Service for that taxable year must be attached to the Arkansas return.

(d)(1) The election to file an Arkansas consolidated corporate income tax return for any income year shall require the filing of consolidated corporate income tax returns for all subsequent income years so long as the individual corporations remain members of the affiliated group unless the Secretary of the Department of Finance and Administration consents to the filing of separate returns by any members of the affiliated group.

(2) However, in the event that the General Assembly amends or supplements the Income Tax Act of 1929, § 26-51-101 et seq., in a manner which would substantially alter the method of allocating or apportioning net income or loss subject to the Income Tax Act of 1929, § 26-51-101 et seq., or in computing the tax due from the affiliated group, then the affiliated group may revoke the election to file an Arkansas consolidated corporate income tax return effective for the income year to which any such change to the Income Tax Act of 1929, § 26-51-101 et seq., is effective.

(e) In any case of two (2) or more corporations, whether or not affiliated, owned, or controlled directly or indirectly by the same interests, the secretary may distribute, apportion, or allocate gross

income, deductions, credits, or allowances between or among such corporations if he or she determines that the distribution, apportionment, or allocation is necessary in order to prevent evasion of taxes or clearly to reflect the income to any such corporation. This subsection is based upon the concept of 26 U.S.C. § 482 as of January 1, 1989, as that section applies to corporations.

(f) In computing Arkansas consolidated taxable income or loss to which the tax rate is applied, the separate net income or loss of each corporation which is entitled to be included in the affiliated group shall be included in the consolidated net income or loss to the extent that its net income or loss is separately apportioned or allocated to the State of Arkansas in accordance with the provisions of the Uniform Division of Income for Tax Purposes Act, § 26-51-701 et seq.

(g) This section is specifically designed to clarify the filing of consolidated corporate income tax returns with the Revenue Division of the Department of Finance and Administration and is to amend the Income Tax Act of 1929, § 26-51-101 et seq. This section is based upon the concept of filing federal consolidated income tax returns.

ANALYSIS

Construction.
Charitable Contributions.

Construction.

This section does not mandate the filing of a combined return or the filing of any specific type of return. *Leathers v. Jacuzzi, Inc.*, 326 Ark. 857, 935 S.W.2d 252 (1996).

Charitable Contributions.

The legislative intent is to follow the federal concept of allowing deductions for charitable contributions to be taken at the consolidated-entity level; this section does not require that charitable contributions be deducted at the individual level by the separate corporations before a consolidated tax return is filed. *Central & S. Cos. v. Weiss*, 339 Ark. 76, 3 S.W.3d 294 (1999).

Emergency clause provided: “It is hereby found and determined by the General Assembly that the establishment of the State income tax withholding system provided for in this Act necessitates a great deal of advance planning and preparation by the Commissioner and the Department of Revenues; that it is essential to the proper initiation and administration of the withholding system provided for herein that the Commissioner of Revenues promulgate rules and regulations, prescribe forms and procure the printing of the same, and take bids upon and purchase equipment and supplies necessary therefor; and that it is necessary that this Act take effect immediately in order that the Commissioner and the Department of Revenues may commence such planning and preparation and may take bids upon and negotiate the purchase of the equipment and supplies necessary to

effectively initiate said withholding system on January 1, 1966. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health, and safety, shall be in effect from the date of its passage and approval.” Approved March 1, 1965.

Acts 1965 (1st Ex. Sess.), No. 5, § 12: June 3, 1965. Emergency clause provided: “It is hereby provided that the provisions of this Act shall take effect with the beginning of the fiscal year on July 1, 1965; provided, however, that because of the necessity of making certain provisions of this Act effective immediately, particularly with respect to the funds provided for construction, new improvements and educational purposes, and only the provisions of this Act will make these benefits possible; now, therefore, it has been found and is hereby declared by the General Assembly of the State of Arkansas that it is imperative that this Act become effective immediately. Emergency clause provided: "It is hereby found and determined by the General Assembly that the State Income Tax Withholding Law included a provision authorizing farmers to file a declaration and pay the estimated tax on or before the 15th day of the second month after close of income year, but did not include a provision comparable to the Federal law authorizing farmers to file a return and pay the tax one month later than the final date for filing the declaration, in lieu of filing a declaration and paying the estimated tax, and, that the failure to include such provision in the Arkansas Income Tax Withholding Law has resulted in an undue burden on the farmers of this State which should be relieved immediately, and that this Act is designed to relieve this burden. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in effect from the date of its passage and approval."

Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in effect from the date of its passage and approval."

Acts 1967, No. 105, § 3 Feb. 17, 1967. Emergency clause provided: "There is a possibility that the 66th General Assembly will be extended, in which event considerable confusion could evolve concerning the effective date of legislation which does not contain an emergency clause.

Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety, shall be in full force and effect from and after its passage and approval."

ANALYSIS

Agricultural Labor.
Wages.

Agricultural Labor.

If a nursery and a garden center did nothing more than raise the horticultural products, they would be exempt from withholding income taxes on wages because such wages would be for “agricultural labor,” but exemption of wages paid for “agricultural labor” is not applicable to wages paid for landscaping. *Ragland v. Pittman Garden Ctr.*, 293 Ark. 533, 739 S.W.2d 671 (1987). But see *Ragland v. Pittman Garden Ctr., Inc.*, 299 Ark. 293, 772 S.W.2d 331 (1989).

Agricultural labor exemption applies only if the employee in question performs services that constitute valid agricultural labor for at least one-half (½) of any pay period (a period of not more than 31 consecutive days). *Ragland v. Pittman Garden Ctr., Inc.*, 299 Ark. 293, 772 S.W.2d 331 (1989).

In calculating time devoted to agricultural and nonagricultural labor, nonagricultural labor commenced not when the employees arrived at the landscaping site,

but when they left the nursery to engage in nonagricultural activity. *Ragland v. Pittman Garden Ctr., Inc.*, 299 Ark. 293, 772 S.W.2d 331 (1989).

Nursery company workers were not involved in agriculture but in landscaping where 75 percent of the time they actually installed the plants they delivered into the ground, therefore, the employees were not exempt from state income tax. *Ragland v. Pittman Garden Ctr., Inc.*, 307 Ark. 374, 820 S.W.2d 450 (1991).

Wages.

Awards of backpay and front pay (in lieu of reinstatement) to a wrongfully discharged employee did not constitute wages, and the withholding requirements in federal and state income tax law were not applicable because (1) the key factor in determining whether an award constituted wages was the nature of the employer-employee relationship at the time the compensation was being paid for; and (2) during the time period for which these awards were meant to compensate, the employee was not an employee of the employer. Thus, the employer was not required or authorized to withhold the taxes. Ark. Dep’t of Health & Human

Servs. v. Storey, 372 Ark. 23, 269 S.W.3d 803 (2007).

26-51-903. Subchapter supplemental.

The provisions of this subchapter are declared to be supplemental to the provisions of the Income Tax Act of 1929, § 26-51-101 et seq., and shall not be construed to repeal any part thereof not in direct conflict with this subchapter.

History. Acts 1965, No. 132, § 26; A.S.A. 1947, § 84-2085n.

26-51-904. Rules — Forms.

The Secretary of the Department of Finance and Administration shall make and prescribe such rules and forms as he or she shall deem necessary to carry out the purposes of this subchapter.

History. Acts 1965, No. 132, § 17; A.S.A. 1947, § 84-2080; Acts 2019, No. 315, § 2974; 2019, No. 910, § 3753.

Amendments. The 2019 amendment by No. 315 deleted “and regulations” following “rules” in the section heading; and deleted “regulations” following “rules” in the text.

The 2019 amendment by No. 910 substituted “Secretary of the Department of Finance and Administration” for “Director of the Department of Finance and Administration”.

26-51-905. Withholding of tax.

(a)(1) Every employer making payments of wages to employees shall deduct and withhold from the employees’ wages an amount determined from withholding tables promulgated by the Secretary of the Department of Finance and Administration and furnished to the employer.

(2) The full amount deducted and withheld from any employee’s wages during the income year shall be credited against the tax liability of the employee under the Income Tax Act of 1929, § 26-51-101 et seq., for that year.

(b)(1) Notwithstanding the provisions of subsection (a) of this section, every employer who withholds less than one thousand dollars (\$1,000) for a full year’s withholding shall report and remit annually on a date specified by the secretary any amounts so withheld by the employer.

(2) An employer shall be advised by the secretary of the employer’s classification and shall report as classified until such time as the employer advises the secretary in writing that the employer no longer has employees or the employer is closing the business.

(3) However, it shall be the duty of the employer to report to the secretary at the end of each income year all wages paid to any such employees on the same forms provided in this subchapter for making employer annual withholding statements in order that the secretary

may determine the tax liability, if any, of those employees during that income year.

Amendments. The 2019 amendment

substituted "Secretary of the Department of Finance and Administration" for "Director of the Department of Finance and Administration" in (a)(1); and substituted "secretary" for "director" throughout (b).

CASE NOTES

Failure to Withhold.

There was no error in failing to give employers additional credit against unpaid withholding taxes for taxes certain employees claimed they had paid where (1) the Department of Finance and Administration's records did not show that the employees had paid their taxes and (2) the employers were not entitled to any credit under § 26-51-916 because they had not shown reasonable cause for failing to withhold and remit taxes. *Morris v. Ark. Dep't of Fin. & Admin.*, 82 Ark. App. 124, 112 S.W.3d 378 (2003).

Awards of backpay and front pay (in lieu of reinstatement) to a wrongfully discharged employee did not constitute

26-51-906. Withholding state income taxes of federal employees by federal agencies.

The Secretary of the Department of Finance and Administration is authorized and directed to enter into an agreement with the United States Secretary of the Treasury with respect to withholding of income tax as provided by this subchapter and pursuant to Pub. L. No. 587 of 1952 and to Executive Order No. 10407 of November 7, 1952.

History. Acts 1965, No. 132, § 23; A.S.A. 1947, § 84-2085; Acts 2019, No. 910, § 3755.

Amendments. The 2019 amendment substituted "Secretary of the Department of Finance and Administration" for "Director of the Department of Finance and Administration"; and made stylistic changes.

U.S. Code. Public Law No. 587 of 1952 was codified at 5 U.S.C. §§ 84b and 84c. For current law, see 5 U.S.C. § 5517. It was revoked by Executive Order No. 11968 of January 31, 1977, which may be found at 42 Fed. Reg. 6787.

26-51-907. Withholding tables.

The Secretary of the Department of Finance and Administration shall prepare and furnish to employers state income tax withholding tables based on the current income tax laws of the state, taking into consideration the various deductions and personal tax credits allowed

therein. The tables shall be designed to provide for a yearly aggregate withholding that will approximate the state income tax liability of the average taxpayer with the various personal tax credits.

26-51-908. Employer's return and payment of taxes withheld — Definition.

(a)(1) Every employer required to deduct and withhold from wages under this subchapter shall file a withholding return on an annual basis as prescribed by the Secretary of the Department of Finance and Administration and annually pay over to the secretary the full amount required to be deducted and withheld from the wages of the employees if the amount is less than one thousand dollars (\$1,000) per year.

(2) Every employer required to deduct and withhold from wages under this subchapter shall file a withholding return on a monthly basis as prescribed by the secretary and pay over on a monthly basis to the secretary the full amount required to be deducted and withheld from the wages of the employees if the amount is one thousand dollars (\$1,000) or more per year.

(3) However, the secretary may provide by rule that every such employer shall on or before the fifteenth day of each month pay over to the secretary or a depository designated by the secretary the amount required to be deducted and withheld by the employer for the preceding month if the amount is one hundred dollars (\$100) or more.

(b)(1) Notwithstanding any other provision of this section, all transient employers shall make return and pay over to the secretary, on a monthly basis, the full amounts required to be deducted and withheld from the wages by the transient employer for the calendar month.

employer to file a return and pay the amounts required to be withheld at any time.

(e) Every employer who fails to withhold or pay to the secretary any sums required by this subchapter to be withheld and paid shall be personally and individually liable for the sums except as provided in § 26-51-916.

(g)(1) When an employer has become liable to an annual return of withholding, the employer must continue to file an annual report, even though no tax has been withheld, until such time as the employer notifies the secretary, in writing, that the employer no longer has employees or that the employer is no longer liable for an annual return.

(2) When an employer has become liable to a monthly return of withholding, the employer must continue to file a monthly report, even though no tax has been withheld until such time as the employer notifies the secretary, in writing, that the employer no longer has employees or that the employer is no longer liable for monthly returns.

(h)(1) For any withholding tax reporting period, a company or any other business enterprise which provides the service of reporting and remitting withholding tax on the wages paid to Arkansas employees by other employers shall remit all such withholding taxes to the secretary by electronic funds transfer, as more particularly described in § 26-19-105.

(2) However, a company or business which provides tax reporting and remitting services shall not be required to remit withholding taxes by electronic funds transfer if the company or business provides those services for fewer than one hundred (100) Arkansas employers.

(3) As used in this subsection, "Arkansas employer" means any employer required by Arkansas law to withhold, report, and remit Arkansas income tax on the wages, salary, or other compensation paid to its employees within this state.

ANALYSIS

Failure to Withhold.
Subrogation.

Failure to Withhold.

There was no error in failing to give employers additional credit against unpaid withholding taxes for taxes certain employees claimed they had paid where (1) the Arkansas Department of Finance and Administration's records did not show that the employees had paid their taxes and (2) the employers were not entitled to

any credit under § 26-51-916 because they had not shown reasonable cause for failing to withhold and remit taxes. *Morris v. Ark. Dep't of Fin. & Admin.*, 82 Ark. App. 124, 112 S.W.3d 378 (2003).

Subrogation.

Employers who failed to withhold and remit taxes were not entitled to subrogation against their employees, as only the employers, not the employees, were liable under the withholding tax statutes. *Morris v. Ark. Dep't of Fin. & Admin.*, 82 Ark. App. 124, 112 S.W.3d 378 (2003).

26-51-909. Annual withholding statement.

(i) Electronically;

(ii) On magnetic media; or

(iii) In any other machine-readable form approved by the secretary.

(3)(A) The employer shall provide two (2) copies of the statement to the employee on or before January 31 following the close of the income year.

(B) However, if the employment of the employee is terminated during the calendar year, the employer shall furnish the statement to the employee at the time of the termination of employment.

(c) The statement shall show:

(1) The name and withholding account number of the employer;

(2) The name of the employee and his or her Social Security account number;

(3) The total compensation paid the employee;

(4) The total amount withheld by the employer pursuant to this subchapter for the year or part of a calendar year when the employee worked for less than a full calendar year; and

(5) Such other information as the secretary shall require by rule.

(d) An annual withholding statement shall not be required for wages less than six hundred dollars (\$600) for services rendered as agricultural labor.

26-51-910. Refunds to employer for overpayment.

Any employer who makes an overpayment of the tax required to be remitted to the Secretary of the Department of Finance and Administration by § 26-51-908 may file application with the secretary, on a form prescribed by the secretary, to have the amount of such overpayment refunded to him or her or to have the amount credited against the payment which he or she is required to make for a subsequent quarterly period. However, the refund or credit shall be allowed only to the extent that the amount of the overpayment was not withheld under § 26-51-905 by the employer.

(a) Every taxpayer subject to the tax levied by the Income Tax Act of 1929, § 26-51-101 et seq., shall make and file with the Secretary of the Department of Finance and Administration a declaration of the estimated tax for the income year if the taxpayer can reasonably expect the estimated tax to be more than one thousand dollars (\$1,000).

(b) The declaration of estimated tax shall be made on such forms and shall include such information as the secretary shall prescribe.

(c)(1) The declaration shall be filed with the secretary on or before the fifteenth day of the fourth month of the income year of the taxpayer.

(2) However, taxpayers whose income from farming for the income year can reasonably be expected to amount to at least two-thirds ($\frac{2}{3}$) of the total gross income from all sources for the income year may file the declaration and pay the estimated tax on or before the fifteenth day of the second month after the close of the income year, or in lieu of filing any declaration, may file an income tax return and pay the tax on or before the fifteenth day of the third month after the close of the income year.

(d) A taxpayer who, due to a change of circumstances, first meets the requirements for filing a declaration after the fifteenth day of the fourth

month of the income year shall make and file the declaration on or before the next regular quarterly tax payment date.

(e)(1) A single declaration may be filed jointly by a husband and wife having the same income year.

(2) If a joint declaration is filed by a husband and wife and they do not file a joint return for the income year, the estimated tax paid under the joint declaration may be treated as the estimated tax of either the husband or wife or may be divided between them.

(f) A taxpayer may file amendments to a declaration at such times, under such rules, and in such form as the secretary shall prescribe.

Emergency clause provided: "It is hereby found and determined by the Eighty Second Arkansas General Assembly that particular counties in this State face critical water shortages due to depletion of Sparta aquifer water and that these shortages are subject to remediation only by the immediate conjunctive use of surface water and groundwater. This act would allow the most critical counties to reduce the use of ground water and substitute available surface water. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health and safety shall become effective on the date of its approval by the Governor. If the bill is neither approved nor vetoed by the Governor, it shall become effective on the expiration of the period of time during which the Governor may veto the bill. 26-51-1001. Title.

This subchapter shall be known as the "Water Resource Conservation and Development Incentives Act".

History. Acts 1995, No. 341, § 1.

26-51-1002. Legislative findings.

(a) The State of Arkansas is blessed with abundant rainfall and other surface and underground water resources which, when managed conjunctively, can provide a continuous high quality water supply to meet the foreseeable needs of the entire state.

(b) Existing water use patterns are depleting groundwater supplies at an unacceptable rate, and alternative surface water supplies are not available in sufficient quantities to alleviate this groundwater depletion problem.

(c) The tax incentives provided in this subchapter will encourage the water users to invest in:

(1) The construction of impoundments to utilize available surface water and reduce our dependence on groundwater;

(2) The conversion from groundwater use to surface water use when surface water is available; and

(3) The water conservation practice of land leveling to reduce agricultural irrigation water use.

(d) It is of utmost importance to Arkansas that, within critical groundwater areas, surface water be used when available.

History. Acts 1995, No. 341, § 2.

26-51-1003. Definitions.

(ii) Installation of such devices shall be considered a conversion from groundwater to surface water for tax credit purposes; and

§ 478 et seq.

26-51-1401. Apportionment and allocation. [Effective until January 1, 2021.]

(a) Except as otherwise specifically provided, a financial institution whose business activity is taxable both within and without this state shall allocate and apportion its net income as provided in this subchapter. All items of nonbusiness income, income which is not includable in the apportionable income tax base, shall be allocated pursuant to the provisions of §§ 26-51-704 — 26-51-708. A financial institution organized under the laws of a foreign country, the Commonwealth of Puerto Rico, or a territory or possession of the United States whose effectively connected income, as defined under the Internal Revenue Code, 26 U.S.C. § 1 et seq., as in effect January 1, 1995, is taxable both within this state and within another state, other than the state in which it is organized, shall allocate and apportion its net income as provided in this subchapter.

(b)(1) All business income, income which is includable in the apportionable income tax base, shall be apportioned to this state by multiplying such income by the apportionment percentage.

(2) The apportionment percentage is determined by adding the taxpayer's receipts factor as described in § 26-51-1403, property factor as described in § 26-51-1404, and payroll factor as described in § 26-51-1405 together and dividing the sum by three (3). If one (1) of the factors is missing, the two (2) remaining factors are added and the sum is divided by two (2). If two (2) of the factors are missing, the remaining factor is the apportionment percentage. A factor is missing if both its numerator and denominator are zero, but it is not missing merely because its numerator is zero.

(c) Each factor shall be computed according to the method of accounting, cash or accrual basis, used by the taxpayer for the taxable year.

(d) If the allocation and apportionment provisions of this subchapter do not fairly represent the extent of the taxpayer's business activity in this state, the taxpayer may petition for, or the Secretary of the Department of Finance and Administration may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

- (1) Separate accounting;
- (2) The exclusion of any one (1) or more of the factors;
- (3) The inclusion of one (1) or more additional factors which will fairly represent the taxpayer's business activity in this state; or
- (4) The employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

History. Acts 1995, No. 495, § 1; 2019, No. 910, § 3783.

Amendments. The 2019 amendment

substituted "Secretary of the Department of Finance and Administration" for "Director of the Department of Finance and Administration" in the introductory language of (d).

26-51-1401. Apportionment and allocation. [Effective January 1, 2021.]

(a) Except as otherwise specifically provided, a financial institution whose business activity is taxable both within and without this state shall allocate and apportion its net income as provided in this subchapter. All items of nonbusiness income, income that is not includable in the apportionable income tax base, shall be allocated under §§ 26-51-704 — 26-51-708. A financial institution organized under the laws of a foreign country, the Commonwealth of Puerto Rico, or a territory or possession of the United States whose effectively connected income, as defined under the Internal Revenue Code, 26 U.S.C. § 1 et seq., as in effect January 1, 1995, is taxable both within this state and within another state, other than the state in which it is organized, shall allocate and apportion its net income as provided in this subchapter.

(b) All business income, income which is includable in the apportionable income tax base, shall be apportioned to this state by multiplying such income by the taxpayer's receipts factor as described in § 26-51-1403.

(c) The taxpayer's receipts factor shall be computed according to the method of accounting, cash or accrual basis, used by the taxpayer for the taxable year.

(d) If the allocation and apportionment provisions of this subchapter do not fairly represent the extent of the taxpayer's business activity in this state, the taxpayer may petition for, or the Secretary of the Department of Finance and Administration may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

- (1) Separate accounting;

(2) The inclusion of one (1) or more additional factors which will fairly represent the taxpayer's business activity in this state; or

(3) The employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

A.C.R.C. Notes. Acts 2019, No. 822, § 1, provided: "Legislative findings and intent.

"(a) The General Assembly finds that:

"(1) The Arkansas Tax Reform and Relief Legislative Task Force was charged with:

"(A) Examining and identifying areas of potential tax reform within the tax laws; and

"(B) Recommending legislation to the General Assembly to:

"(i) Modernize and simplify the Arkansas tax code;

"(ii) Make Arkansas's tax laws competitive with tax laws in other states;

"(iii) Create jobs; and

"(iv) Ensure fairness to all taxpayers;

"(2) The state's income tax laws should be amended to modernize and simplify the tax code, increase Arkansas's competitiveness, create jobs, and ensure fairness to all taxpayers;

"(3) The inability to effectively collect any Arkansas sales or use tax from remote sellers who deliver tangible personal property, other property subject to Arkansas sales and use tax, or services directly into the state is seriously eroding the sales and use tax base of this state, causing revenue losses and imminent harm to the state through the loss of critical funding for state and local services;

"(4) The harm from the loss of revenue is especially serious in Arkansas because sales and use tax revenue is essential in funding state and local services;

"(5) Despite the fact that a use tax is owed on tangible personal property, certain other property, or services delivered for use in this state, many remote sellers actively market sales as tax-free or as transactions not subject to sales and use tax;

"(6) The structural advantages of remote sellers, including the absence of point-of-sale tax collection and the general growth of online retail, make clear that further erosion of this state's sales and

use tax base is likely to occur in the near future;

"(7) Remote sellers that make a substantial number of deliveries into Arkansas or collect large gross revenues from Arkansas benefit extensively from this state's market, economy, and infrastructure;

"(8) In contrast with the increasing harm caused to the state by the exemption of remote sellers from sales and use tax collection duties, the costs of such collection have decreased because advanced computing and software options have made it neither difficult nor burdensome for remote sellers to collect and remit sales and use taxes associated with sales of goods and services to residents of this state;

"(9) The United States Supreme Court recently upheld the ability of states to compel out-of-state sellers with no physical presence in the state to collect state sales and use taxes; and

"(10) Any savings realized by the state through tax reforms should be dedicated to reducing the tax burden for Arkansas taxpayers.

"(b) It is the intent of the General Assembly to:

"(1) Reform Arkansas tax laws to modernize and simplify the tax code, increase the state's competitiveness, create jobs, and ensure fairness to all taxpayers;

"(2) Offset any revenue savings realized through tax reform with corresponding changes to reduce the tax burden for Arkansas taxpayers;

"(3) Gradually reduce the tax burden on Arkansas taxpayers in a fiscally responsible manner; and

"(4) Act on the recommendation of the Arkansas Tax Reform and Relief Legislative Task Force to repeal the throwback rule for business income when the state's budget would allow for that change to be enacted in a fiscally responsible manner."

It shall be presumed, subject to rebuttal, that the location from which the taxpayer's trade or business is principally managed and directed is the state of the United States or the District of Columbia to which the greatest number of employees are regularly connected or out of which they are working, irrespective of where the services of such employees are performed, as of the last day of the taxable year;

The amount to be included in gross rents is the amount of amortization or depreciation allowed in computing the taxable income base for the taxable year. However, where a building is erected on leased land by or on behalf of the taxpayer, the value of the land is determined by multiplying the gross rent by eight (8) and the value of the building is determined in the same manner as if owned by the taxpayer.

History. Acts 1995, No. 495, § 1; 2019, No. 822, §§ 11, 12; 2019, No. 910, § 3784.

A.C.R.C. Notes. Acts 2019, No. 822, § 1, provided: “Legislative findings and intent.

“(a) The General Assembly finds that:

“(1) The Arkansas Tax Reform and Relief Legislative Task Force was charged with:

“(A) Examining and identifying areas of potential tax reform within the tax laws; and

“(B) Recommending legislation to the General Assembly to:

“(i) Modernize and simplify the Arkansas tax code;

“(ii) Make Arkansas’s tax laws competitive with tax laws in other states;

“(iii) Create jobs; and

“(iv) Ensure fairness to all taxpayers;

“(2) The state’s income tax laws should be amended to modernize and simplify the tax code, increase Arkansas’s competitiveness, create jobs, and ensure fairness to all taxpayers;

“(3) The inability to effectively collect any Arkansas sales or use tax from remote sellers who deliver tangible personal property, other property subject to Arkansas sales and use tax, or services directly into the state is seriously eroding the sales and use tax base of this state, causing revenue losses and imminent harm to the state through the loss of critical funding for state and local services;

“(4) The harm from the loss of revenue is especially serious in Arkansas because sales and use tax revenue is essential in funding state and local services;

“(5) Despite the fact that a use tax is owed on tangible personal property, certain other property, or services delivered for use in this state, many remote sellers actively market sales as tax-free or as transactions not subject to sales and use tax;

“(6) The structural advantages of remote sellers, including the absence of point-of-sale tax collection and the general growth of online retail, make clear that further erosion of this state’s sales and use tax base is likely to occur in the near future;

“(7) Remote sellers that make a substantial number of deliveries into Arkansas

or collect large gross revenues from Arkansas benefit extensively from this state’s market, economy, and infrastructure;

“(8) In contrast with the increasing harm caused to the state by the exemption of remote sellers from sales and use tax collection duties, the costs of such collection have decreased because advanced computing and software options have made it neither difficult nor burdensome for remote sellers to collect and remit sales and use taxes associated with sales of goods and services to residents of this state;

“(9) The United States Supreme Court recently upheld the ability of states to compel out-of-state sellers with no physical presence in the state to collect state sales and use taxes; and

“(10) Any savings realized by the state through tax reforms should be dedicated to reducing the tax burden for Arkansas taxpayers.

“(b) It is the intent of the General Assembly to:

“(1) Reform Arkansas tax laws to modernize and simplify the tax code, increase the state’s competitiveness, create jobs, and ensure fairness to all taxpayers;

“(2) Offset any revenue savings realized through tax reform with corresponding changes to reduce the tax burden for Arkansas taxpayers;

“(3) Gradually reduce the tax burden on Arkansas taxpayers in a fiscally responsible manner; and

“(4) Act on the recommendation of the Arkansas Tax Reform and Relief Legislative Task Force to repeal the throwback rule for business income when the state’s budget would allow for that change to be enacted in a fiscally responsible manner.”

(l) RECEIPTS FROM SERVICES.

(1) The numerator of the receipts factor includes receipts from services not otherwise apportioned under this section if the service is performed in this state.

(2) If the service is performed both within and without this state, the numerator of the receipts factor includes receipts from services not otherwise apportioned under this section, if a greater proportion of the income-producing activity is performed in this state based on cost of performance.

(m) RECEIPTS FROM INVESTMENT ASSETS AND ACTIVITIES AND TRADING ASSETS AND ACTIVITIES.

(1)(A) Interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities and from trading assets and activities shall be included in the receipts factor.

(B) Investment assets and activities and trading assets and activities include, but are not limited to:

- (i) Investment securities;
- (ii) Trading account assets;
- (iii) Federal funds;
- (iv) Securities purchased and sold under agreements to resell or repurchase;
- (v) Options;
- (vi) Futures contracts;
- (vii) Forward contracts;
- (viii) Notional principal contracts such as swaps;
- (ix) Equities; and

(x) Foreign currency transactions.

(C) With respect to the investment and trading assets and activities described in subdivisions (m)(1)(D) and (E) of this section, the receipts factor shall include the amounts described in subdivisions (m)(1)(D) and (E) of this section.

(D) The receipts factor shall include the amount by which interest from federal funds sold and securities purchased under resale agreements exceeds interest expense on federal funds purchased and securities sold under repurchase agreements.

(E) The receipts factor shall include the amount by which interest, dividends, gains and other income from trading assets and activities, including, but not limited to, assets and activities in the matched book, in the arbitrage book, and foreign currency transactions, exceed amounts paid in lieu of interest, amounts paid in lieu of dividends, and losses from such assets and activities.

(2)(A) The numerator of the receipts factor includes interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities and from trading assets and activities described in subdivision (m)(1) of this section that are attributable to this state.

(B) The amount of interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities in the investment account to be attributed to this state and included in the numerator is determined by multiplying all such income from such assets and activities by a fraction, the numerator of which is the average value of such assets which are properly assigned to a regular place of business of the taxpayer within this state and the denominator of which is the average value of all such assets.

(C) The amount of interest from federal funds sold and purchased and from securities purchased under resale agreements and securities sold under repurchase agreements attributable to this state and included in the numerator is determined by multiplying the amount described in subdivision (m)(1)(D) of this section from such funds and such securities by a fraction, the numerator of which is the average value of federal funds sold and securities purchased under agreements to resell which are properly assigned to a regular place of business of the taxpayer within this state and the denominator of which is the average value of all such funds and such securities.

(D) The amount of interest, dividends, gains, and other income from trading assets and activities, including, but not limited to, assets and activities in the matched book, in the arbitrage book and in foreign currency transactions, but excluding amounts described in subdivision (m)(2)(B) or subdivision (m)(2)(C) of this section, attributable to this state and included in the numerator is determined by multiplying the amount described in subdivision (m)(1)(E) of this section by a fraction, the numerator of which is the average value of such trading assets which are properly assigned to a regular place of business of the taxpayer within this state and the denominator of which is the average value of all such assets.

(E) For purposes of this subdivision (m)(2), average value shall be determined using the rules for determining the average value of tangible personal property set forth in § 26-51-1404(c) and (d).

(3)(A) In lieu of using the method set forth in subdivision (m)(2) of this section, the taxpayer may elect, or the Secretary of the Department of Finance and Administration may require in order to fairly represent the business activity of the taxpayer in this state, the use of the method set forth in this subdivision (m)(3).

(B) The amount of interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities in the investment account to be attributed to this state and included in the numerator is determined by multiplying all such income from such assets and activities by a fraction, the numerator of which is the gross income from such assets and activities which are properly assigned to a regular place of business of the taxpayer within this state and the denominator of which is the gross income from all such assets and activities.

(C) The amount of interest from federal funds sold and purchased and from securities purchased under resale agreements and securities sold under repurchase agreements attributable to this state and included in the numerator is determined by multiplying the amount described in subdivision (m)(1)(D) of this section from such funds and such securities by a fraction, the numerator of which is the gross income from such funds and such securities which are properly assigned to a regular place of business of the taxpayer within this state and the denominator of which is the gross income from all such funds and such securities.

(D) The amount of interest, dividends, gains, and other income from trading assets and activities, including, but not limited to, assets and activities in the matched book, in the arbitrage book and in foreign currency transactions, but excluding amounts described in subdivision (m)(3)(B) or subdivision (m)(3)(C) of this section, attributable to this state and included in the numerator is determined by multiplying the amount described in subdivision (m)(1)(E) of this section by a fraction, the numerator of which is the gross income from such trading assets and activities which are properly assigned to a regular place of business of the taxpayer within this state and the denominator of which is the gross income from all such assets and activities.

(4) If the taxpayer elects or is required by the secretary to use the method set forth in subdivision (m)(3) of this section, it shall use this method on all subsequent returns unless the taxpayer receives prior permission from the secretary to use, or the secretary requires, a different method.

(5) The taxpayer shall have the burden of proving that an investment asset or activity or trading asset or activity was properly assigned to a regular place of business outside of this state by demonstrating that the day-to-day decisions regarding the asset or activity occurred at

a regular place of business outside this state. Where the day-to-day decisions regarding an investment asset or activity or trading asset or activity occur at more than one (1) regular place of business and one (1) such regular place of business is in this state and one (1) such regular place of business is outside this state, such asset or activity shall be considered to be located at the regular place of business of the taxpayer where the investment or trading policies or guidelines with respect to the asset or activity are established. Unless the taxpayer demonstrates to the contrary, such policies and guidelines shall be presumed to be established at the commercial domicile of the taxpayer.

(n) **ALL OTHER RECEIPTS.** The numerator of the receipts factor includes all other receipts under the rules set out in §§ 26-51-716 and 26-51-717.

(o) **ATTRIBUTION OF CERTAIN RECEIPTS TO COMMERCIAL DOMICILE.** All receipts which would be assigned under this section to a state in which the taxpayer is not taxable shall be included in the numerator of the receipts factor, if the taxpayer's commercial domicile is in this state.

A.C.R.C. Notes. Acts 2019, No. 822, § 1, provided: "Legislative findings and intent.

"(a) The General Assembly finds that:

"(1) The Arkansas Tax Reform and Relief Legislative Task Force was charged with:

"(A) Examining and identifying areas of potential tax reform within the tax laws; and

"(B) Recommending legislation to the General Assembly to:

"(i) Modernize and simplify the Arkansas tax code;

"(ii) Make Arkansas's tax laws competitive with tax laws in other states;

"(iii) Create jobs; and

"(iv) Ensure fairness to all taxpayers;

"(2) The state's income tax laws should be amended to modernize and simplify the tax code, increase Arkansas's competitiveness, create jobs, and ensure fairness to all taxpayers;

"(3) The inability to effectively collect any Arkansas sales or use tax from remote sellers who deliver tangible personal property, other property subject to Arkansas sales and use tax, or services directly into the state is seriously eroding the sales and use tax base of this state, causing revenue losses and imminent harm to the state through the loss of critical funding for state and local services;

"(4) The harm from the loss of revenue is especially serious in Arkansas because

sales and use tax revenue is essential in funding state and local services;

"(5) Despite the fact that a use tax is owed on tangible personal property, certain other property, or services delivered for use in this state, many remote sellers actively market sales as tax-free or as transactions not subject to sales and use tax;

"(6) The structural advantages of remote sellers, including the absence of point-of-sale tax collection and the general growth of online retail, make clear that further erosion of this state's sales and use tax base is likely to occur in the near future;

"(7) Remote sellers that make a substantial number of deliveries into Arkansas or collect large gross revenues from Arkansas benefit extensively from this state's market, economy, and infrastructure;

"(8) In contrast with the increasing harm caused to the state by the exemption of remote sellers from sales and use tax collection duties, the costs of such collection have decreased because advanced computing and software options have made it neither difficult nor burdensome for remote sellers to collect and remit sales and use taxes associated with sales of goods and services to residents of this state;

"(9) The United States Supreme Court recently upheld the ability of states to compel out-of-state sellers with no physical presence in the state to collect state sales and use taxes; and

“(10) Any savings realized by the state through tax reforms should be dedicated to reducing the tax burden for Arkansas taxpayers.

“(b) It is the intent of the General Assembly to:

“(1) Reform Arkansas tax laws to modernize and simplify the tax code, increase the state’s competitiveness, create jobs, and ensure fairness to all taxpayers;

“(2) Offset any revenue savings realized through tax reform with corresponding changes to reduce the tax burden for Arkansas taxpayers;

“(3) Gradually reduce the tax burden on Arkansas taxpayers in a fiscally responsible manner; and

“(4) Act on the recommendation of the Arkansas Tax Reform and Relief Legislative Task Force to repeal the throwback rule for business income when the state’s

budget would allow for that change to be enacted in a fiscally responsible manner”.

Amendments. The 2019 amendment by No. 822 inserted “total” twice in (a)(1)(A); substituted “26-51-716 and 26-51-717” for “26-51-715 — 26-51-717” in (n); and made stylistic changes.

The 2019 amendment by No. 910, in (m)(4), substituted “Secretary of the Department of Finance and Administration” for “Director of the Department of Finance and Administration” and substituted “secretary” for “director” twice.

Effective Dates. Acts 2019, No. 822, § 27(b): “Sections 2-4 and 6-16 of this act are effective for tax years beginning on or after January 1, 2021.”

26-51-1404. Property factor — Definitions. [Effective until January 1, 2021.]

(a) **GENERALLY.** The property factor is a fraction, the numerator of which is the average value of real property and tangible personal property rented to the taxpayer that is located or used within this state during the taxable year, the average value of the taxpayer’s real and tangible personal property owned that is located or used within this state during the taxable year, and the average value of the taxpayer’s loans and credit card receivables that are located within this state during the taxable year; and the denominator of which is the average value of all such property located or used within and without this state during the taxable year.

(b) **PROPERTY INCLUDED.** The property factor shall include only property the income or expenses of which are included, or would have been included if not fully depreciated or expensed, or depreciated or expensed to a nominal amount, in the computation of the apportionable income base for the taxable year.

(c) **VALUE OF PROPERTY OWNED BY THE TAXPAYER.**

(1) The value of real property and tangible personal property owned by the taxpayer is the original cost or other basis of such property for federal income tax purposes without regard to depletion, depreciation, or amortization.

(2) Loans are valued at their outstanding principal balance, without regard to any reserve for bad debts. If a loan is charged off, in whole or in part, for federal income tax purposes, the portion of the loan charged off is not outstanding. A specifically allocated reserve established pursuant to regulatory or financial accounting guidelines which is treated as charged off for federal income tax purposes shall be treated as charged off for purposes of this section.

(3) Credit card receivables are valued at their outstanding principal balance, without regard to any reserve for bad debts. If a credit card receivable is charged off, in whole or in part, for federal income tax purposes, the portion of the receivable charged off is not outstanding.

(d) AVERAGE VALUE OF PROPERTY OWNED BY THE TAXPAYER.

(1) The average value of property owned by the taxpayer is computed on an annual basis by adding the value of the property on the first day of the taxable year and the value on the last day of the taxable year and dividing the sum by two (2).

(2) If averaging on this basis does not properly reflect average value, the Secretary of the Department of Finance and Administration may require averaging on a more frequent basis.

(3) The taxpayer may elect to average on a more frequent basis.

(4) When averaging on a more frequent basis is required by the secretary or is elected by the taxpayer, the same method of valuation must be used consistently by the taxpayer with respect to property within and without this state and on all subsequent returns unless the taxpayer receives prior permission from the secretary or the secretary requires a different method of determining average value.

(e) AVERAGE VALUE OF REAL PROPERTY AND TANGIBLE PERSONAL PROPERTY RENTED TO THE TAXPAYER.

(1) The average value of real property and tangible personal property that the taxpayer has rented from another, and which is not treated as property owned by the taxpayer for federal income tax purposes, shall be determined annually by multiplying the gross rents payable during the taxable year by eight (8).

(2)(A) Where the use of the general method described in this subsection results in inaccurate valuations of rented property, any other method which properly reflects the value may be adopted by the secretary or by the taxpayer when approved in writing by the secretary.

(B) Once approved, such other method of valuation must be used on all subsequent returns unless the taxpayer receives prior approval from the secretary or unless the secretary requires a different method of valuation.

(f) LOCATION OF REAL PROPERTY AND TANGIBLE PERSONAL PROPERTY OWNED BY OR RENTED TO THE TAXPAYER.

(1) Except as described in subdivision (f)(2) of this section, real property and tangible personal property owned by or rented to the taxpayer is considered to be located within this state if it is physically located, situated, or used within this state.

(2)(A) Transportation property is included in the numerator of the property factor to the extent that the property is used in this state.

(B) The extent an aircraft will be deemed to be used in this state and the amount of value that is to be included in the numerator of this state's property factor is determined by multiplying the average value of the aircraft by a fraction, the numerator of which is the number of landings of the aircraft in this state and the denominator of which is the total number of landings of the aircraft everywhere.

(C) If the extent of the use of any transportation property within this state cannot be determined, then the property will be deemed to be used wholly in the state in which the property has its principal base of operations.

(D) A motor vehicle will be deemed to be used wholly in the state in which it is registered.

(g) LOCATION OF LOANS.

(1)(A) A loan is considered to be located within this state if it is properly assigned to a regular place of business of the taxpayer within this state.

(B) A loan is properly assigned to the regular place of business with which it has a preponderance of substantive contacts.

(2)(A) A loan assigned by the taxpayer to a regular place of business without the state shall be presumed to have been properly assigned if:

(i) The taxpayer has assigned, in the regular course of its business, such loan on its records to a regular place of business consistent with federal or state regulatory requirements;

(ii) Such assignment on its records is based upon substantive contacts of the loan to such regular place of business; and

(iii) The taxpayer uses said records reflecting assignment of loans for the filing of all state and local tax returns for which an assignment of loans to a regular place of business is required.

(B) The presumption of proper assignment of a loan provided in subdivisions (g)(1)(B) and (g)(2)(A) of this section may be rebutted upon a showing by the secretary, supported by a preponderance of the evidence, that the preponderance of substantive contacts regarding such loan did not occur at the regular place of business to which it was assigned on the taxpayer's records.

(C) When such presumption has been rebutted, the loan shall then be located within this state if:

(i) The taxpayer had a regular place of business within this state at the time the loan was made; and

(ii) The taxpayer fails to show, by a preponderance of the evidence, that the preponderance of substantive contacts regarding such loan did not occur within this state.

(3) In the case of a loan which is assigned by the taxpayer to a place without this state which is not a regular place of business, it shall be presumed, subject to rebuttal by the taxpayer on a showing supported by the preponderance of evidence, that the preponderance of substantive contacts regarding the loan occurred within this state, if, at the time the loan was made, the taxpayer's commercial domicile, as defined by § 26-51-1402(3), was within this state.

(4)(A) To determine the state in which the preponderance of substantive contacts relating to a loan have occurred, the facts and circumstances regarding the loan at issue shall be reviewed on a case-by-case basis, and consideration shall be given to such activities as the solicitation, investigation, negotiation, approval, and administration of the loan.

(B) The terms “solicitation”, “investigation”, “negotiation”, “approval”, and “administration” are defined as follows:

(i)(a) “Solicitation” is either active or passive.

(b) Active solicitation occurs when an employee of the taxpayer initiates the contact with the customer. Such activity is located at the regular place of business which the taxpayer’s employee is regularly connected with or working out of, regardless of where the services of such employee were actually performed.

(c) Passive solicitation occurs when the customer initiates the contact with the taxpayer. If the customer’s initial contact was not at a regular place of business of the taxpayer, the regular place of business, if any, where the passive solicitation occurred is determined by the facts in each case;

(ii) “Investigation” is the procedure whereby employees of the taxpayer determine the credit-worthiness of the customer, as well as the degree of risk involved in making a particular agreement. Such activity is located at the regular place of business which the taxpayer’s employees are regularly connected with or working out of, regardless of where the services of such employees were actually performed;

(iii) “Negotiation” is the procedure whereby employees of the taxpayer and its customer determine the terms of the agreement, for example, the amount, duration, interest rate, frequency of repayment, currency denomination, and security required. Such activity is located at the regular place of business which the taxpayer’s employees are regularly connected with or working out of, regardless of where the services of such employees were actually performed;

(iv) “Approval” is the procedure whereby employees or the board of directors of the taxpayer make the final determination whether to enter into the agreement. Such activity is located at the regular place of business which the taxpayer’s employees are regularly connected with or working out of, regardless of where the services of such employees were actually performed. If the board of directors makes the final determination, such activity is located at the commercial domicile of the taxpayer; and

(v) “Administration” is the process of managing the account. This process includes bookkeeping, collecting the payments, corresponding with the customer, reporting to management regarding the status of the agreement, and proceeding against the borrower or the security interest if the borrower is in default. Such activity is located at the regular place of business which oversees this activity.

(h) LOCATION OF CREDIT CARD RECEIVABLES. For purposes of determining the location of credit card receivables, credit card receivables shall be treated as loans and shall be subject to the provisions of subsection (g) of this section.

(i) PERIOD FOR WHICH PROPERLY ASSIGNED LOAN REMAINS ASSIGNED. A loan that has been properly assigned to a state shall, absent any change of material fact, remain assigned to said state for the length of the original

term of the loan. Thereafter, said loan may be properly assigned to another state if said loan has a preponderance of substantive contact to a regular place of business there.

Amendments. The 2019 amendment substituted "Secretary of the Department

of Finance and Administration" for "Director of the Department of Finance and Administration" in (d)(2) and (d)(4); and substituted "secretary" for "director" twice in (d)(4), twice in (e)(2)(A), twice in (e)(2)(B), and in (g)(2)(B).

26-51-1404. Property values. [Effective January 1, 2021.]

(a)(1) The value of real property and tangible personal property owned by the taxpayer is the original cost or other basis of such property for federal income tax purposes without regard to depletion, depreciation, or amortization.

(2)(A) Loans are valued at their outstanding principal balance, without regard to any reserve for bad debts.

(B) If a loan is charged off, in whole or in part, for federal income tax purposes, the portion of the loan charged off is not outstanding.

(C) A specifically allocated reserve established pursuant to regulatory or financial accounting guidelines that is treated as charged off for federal income tax purposes shall be treated as charged off for purposes of this section.

(3)(A) Credit card receivables are valued at their outstanding principal balance, without regard to any reserve for bad debts.

(B) If a credit card receivable is charged off, in whole or in part, for federal income tax purposes, the portion of the receivable charged off is not outstanding.

(b)(1) The average value of property owned by the taxpayer is computed on an annual basis by adding the value of the property on the first day of the taxable year and the value on the last day of the taxable year and dividing the sum by two (2).

(2) If averaging on this basis does not properly reflect average value, the Secretary of the Department of Finance and Administration may require averaging on a more frequent basis.

(3) The taxpayer may elect to average on a more frequent basis.

(4) When averaging on a more frequent basis is required by the secretary or is elected by the taxpayer, the same method of valuation shall be used consistently by the taxpayer with respect to property within and without this state and on all subsequent returns unless the taxpayer receives prior permission from the secretary or the secretary requires a different method of determining average value.

26-51-1405. Payroll factor — Definition. [Repealed effective January 1, 2021.]

(a) **GENERALLY.** The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the taxable year by the taxpayer for compensation and the denominator of which is the total compensation paid both within and without this state during the taxable year. The payroll factor shall include only that compensation which is included in the computation of the apportionable income tax base for the taxable year.

(b) **COMPENSATION RELATING TO NONBUSINESS INCOME AND INDEPENDENT CONTRACTORS.** The compensation of any employee for services or activities which are connected with the production of nonbusiness income, which is income that is not includable in the apportionable income base, and payments made to any independent contractor or any other person not properly classifiable as an employee shall be excluded from both the numerator and denominator of the factor.

(c) **WHEN COMPENSATION PAID IN THIS STATE.** Compensation is paid in this state if any one (1) of the following tests, applied consecutively, is met:

(1) The employee's services are performed entirely within this state;

(2) The employee's services are performed both within and without the state, but the service performed without the state is incidental to the employee's service within the state. "Incidental" means any service which is temporary or transitory in nature, or which is rendered in connection with an isolated transaction; and

(3) If the employee's services are performed both within and without this state, the employee's compensation will be attributed to this state:

(A) If the employee's principal base of operations is within this state;

(B) If there is no principal base of operations in any state in which some part of the services are performed, but the place from which the services are directed or controlled is in this state; or

(C) If the principal base of operations and the place from which the services are directed or controlled are not in any state in which some part of the service is performed but the employee's residence is in this state.

SUBCHAPTER 19 — EMPLOYEE TUITION REIMBURSEMENT TAX CREDIT

SECTION.

26-51-1901. Legislative intent.

26-51-1902. Creation of tax incentive.

SECTION.

26-51-1903. Eligibility.

A.C.R.C. Notes. Acts 2005, No. 1232, § 1, provided: “Legislative intent. (a) Accelerate Arkansas, a statewide group of volunteers whose mission is to foster economic growth in Arkansas by raising the average Arkansas wage to the level of the national average wage by using the essential building blocks of the knowledge-based economy to create an environment supporting entrepreneurship and continuous innovation, developed its five-point strategy to increase per capita income:

“(1) Support research and development that creates jobs;

“(2) Provide incentives that make risk capital available in the funding gap;

“(3) Encourage entrepreneurship and new enterprise development;

“(4) Sustain successful existing companies; and

“(5) Increase achievement in science, technology, engineering, and mathematics education.

“(b) These core strategies focus on the economic building blocks of research, entrepreneurship, risk capital, and the science and engineering workforce.

“(c) These core strategies are consistent with and supported by the findings in:

“(1) The Department of Economic Development’s Report of the Task Force for the Creation of Knowledge-Based Jobs;

“(2) The Winthrop Rockefeller Foundation’s Entrepreneurial Arkansas: Connecting the Dots; and

“(3) ‘Arkansas’ Position in the Knowledge-Based Economy’, a report prepared

by the Milken Institute and the Center for Business and Economic Research at the University of Arkansas.”

26-51-1901. Legislative intent.

It is recognized that the reimbursement or payment by an employer of or for tuition for employee training or courses that aid in improving job skills is in the best interest of the state. Increasing the skills and abilities of the workforce allows Arkansas to compete for jobs that require specialized knowledge and talent not available in sufficient supply. In order to reward those employers who subsidize educational opportunities for their employees and to encourage other employers to make such benefits available to their employees, it is necessary to create an incentive.

History. Acts 1999, No. 1036, § 1; 2005, No. 1232, § 7.

26-51-1902. Creation of tax incentive.

(a) There shall be allowed a credit against the income tax imposed by the Income Tax Act of 1929, § 26-51-101 et seq., equal to thirty percent (30%) of the cost of tuition reimbursed or paid by an employer on behalf of a full-time, permanent employee for the cost of tuition, books, and fees for a program of undergraduate or postgraduate education from an accredited institution of postsecondary education located in Arkansas.

(b) In order to qualify for the income tax credit, the employer shall document that the employee has successfully completed the course.

(c) The incentive authorized by this section shall not exceed twenty-five percent (25%) of a business’s income tax liability in any year.

History. Acts 1999, No. 1036, § 2; 2005, No. 1232, § 8.

26-51-1903. Eligibility.

Acts 2015, No. 402, § 5: Mar. 12, 2015. Emergency clause provided: "It is found and determined by the General Assembly of the State of Arkansas that the Arkansas National Guard members risk their lives to protect and defend our country; that the Military Family Relief Trust Fund and the

Military Family Relief Check-Off Program were created to provide short term emergency financial assistance in the form of grants to members and their families; that the fund provides a valuable means to assist and improve morale and welfare of members of the Arkansas National Guard and reserve components of the armed forces, and that there is a need to modify the Military Family Relief Fund

and the Military Family Relief Check-Off Program because there are members and their families in current circumstances beyond the control of the members who require assistance that is not currently available from any other reasonable source, and if assistance is not made available, irreparable harm will result. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on: (1) The date of its approval by the Governor; (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

Acts 2019, No. 910, § 6346(b): July 1, 2019. Emergency clause provided: "It is

Therefore, an emergency is declared to exist, and Sections 1 through 6343 of this act being necessary for the preservation of the public peace, health, and safety shall become effective on July 1, 2019."
